Authority for Publishing Session Laws and Resolutions

Section 2.030, Revised Statutes of Missouri, 2009. — Legislative Research to provide for printing and binding of laws. — The joint committee on legislative research shall annually collate, index, print, and bind all laws and resolutions passed or adopted by the general assembly and all measures approved by the people since the last publication of the session laws. Any edition of the session laws published pursuant to this section is a part of the official laws and resolutions of the general assembly at which the laws and resolutions were passed.

Section 2.040, Revised Statutes of Missouri, 2009. — Duties of Legislative Research in printing and binding. — The joint committee on legislative research shall provide copies of all laws, measures and resolutions duly enacted by the general assembly and all amendments to the constitution and all measures approved by the people since the last publication of the session laws pursuant to section 2.030, giving the date of the approval or adoption thereof. The joint committee on legislative research shall headnote, collate, index the laws, resolutions and constitutional amendments, and compare the proof sheets of the printed copies with the original rolls. The revisor of statutes shall insert therein an attestation under the revisor's hand that the revisor has compared the laws, resolutions, constitutional amendments and measures therein contained with the original rolls and copies in the office of the secretary of state and that the same are true copies of such laws, measures, resolutions and constitutional amendments as the same appear in the original rolls in the office of the secretary of state. The joint committee on legislative research shall cause the completed laws, resolutions and constitutional amendments to be printed and bound.

ATTESTATION

STATE OF MISSOURI)
) ss.
City of Jefferson)

I, Russ Hembree, Acting Revisor of Statutes, hereby certify that I have collated carefully the laws and resolutions passed by the Ninety-fifth General Assembly of the State of Missouri, convened in second regular session and first extraordinary session, as they are contained in the following pages, and have compared them with the original rolls and have corrected them thereby. Headnotes are used for the convenience of the reader and are not part of the laws they precede.

IN TESTIMONY WHEREOF, I have hereunto set my hand at my office in the City of Jefferson this nineteenth day of July A.D. two thousand ten.

RUSS HEMBREE
ACTING REVISOR OF STATUTES

EFFECTIVE DATE OF LAWS

Section 29, Article III of the Constitution provides:

“No law passed by the general assembly, except an appropriation act, shall take effect until ninety days after the adjournment of the session in either odd-numbered or even-numbered years at which it was enacted. However, in case of an emergency which must be expressed in the preamble or in the body of the act, the general assembly by a two-thirds vote of the members elected to each house, taken by yeas and nays may otherwise direct; and further except that, if the general assembly recesses for thirty days or more it may prescribe by joint resolution that laws previously passed and not effective shall take effect ninety days from the beginning of the recess.”

The Ninety-fifth General Assembly, Second Regular Session, convened January 6, 2010, and adjourned Sunday, May 30, 2010. All laws passed by it (other than appropriation acts, those having emergency clauses or different effective dates) became effective ninety days thereafter on August 28, 2010.

The Ninety-fifth General Assembly, First Extraordinary Session, convened Thursday, June 24, 2010, and adjourned Wednesday, July 14, 2010. The laws passed by it did not contain an emergency clause and became effective ninety days thereafter on October 12, 2010.

JOINT RESOLUTIONS AND INITIATIVE PETITIONS

Section 2(b), Article XII of the Constitution provides:

“All amendments proposed by the general assembly or by the initiative shall be submitted to the electors for their approval or rejection by official ballot title as may be provided by law, on a separate ballot without party designation, at the next general election, or at a special election called by the governor prior thereto, at which he may submit any of the amendments..... If a majority of the votes cast thereon is in favor of any amendment, the same shall take effect at the end of thirty days after the election. More than one amendment at the same election shall be so submitted as to enable the electors to vote on each amendment separately.”

Neither the Ninety-fifth General Assembly, Second Regular Session, nor the Ninety-fifth General Assembly, First Extraordinary Session, passed a Joint Resolution. Resolutions are to be published as provided in Section 116.340, RSMo 2000, which reads:

“116.340. Publication of approved measures. — When a statewide ballot measure is approved by the voters, the secretary of state* shall publish it with the laws enacted by the following session of the general assembly, and the revisor of statutes shall include it in the next edition or supplement of the revised statutes of Missouri. Each of the measures printed above shall include the date of the proclamation or statement of approval under section 116.330.”

*The publication of session laws was delegated to the Joint Committee on Legislative Research in 1997 by Senate Bill 459, section 2.040.

The headnotes used to describe sections printed in this volume may not be identical with the headnotes which appear in the 2010 Supplement to the Revised Statutes of Missouri. Every attempt has been made to develop headnotes which adequately describe the textual material contained in the section.

The Joint Committee on Legislative Research
is pleased to state that the *2010 Session Laws*
is produced with soy-based ink.

*I hereby veto \$295,287 Workers' Compensation Fund for three administrative law judges. The Division of Workers' Compensation is statutorily authorized a maximum of forty administrative law judges. Pursuant to Section 287.610.1, RSMo, the actual number of administrative law judges is determined through the appropriations process and "shall be based upon necessity..." Between 2005 and 2009, the division realized a 25% reduction in first reports of injury and a 28% decrease in the number of claims filed. As a result, the fiscal year 2010 budget eliminated five administrative law judge positions. My budget recommendations for fiscal year 2011 did not add any administrative law judge positions and, given the reduction in claims, a veto will not impact the department's ability to adjudicate workers' compensation cases.

(e) Pharmacy care.

2. All group health benefit plans that are delivered, issued for delivery, continued, or renewed on or after January 1, 2011, if written inside the state of Missouri, or written outside the state of Missouri but insuring Missouri residents, shall provide coverage for the diagnosis and treatment of autism spectrum disorders to the extent that such diagnosis and treatment is not already covered by the health benefit plan.

3. With regards to a health benefit plan, a health carrier shall not deny or refuse to issue coverage on, refuse to contract with, or refuse to renew or refuse to reissue or otherwise terminate or restrict coverage on an individual or their dependent because the individual is diagnosed with autism spectrum disorder.

4. (1) Coverage provided under this section is limited to medically necessary treatment that is ordered by the insured's treating licensed physician or licensed psychologist, pursuant to the powers granted under such licensed physician's or licensed psychologist's license, in accordance with a treatment plan;

(2) The treatment plan, upon request by the health benefit plan or health carrier, shall include all elements necessary for the health benefit plan or health carrier to pay

claims. Such elements include, but are not limited to, a diagnosis, proposed treatment by type, frequency and duration of treatment, and goals;

(3) Except for inpatient services, if an individual is receiving treatment for an autism spectrum disorder, a health carrier shall have the right to review the treatment plan not more than once every six months unless the health carrier and the individual's treating physician or psychologist agree that a more frequent review is necessary. Any such agreement regarding the right to review a treatment plan more frequently shall only apply to a particular individual being treated for an autism spectrum disorder and shall not apply to all individuals being treated for autism spectrum disorders by a physician or psychologist. The cost of obtaining any review or treatment plan shall be borne by the health benefit plan or health carrier, as applicable.

5. Coverage provided under this section for applied behavior analysis shall be subject to a maximum benefit of forty thousand dollars per calendar year for individuals through eighteen years of age. Such maximum benefit limit may be exceeded, upon prior approval by the health benefit plan, if the provision of applied behavior analysis services beyond the maximum limit is medically necessary for such individual. Payments made by a health carrier on behalf of a covered individual for any care, treatment, intervention, service or item, the provision of which was for the treatment of a health condition unrelated to the covered individual's autism spectrum disorder, shall not be applied toward any maximum benefit established under this subsection. Any coverage required under this section, other than the coverage for applied behavior analysis, shall not be subject to the age and dollar limitations described in this subsection.

6. The maximum benefit limitation for applied behavior analysis described in subsection 5 of this section shall be adjusted by the health carrier at least triennially for inflation to reflect the aggregate increase in the general price level as measured by the Consumer Price Index for All Urban Consumers for the United States, or its successor index, as defined and officially published by the United States Department of Labor, or its successor agency. Beginning January 1, 2012, and annually thereafter, the current value of the maximum benefit limitation for applied behavior analysis coverage adjusted for inflation in accordance with this subsection shall be calculated by the director of the department of insurance, financial institutions and professional registration. The director shall furnish the calculated value to the secretary of state, who shall publish such value in the Missouri Register as soon after each January first as practicable, but it shall otherwise be exempt from the provisions of section 536.021.

7. Subject to the provisions set forth in subdivision (3) of subsection 4 of this section, coverage provided under this section shall not be subject to any limits on the number of visits an individual may make to an autism service provider, except that the maximum total benefit for applied behavior analysis set forth in subsection 5 of this section shall apply to this subsection.

8. This section shall not be construed as limiting benefits which are otherwise available to an individual under a health benefit plan. The health care coverage required by this section shall not be subject to any greater deductible, coinsurance, or co-payment than other physical health care services provided by a health benefit plan. Coverage of services may be subject to other general exclusions and limitations of the contract or benefit plan, not in conflict with the provisions of this section, such as coordination of benefits, exclusions for services provided by family or household members, and utilization review of health care services, including review of medical necessity and care management; however, coverage for treatment under this section shall not be denied on the basis that it is educational or habilitative in nature.

9. To the extent any payments or reimbursements are being made for applied behavior analysis, such payments or reimbursements shall be made to either:

(1) The autism service provider, as defined in this section; or

(2) The entity or group for whom such supervising person, who is certified as a board certified behavior analyst by the Behavior Analyst Certification Board, works or is associated.

Such payments or reimbursements under this subsection to an autism service provider or a board certified behavior analyst shall include payments or reimbursements for services provided by a line therapist under the supervision of such provider or behavior analyst if such services provided by the line therapist are included in the treatment plan and are deemed medically necessary.

10. Notwithstanding any other provision of law to the contrary, health carriers shall not be held liable for the actions of line therapists in the performance of their duties.

11. The provisions of this section shall apply to any health care plans issued to employees and their dependents under the Missouri consolidated health care plan established pursuant to chapter 103, that are delivered, issued for delivery, continued, or renewed in this state on or after January 1, 2011. The terms "employees" and "health care plans" shall have the same meaning ascribed to them in section 103.003.

12. The provisions of this section shall also apply to the following types of plans that are established, extended, modified, or renewed on or after January 1, 2011:

(1) All self-insured governmental plans, as that term is defined in 29 U.S.C. Section 1002(32);

(2) All self-insured group arrangements, to the extent not preempted by federal law;

(3) All plans provided through a multiple employer welfare arrangement, or plans provided through another benefit arrangement, to the extent permitted by the Employee Retirement Income Security Act of 1974, or any waiver or exception to that act provided under federal law or regulation; and

(4) All self-insured school district health plans.

13. The provisions of this section shall not automatically apply to an individually underwritten health benefit plan, but shall be offered as an option to any such plan.

14. The provisions of this section shall not apply to a supplemental insurance policy, including a life care contract, accident-only policy, specified disease policy, hospital policy providing a fixed daily benefit only, Medicare supplement policy, long-term care policy, short-term major medical policy of six months or less duration, or any other supplemental policy.

15. Any health carrier or other entity subject to the provisions of this section shall not be required to provide reimbursement for the applied behavior analysis delivered to a person insured by such health carrier or other entity to the extent such health carrier or other entity is billed for such services by any Part C early intervention program or any school district for applied behavior analysis rendered to the person covered by such health carrier or other entity. This section shall not be construed as affecting any obligation to provide services to an individual under an individualized family service plan, an individualized education plan, or an individualized service plan. This section shall not be construed as affecting any obligation to provide reimbursement pursuant to section 376.1218.

16. The provisions of sections 376.383, 376.384, and 376.1350 to 376.1399 shall apply to this section.

17. The director of the department of insurance, financial institutions and professional registration shall grant a small employer with a group health plan, as that term is defined in section 379.930, a waiver from the provisions of this section if the small employer demonstrates to the director by actual claims experience over any consecutive twelve month period that compliance with this section has increased the cost of the health insurance policy by an amount of two and a half percent or greater over the period of a calendar year in premium costs to the small employer.

18. The provisions of this section shall not apply to the Mo HealthNet program as described in chapter 208.

19. (1) By February 1, 2012, and every February first thereafter, the department of insurance, financial institutions and professional registration shall submit a report to the general assembly regarding the implementation of the coverage required under this section. The report shall include, but shall not be limited to, the following:

- (a) The total number of insureds diagnosed with autism spectrum disorder;
 - (b) The total cost of all claims paid out in the immediately preceding calendar year for coverage required by this section;
 - (c) The cost of such coverage per insured per month; and
 - (d) The average cost per insured for coverage of applied behavior analysis;
- (2) All health carriers and health benefit plans subject to the provisions of this section shall provide the department with the data requested by the department for inclusion in the annual report.

Such statement shall also include the amount of real and tangible personal property taxes delinquent at the time of the mailing of the statement, including any interest and

two counties to prepare and keep in [his] **the collector's** office, **electronically or otherwise**, back tax books which shall contain and list all delinquent taxes on real and personal property levied and assessed in the county which remain due and unpaid after the first day of January of each year. Such back tax books shall replace and be in lieu of all "delinquent lists" and other back tax books heretofore prepared by the collector or other county officer.

Each political subdivision located, at least partially, within a county with a charter form of government or within a city not within a county shall fix its ad valorem property tax rates as provided in this section not later than October first for entry in the tax books for each calendar year after December 31, 2008. Before the governing body of each political subdivision of the state, except counties, as defined in section 70.120, RSMo, fixes its rate of taxation, its budget officer shall present to its governing body the following information for each tax rate to be levied: the assessed valuation by category of real, personal and other tangible property in the political subdivision as entered in the tax book for the fiscal year for which the tax is to be levied, as provided by subsection 3 of section 137.245, RSMo, the assessed valuation by category of real, personal and other tangible property in the political subdivisions for the preceding taxable year, the amount of revenue required to be provided from the property tax as set forth in the annual budget adopted as provided by this chapter, and the tax rate proposed to be set. Should any political subdivision whose taxes are collected by the county collector of revenue fail to fix its ad valorem property tax rate by [September first] **the date provided under this section for such political subdivision**, then no tax rate other than the rate, if any, necessary to pay the interest and principal on any outstanding bonds shall be certified for that year.

2. The governing body shall hold at least one public hearing on the proposed rates of taxes at which citizens shall be heard prior to their approval. The governing body shall determine the time and place for such hearing. A notice stating the hour, date and place of the hearing shall be published in at least one newspaper qualified under the laws of the state of Missouri of general circulation in the county within which all or the largest portion of the political subdivision is situated, or such notice shall be posted in at least three public places within the political subdivision; except that, in any county of the first class having a charter form of government, such notice may be published in a newspaper of general circulation within the political subdivision even though such newspaper is not qualified under the laws of Missouri for other legal notices. Such notice shall be published or posted at least seven days prior to the date of the hearing. The notice shall include the assessed valuation by category of real, personal and other tangible property in the political subdivision for the fiscal year for which the tax is to be levied as provided by subsection 3 of section 137.245, RSMo, the assessed valuation by category of real, personal and other tangible property in the political subdivision for the preceding taxable year, for each rate to be levied the amount of revenue required to be provided from the property tax as set forth in the annual budget adopted as provided by this chapter, and the tax rates proposed to be set for the various purposes of taxation. The tax rates shall be calculated to produce substantially the same revenues as required in the annual budget adopted as provided in this chapter. Following the hearing the governing body of each political subdivision shall fix the rates of taxes, the same to be entered in the tax book. Failure of any taxpayer to appear at such hearing shall not prevent the taxpayer from pursuit of any other legal remedy otherwise available to the taxpayer. If a political subdivision fails to provide the projected tax rate as provided in this section, the clerk shall notify the state auditor who shall, within seven days of receiving such notice, estimate a nonbinding tax levy for such political subdivision and return such to the clerk. No more than one change of hearing officer shall be allowed for each party in any appeal.

139.031. PAYMENT OF CURRENT TAXES UNDER PROTEST — ACTION, WHEN COMMENCED, HOW TRIED — REFUNDS, HOW MADE, MAY BE USED AS CREDIT FOR NEXT YEAR'S TAXES — INTEREST, WHEN ALLOWED — COLLECTOR TO INVEST PROTESTED TAXES, DISBURSAL TO TAXING AUTHORITIES, WHEN. — 1. Any taxpayer may protest all or any part of any current taxes assessed against the taxpayer, except taxes collected by the director of revenue of Missouri. Any such taxpayer desiring to pay any current taxes under protest **or while paying taxes based upon a disputed assessment** shall, at the time of paying such taxes, **make full payment of the current tax bill before the delinquency date** and file with the collector a written statement setting forth the grounds on which the protest is based. The statement shall include the true value in money claimed by the taxpayer if disputed. **An appeal before the state tax commission shall not be dismissed on the grounds that a taxpayer failed to file a written statement when paying taxes based upon a disputed assessment.**

2. [For all tax years beginning on or after January 1, 2009, any taxpayer desiring to protest any current taxes shall make full payment of the current tax bill and file with the collector a written statement setting forth the grounds on which the protest is based.

3.] Upon receiving payment of current taxes under protest pursuant to subsection 1 of this section or upon receiving from the state tax commission or the circuit court notice of an appeal from the state tax commission or the circuit court pursuant to section 138.430, RSMo, **along with full payment of the current tax bill before the delinquency date**, the collector shall disburse to the proper official all portions of taxes not protested or not disputed by the taxpayer and shall impound in a separate fund all portions of such taxes which are protested or in dispute. Every taxpayer protesting the payment of current taxes under subsection 1 [or 2] of this section shall, within ninety days after filing his protest, commence an action against the collector by filing a petition for the recovery of the amount protested in the circuit court of the county in which the collector maintains his office. If any taxpayer so protesting his taxes under subsection 1 [or 2] of this section shall fail to commence an action in the circuit court for the recovery of the

taxes protested within the time prescribed in this subsection, such protest shall become null and void and of no effect, and the collector shall then disburse to the proper official the taxes impounded, and any interest earned thereon, as provided above in this subsection.

[4.] 3. No action against the collector shall be commenced by any taxpayer who has, effective for the current tax year, filed with the state tax commission or the circuit court a timely and proper appeal of the assessment of the taxpayer's property. The portion of taxes in dispute from an appeal of an assessment shall be impounded in a separate fund and the commission in its decision and order issued pursuant to chapter 138, RSMo, or the circuit court in its judgment may order all or any part of such taxes refunded to the taxpayer, or may authorize the collector to release and disburse all or any part of such taxes.

[5.] 4. Trial of the action for recovery of taxes protested under subsection 1 [or 2] of this section in the circuit court shall be in the manner prescribed for nonjury civil proceedings, and, after determination of the issues, the court shall make such orders as may be just and equitable to refund to the taxpayer all or any part of the current taxes paid under protest, together with any interest earned thereon, or to authorize the collector to release and disburse all or any part of the impounded taxes, and any interest earned thereon, to the appropriate officials of the taxing authorities. Either party to the proceedings may appeal the determination of the circuit court.

[6.] 5. All the county collectors of taxes, and the collector of taxes in any city not within a county, shall, upon written application of a taxpayer, refund or credit against the taxpayer's tax liability in the following taxable year and subsequent consecutive taxable years until the taxpayer has received credit in full for any real or personal property tax mistakenly or erroneously levied against the taxpayer and collected in whole or in part by the collector. Such application shall be filed within three years after the tax is mistakenly or erroneously paid. The governing body, or other appropriate body or official of the county or city not within a county, shall make available to the collector funds necessary to make refunds under this subsection by issuing warrants upon the fund to which the mistaken or erroneous payment has been credited, or otherwise.

[7.] 6. No taxpayer shall receive any interest on any money paid in by the taxpayer erroneously.

[8.] 7. All protested taxes impounded under protest under subsection 1 [or 2] of this section and all disputed taxes impounded under notice as required by section 138.430, RSMo, shall be invested by the collector in the same manner as assets specified in section 30.260, RSMo, for investment of state moneys. A taxpayer who is entitled to a refund of protested or disputed taxes shall also receive the interest earned on the investment thereof. If the collector is ordered to release and disburse all or part of the taxes paid under protest or dispute to the proper official, such taxes shall be disbursed along with the proportional amount of interest earned on the investment of the taxes due the particular taxing authority.

[9.] 8. **Any taxing authority may request to be notified by the county collector of current taxes paid under protest. Such request shall be in writing and submitted on or before [March] February first next following the delinquent date of current taxes paid under protest or disputed, and the county collector shall [notify any] provide such information on or before March first of the same year to the requesting** taxing authority of the taxes paid under protest and disputed taxes which would be received by such taxing authority if the funds were not the subject of a protest or dispute. Any taxing authority may apply to the circuit court of the county or city not within a county in which a collector has impounded protested or disputed taxes under this section and, upon a satisfactory showing that such taxing authority would receive such impounded tax funds if they were not the subject of a protest or dispute and that such taxing authority has the financial ability and legal capacity to repay such impounded tax funds in the event a decision ordering a refund to the taxpayer is subsequently made, the circuit court shall order, pendente lite, the disbursement of all or any part of such impounded tax funds to such taxing authority. The circuit court issuing an order under this subsection shall retain jurisdiction of such matter for further proceedings, if any, to compel restitution of such tax funds to the taxpayer. In the event that any protested or disputed tax funds refunded to a taxpayer were disbursed to a

taxing authority under this subsection instead of being held and invested by the collector under subsection 8 of this section, such taxing authority shall pay the taxpayer entitled to the refund of such protested or disputed taxes the same amount of interest, as determined by the circuit court having jurisdiction in the matter, such protested or disputed taxes would have earned if they had been held and invested by the collector.

[10.] **9.** No appeal filed from the circuit court's or state tax commission's determination pertaining to the amount of refund shall stay any order of refund, but the decision filed by any court of last review modifying that determination shall be binding on the parties, and the decision rendered shall be complied with by the party affected by any modification within ninety days of the date of such decision. No taxpayer shall receive any interest on any additional award of refund, and the collector shall not receive any interest on any ordered return of refund in whole or in part.

3. Any payment for real property taxes received by the county collector shall first be applied to **the oldest of any** back delinquent taxes on the same individual parcel of real estate on the back tax book before a county collector accepts payment for real property taxes due and assessed on the current tax book.

4. Subsection 3 of this section shall not apply to payment for real property taxes by financial institutions, as defined in section 381.410, RSMo, who pay tax obligations which they service from escrow accounts, as defined in Title 24, Part 3500, Section 17, Code of Federal Regulations.

2. The first notice shall be by first class mail. A second notice shall be sent by certified mail only if the assessed valuation of the property is greater than one thousand dollars. If the assessed valuation of the property is not greater than one thousand dollars, only the first notice shall be required. The postage for the mailing of the**

notices shall be paid out of the county treasury, and such costs shall be added to the costs of conducting the sale, and the county treasury shall be reimbursed to the extent that such postage costs are recovered at the sale. The failure of the taxpayer or the publicly recorded owner to receive the notice provided for in this section shall not relieve the taxpayer or publicly recorded owner of any tax liability imposed by law.

3. The entry in the back tax book by the county clerk of the delinquent lands, lots, mineral rights, and royalty interests constitutes a levy upon the delinquent lands, lots, mineral rights, and royalty interests for the purpose of enforcing the lien of delinquent and unpaid taxes or unpaid special assessments as provided in section 67.469, RSMo, together with penalty, interest and costs.

Such three-year limitation shall only be applicable once the recording of the title has occurred.

2. [In order to enable county and city collectors to be able to collect delinquent and back taxes and unpaid special assessments,] The county auditor in all counties having a county auditor shall annually audit [and list all delinquent and back taxes and unpaid special assessments] **collections, deposits, and supporting reports of the collector** and provide a copy of such audit [and list] to the county collector and to the governing body of the county. 2. In addition to the names of all record owners or the names of all owners appearing on the land tax book it is only necessary in the printed and published list to state in the aggregate the amount of taxes, penalty, interest and cost due thereon, each year separately stated.

3. To the list shall be attached and in like manner printed and published a notice of said lands and lots stating that said land and lots will be sold at public auction to discharge the taxes, penalty, interest, and costs due thereon at the time of sale in or adjacent to the courthouse of such county, on the fourth Monday in August next thereafter, commencing at ten o'clock of said day and continuing from day to day thereafter until all are offered.

The county collector, on or before the day of sale, shall insert at the foot of the list on his record a copy of the notice and certify on his record immediately following the notice the name of the newspaper of the county in which the notice was printed and published and the dates of insertions thereof in the newspaper.

5. The expense of such printing shall be paid out of the county treasury and shall not exceed the rate provided for in chapter 493, RSMo, relating to legal publications, notices and advertisements, and the cost of printing at the rate paid by the county shall be taxed as part of the costs of the sale of any land or lot contained in the list.

8. If, in the opinion of the county collector, an adequate legal description of the delinquent land and lots cannot be obtained through researching the documents available through the recorder of deeds, the collector may commission a professional land surveyor to prepare an adequate legal description of the delinquent land and lots in question. The costs of any commissioned land survey deemed necessary by the county collector shall be taxed as part of the costs of the sale of any land or lots contained in the list prepared under this section.

After meeting the requirements of section 140.405, the property shall be conveyed to the agent on behalf of the nonresident, and the agent shall thereafter convey the property to the nonresident.**

SECTION

- A. Enacting clause.
- 67.110. Fixing ad valorem property tax rates, procedure — failure to establish, effect — new or increased taxes approved after September 1 not to be included in that year's tax levy, exception.
- 138.431. Hearing officers of tax commission to hear appeals, when, procedure — appeal of hearing officer's decision, how.
- 321.250. Board to certify rate of levy to county commission.

Be it enacted by the General Assembly of the state of Missouri, as follows:

SECTION A. ENACTING CLAUSE. — Sections 67.110, 138.431, and 321.250, RSMo, are repealed and three new sections enacted in lieu thereof, to be known as sections 67.110, 138.431, and 321.250, to read as follows:

67.110. FIXING AD VALOREM PROPERTY TAX RATES, PROCEDURE — FAILURE TO ESTABLISH, EFFECT — NEW OR INCREASED TAXES APPROVED AFTER SEPTEMBER 1 NOT TO BE INCLUDED IN THAT YEAR'S TAX LEVY, EXCEPTION. — 1. Each political subdivision in the state, except counties and any political subdivision located at least partially within any county with a charter form of government or any political subdivision located at least partially within any city not within a county, shall fix its ad valorem property tax rates as provided in this section not later than September first for entry in the tax books. Each political subdivision located, at least partially, within a county with a charter form of government or within a city not within a county shall fix its ad valorem property tax rates as provided in this section not later than October first for entry in the tax books for each calendar year after December 31, 2008. Before the governing body of each political subdivision of the state, except counties, as defined in section 70.120, RSMo, fixes its rate of taxation, its budget officer shall present to its governing body the following information for each tax rate to be levied: the assessed valuation by category of real, personal and other tangible property in the political subdivision as entered in the tax book for the fiscal year for which the tax is to be levied, as provided by subsection 3 of section 137.245,

RSMo, the assessed valuation by category of real, personal and other tangible property in the political subdivisions for the preceding taxable year, the amount of revenue required to be provided from the property tax as set forth in the annual budget adopted as provided by this chapter, and the tax rate proposed to be set. Should any political subdivision whose taxes are collected by the county collector of revenue fail to fix its ad valorem property tax rate by [September first] **the date provided under this section for such political subdivision**, then no tax rate other than the rate, if any, necessary to pay the interest and principal on any outstanding bonds shall be certified for that year.

2. The governing body shall hold at least one public hearing on the proposed rates of taxes at which citizens shall be heard prior to their approval. The governing body shall determine the time and place for such hearing. A notice stating the hour, date and place of the hearing shall be published in at least one newspaper qualified under the laws of the state of Missouri of general circulation in the county within which all or the largest portion of the political subdivision is situated, or such notice shall be posted in at least three public places within the political subdivision; except that, in any county of the first class having a charter form of government, such notice may be published in a newspaper of general circulation within the political subdivision even though such newspaper is not qualified under the laws of Missouri for other legal notices. Such notice shall be published or posted at least seven days prior to the date of the hearing. The notice shall include the assessed valuation by category of real, personal and other tangible property in the political subdivision for the fiscal year for which the tax is to be levied as provided by subsection 3 of section 137.245, RSMo, the assessed valuation by category of real, personal and other tangible property in the political subdivision for the preceding taxable year, for each rate to be levied the amount of revenue required to be provided from the property tax as set forth in the annual budget adopted as provided by this chapter, and the tax rates proposed to be set for the various purposes of taxation. The tax rates shall be calculated to produce substantially the same revenues as required in the annual budget adopted as provided in this chapter. Following the hearing the governing body of each political subdivision shall fix the rates of taxes, the same to be entered in the tax book. Failure of any taxpayer to appear at such hearing shall not prevent the taxpayer from pursuit of any other legal remedy otherwise available to the taxpayer. Nothing in this section absolves political subdivisions of responsibilities under section 137.073, RSMo, nor to adjust tax rates in event changes in assessed valuation occur that would alter the tax rate calculations.

3. Each political subdivision of the state shall fix its property tax rates in the manner provided in this section for each fiscal year which begins after December 31, 1976. New or increased tax rates for political subdivisions whose taxes are collected by the county collector approved by voters after September first of any year shall not be included in that year's tax levy except for any new tax rate ceiling approved pursuant to section 71.800, RSMo.

4. In addition to the information required under subsections 1 and 2 of this section, each political subdivision shall also include the increase in tax revenue due to an increase in assessed value as a result of new construction and improvement and the increase, both in dollar value and percentage, in tax revenue as a result of reassessment if the proposed tax rate is adopted.

138.431. HEARING OFFICERS OF TAX COMMISSION TO HEAR APPEALS, WHEN, PROCEDURE — APPEAL OF HEARING OFFICER'S DECISION, HOW. — 1. To hear and decide appeals pursuant to section 138.430, the commission shall appoint one or more hearing officers. The hearing officers shall be subject to supervision by the commission. No person shall participate on behalf of the commission in any case in which such person is an interested party.

2. The commission may assign such appeals as it deems fit to a hearing officer for disposition.

(1) The assignment shall be deemed made when the scheduling order is first issued by the commission and signed by the hearing officer assigned, unless another hearing officer is assigned to the case for disposition by other language in said order.

(2) A change of hearing officer, or a reservation of the appeal for disposition as described in subsection 3 of this section, shall be ordered by the commission in any appeal upon the timely filing of a written application by a party to disqualify the hearing officer assigned. The application shall be filed within thirty days from the assignment of any appeal to a hearing officer and need not allege or prove any cause for such change and need not be verified. No more than one change of hearing officer shall be allowed for each party in any appeal.

3. The commission may, in its discretion, reserve such appeals as it deems fit to be heard and decided by the full commission, a quorum thereof, or any commissioner, subject to the provisions of section 138.240, and, in such case, the decision shall be final, subject to judicial review in the manner provided in subsection 4 of section 138.470.

[3.] 4. The manner in which appeals shall be presented and the conduct of hearings shall be made in accordance with rules prescribed by the commission for determining the rights of the parties; provided that, the commission, with the consent of all the parties, may refer an appeal to mediation. The commission shall promulgate regulations for mediation pursuant to this section. No regulation or portion of a regulation promulgated pursuant to the authority of this section shall become effective unless it has been promulgated pursuant to the provisions of chapter 536, RSMo. There shall be no presumption that the assessor's valuation is correct. A full and complete record shall be kept of all proceedings. All testimony at any hearing shall be recorded but need not be transcribed unless the matter is further appealed.

[4.] 5. Unless an appeal is voluntarily dismissed, a hearing officer, after affording the parties reasonable opportunity for fair hearing, shall issue a decision and order affirming, modifying, or reversing the determination of the board of equalization, and correcting any assessment which is unlawful, unfair, improper, arbitrary, or capricious. The commission may, prior to the decision being rendered, transfer to another hearing officer the proceedings on an appeal determination before a hearing officer. The complainant, respondent-assessor, or other party shall be duly notified of a hearing officer's decision and order, together with findings of fact and conclusions of law. Appeals from decisions of hearing officers shall be made pursuant to section 138.432.

[5.] 6. All decisions issued pursuant to this section or section 138.432 by the commission or any of its duly assigned hearing officers shall be issued no later than sixty days after the hearing on the matter to be decided is held or the date on which the last party involved in such matter files his or her brief, whichever event later occurs.

321.250. BOARD TO CERTIFY RATE OF LEVY TO COUNTY COMMISSION. — On or before the [first day of September] **applicable date required under section 67.110** of each year, the board shall certify to the county commission of each county within which the district is located a rate of levy so fixed by the board as provided by law, with directions that at the time and in the manner required by law for levy of taxes for county purposes such county commissions shall levy a tax at the rate so fixed and determined upon the assessed valuation of all the taxable tangible property within the district, in addition to such other taxes as may be levied by such county commissions.

Any funds in the trust fund which are not needed for current expenditures may be invested by the district in the securities described in subdivisions (1) to (12) of subsection 1 of section 30.270, RSMo, or repurchase agreements secured by such securities. 144.019. RESALE OF TANGIBLE PERSONAL PROPERTY, EXEMPT OR EXCLUDED FROM SALES AND USE TAX, WHEN — INTENT OF EXCLUSION. — 1. Notwithstanding any other provision of law to the contrary, when a purchase of tangible personal property or service subject to tax is made for the purpose of resale, such purchase is exempt or excluded under this chapter if the subsequent sale is subject to a tax in this or any other state, is for resale, is excluded from tax under this chapter, is subject to tax but exempt under this chapter, or is exempt from the sales tax laws of another state if the subsequent sale is in such other state. The purchase of tangible personal property by a taxpayer shall not be deemed to be for resale if such property is used or consumed by the taxpayer in providing a service on which tax is not imposed by subsection 1 of section 144.020, except purchases made in fulfillment of any obligation under a defense contract with the United States government.

2. For purposes of subdivision (2) of subsection 1 of section 144.020, the operator of a place of amusement, entertainment or recreation, including games or athletic events, must remit tax on the amount paid for admissions or seating accommodations, or fees paid to, or in such place of amusement, entertainment or recreation. Any subsequent sale of such admissions or seating accommodations shall not be subject to tax if the initial sale was an arms length transaction for fair market value with an unaffiliated entity. If the sale of such admissions or seating accommodations is exempt or excluded from payment of sales and use taxes, this provision does not require the place of amusement, entertainment, or recreation to remit tax on that sale.

3. For purposes of subdivision (6) of subsection 1 of section 144.020, the operator of a hotel, motel, tavern, inn, restaurant, eating house, drugstore, dining car, tourist cabin, tourist camp, or other place in which rooms, meals, or drinks are regularly served to the public must remit tax on the amount of sales or charges for all rooms, meals, and drinks furnished at such hotel, motel, tavern, inn, restaurant, eating house, drugstore, dining car, tourist cabin, tourist camp, or other place in which rooms, meals, or drinks are regularly served to the public. Any subsequent sale of such rooms, meals, or drinks shall not be subject to tax if the initial sale was an arms length transaction for fair market value with an unaffiliated entity. If the sale of such rooms, meals, or drinks is exempt or excluded from payment of sales and use taxes, this provision does not require the hotel, motel, tavern, inn, restaurant, eating house, drugstore, dining car, tourist cabin, tourist camp, or other place in which rooms, meals, or drinks are regularly served to the public to remit tax on that sale.

4. The provisions of this section are intended to clarify the exemption or exclusion of purchases for resale from sales and use taxes as originally enacted in this chapter.

144.030. EXEMPTIONS FROM STATE AND LOCAL SALES AND USE TAXES. — 1. There is hereby specifically exempted from the provisions of sections 144.010 to 144.525 and from the computation of the tax levied, assessed or payable pursuant to sections 144.010 to 144.525 such retail sales as may be made in commerce between this state and any other state of the United States, or between this state and any foreign country, and any retail sale which the state of Missouri is prohibited from taxing pursuant to the Constitution or laws of the United States of America, and such retail sales of tangible personal property which the general assembly of the state of Missouri is prohibited from taxing or further taxing by the constitution of this state.

For purposes of this section, the terms motor vehicle and highway shall have the same meaning pursuant to section 301.010, RSMo. There shall be a rebuttable presumption that the raw materials used in the primary manufacture of automobiles contain at least twenty-five percent recovered materials. For purposes of this subdivision, "processing" means any mode of treatment, act or series of acts performed upon materials to transform and reduce them to a different state or thing, including treatment necessary to maintain or preserve such processing by the producer at the production facility;

197.318. LICENSED AND AVAILABLE, DEFINED — REVIEW OF LETTERS OF INTENT — APPLICATION OF LAW IN PENDING COURT CASES — EXPANSION PROCEDURES. — 1. The provisions of section 197.317 shall not apply to a residential care facility, assisted living facility, intermediate care facility or skilled nursing facility only where the department of social services has first determined that there presently exists a need for additional beds of that classification because the average occupancy of all licensed and available residential care facility, assisted living facility, intermediate care facility and skilled nursing facility beds exceeds ninety percent for at least four consecutive calendar quarters, in a particular county, and within a fifteen-mile radius of the proposed facility, and the facility otherwise appears to qualify for a certificate of need. The department's certification that there is no need for additional beds shall serve as the final determination and decision of the committee. In determining ninety percent occupancy, residential care facility and assisted living facility shall be one separate classification and intermediate care and skilled nursing facilities are another separate classification.

2. The Missouri health facilities review committee may, for any facility certified to it by the department, consider the predominant ethnic or religious composition of the residents to be served by that facility in considering whether to grant a certificate of need.

3. [There shall be no expenditure minimum for facilities, beds, or services referred to in subdivisions (1), (2) and (3) of section 197.317. The provisions of this subsection shall expire January 1, 2003.

4.] As used in this section, the term "licensed and available" means beds which are actually in place and for which a license has been issued.

[5.] 4. The provisions of section 197.317 shall not apply to any facility where at least ninety-five percent of the patients require diets meeting the dietary standards defined by section 196.165, RSMo.

[6.] 5. The committee shall review all letters of intent and applications for long-term care hospital beds meeting the requirements described in 42 CFR, Section 412.23(e) under its criteria and standards for long-term care beds.

[7.] 6. Sections 197.300 to 197.366 shall not be construed to apply to litigation pending in state court on or before April 1, 1996, in which the Missouri health facilities review committee is a defendant in an action concerning the application of sections 197.300 to 197.366 to long-term care hospital beds meeting the requirements described in 42 CFR, Section 412.23(e).

[8.] 7. Notwithstanding any other provision of this chapter to the contrary:

(1) A facility licensed pursuant to chapter 198, RSMo, may increase its licensed bed capacity by:

(b) Certification from the division of aging that the facility:

a. Has no patient care class I deficiencies within the last eighteen months; and

b. Has maintained a ninety-percent average occupancy rate for the previous six quarters;

(c) Has made an effort to purchase beds for eighteen months following the date the letter of intent to expand is submitted pursuant to paragraph (a) of this subdivision. For purposes of this paragraph, an "effort to purchase" means a copy certified by the offeror as an offer to purchase beds from another licensed facility in the same licensure category; and

(d) If an agreement is reached by the selling and purchasing entities, the health facilities review committee shall issue a certificate of need for the expansion of the purchaser facility upon surrender of the seller's license; or

(e) If no agreement is reached by the selling and purchasing entities, the health facilities review committee shall permit an expansion for:

a. A facility with more than forty beds may expand its licensed bed capacity within the same licensure category by twenty-five percent or thirty beds, whichever is greater, if that same licensure category in such facility has experienced an average occupancy of ninety-three percent or greater over the previous six quarters;

b. A facility with fewer than forty beds may expand its licensed bed capacity within the same licensure category by twenty-five percent or ten beds, whichever is greater, if that same licensure category in such facility has experienced an average occupancy of ninety-two percent or greater over the previous six quarters;

c. A facility adding beds pursuant to subparagraphs a. or b. of this paragraph shall not expand by more than fifty percent of its then licensed bed capacity in the qualifying licensure category;

(2) Any beds sold shall, for five years from the date of relicensure by the purchaser, remain unlicensed and unused for any long-term care service in the selling facility, whether they do or do not require a license;

(3) The beds purchased shall, for two years from the date of purchase, remain in the bed inventory attributed to the selling facility and be considered by the department of social services as licensed and available for purposes of this section;

(4) Any residential care facility licensed pursuant to chapter 198, RSMo, may relocate any portion of such facility's current licensed beds to any other facility to be licensed within the same licensure category if both facilities are under the same licensure ownership or control, and are located within six miles of each other;

(5) A facility licensed pursuant to chapter 198, RSMo, may transfer or sell individual long-term care licensed beds to facilities qualifying pursuant to paragraphs (a) and (b) of subdivision (1) of this subsection. Any facility which transfers or sells licensed beds shall not expand its licensed bed capacity in that licensure category for a period of five years from the date the licensure is relinquished.

[9.] 8. Any existing licensed and operating health care facility offering long-term care services may replace one-half of its licensed beds at the same site or a site not more than thirty miles from its current location if, for at least the most recent four consecutive calendar quarters, the facility operates only fifty percent of its then licensed capacity with every resident residing in a private room. In such case:

(1) The facility shall report to the division of aging vacant beds as unavailable for occupancy for at least the most recent four consecutive calendar quarters;

(2) The replacement beds shall be built to private room specifications and only used for single occupancy; and

(3) The existing facility and proposed facility shall have the same owner or owners, regardless of corporate or business structure, and such owner or owners shall stipulate in writing that the existing facility beds to be replaced will not later be used to provide long-term care services. If the facility is being operated under a lease, both the lessee and the owner of the existing facility shall stipulate the same in writing.

[10.] **9.** Nothing in this section shall prohibit a health care facility licensed pursuant to chapter 198, RSMo, from being replaced in its entirety within fifteen miles of its existing site so long as the existing facility and proposed or replacement facility have the same owner or owners regardless of corporate or business structure and the health care facility being replaced remains unlicensed and unused for any long-term care services whether they do or do not require a license from the date of licensure of the replacement facility.

child's age and such child's legal or natural guardian, if any, shall be entitled to serve in the place of the child unless such child's legal or natural guardian was subject to an action in dissolution from the deceased. In such event the person or persons who may serve as next-of-kin shall serve in the order provided in subdivisions [(4) to (8)] **(5) to (9)** of this subsection;

3. The next-of-kin of the deceased shall be entitled to control the final disposition of the remains of any dead human being consistent with all applicable laws, including all applicable health codes.

4. A funeral director or establishment is entitled to rely on and act according to the lawful instructions of any person claiming to be the next-of-kin of the deceased; provided however, in any civil cause of action against a funeral director or establishment licensed pursuant to this chapter for actions taken regarding the funeral arrangements for a deceased person in the director's or establishment's care, the relative fault, if any, of such funeral director or establishment may be reduced if such actions are taken in reliance upon a person's claim to be the deceased person's next-of-kin.

5. Any person who desires to exercise the right of sepulcher and who has knowledge of an individual or individuals with a superior right to control disposition shall notify such individual or individuals prior to making final arrangements.

An individual with a superior right may also waive such right at any time if such waiver is in writing and dated.

7. If there is more than one person in a class who are equal in priority and the funeral director has no knowledge of any objection by other members of such class, the funeral director or establishment shall be entitled to rely on and act according to the instructions of the first such person in the class to make arrangements; provided that such person assumes responsibility for the costs of disposition and no other person in such class provides written notice of his or her objection.

304.015. DRIVE ON RIGHT OF HIGHWAY — TRAFFIC LANES — SIGNS — VIOLATIONS, PENALTIES. — 1. All vehicles not in motion shall be placed with their right side as near the right-hand side of the highway as practicable, except on streets of municipalities where vehicles are obliged to move in one direction only or parking of motor vehicles is regulated by ordinance.

2. Upon all public roads or highways of sufficient width a vehicle shall be driven upon the right half of the roadway, except as follows:

(1) When overtaking and passing another vehicle proceeding in the same direction pursuant to the rules governing such movement;

(3) When the right half of a roadway is closed to traffic while under construction or repair;

(4) Upon a roadway designated by local ordinance as a one-way street and marked or signed for one-way traffic.

It is unlawful to drive any vehicle upon any highway or road which has been divided into two or more roadways by means of a physical barrier or by means of a dividing section or delineated by curbs, lines or other markings on the roadway, except to the right of such barrier or dividing section, or to make any left turn or semicircular or U-turn on any such divided highway, except at an intersection or interchange or at any signed location designated by the state highways and transportation commission or the department of transportation. The provisions of this subsection shall not apply to emergency vehicles, law enforcement vehicles or to vehicles owned by the commission or the department.

4. The authorities in charge of any highway or the state highway patrol may erect signs temporarily designating lanes to be used by traffic moving in a particular direction, regardless of the center line of the highway, and all members of the Missouri highway patrol and other peace officers may direct traffic in conformance with such signs. When authorized signs have been erected designating off-center traffic lanes, no person shall disobey the instructions given by such signs.

(2) Upon a roadway which is divided into three lanes a vehicle shall not be driven in the center lane, except when overtaking and passing another vehicle where the roadway ahead is clearly visible and such center lane is clear of traffic within a safe distance, or in preparation for a left turn or where such center lane is at the time allocated exclusively to traffic moving in the direction the vehicle is proceeding and is sign-posted to give notice of such allocation;

7. All trucks registered for a gross weight of more than forty-eight thousand pounds shall not be driven in the far left-hand lane upon all interstate highways, freeways, or expressways within urbanized areas of the state having three or more lanes of traffic proceeding in the same direction. (2) The right half of a roadway is closed to traffic while under construction or repair.

8. As used in subsection 7 of this section, "truck" means any vehicle, machine, tractor, trailer, or semitrailer, or any combination thereof, propelled or drawn by mechanical power and designed for or used in the transportation of property upon the highways. The term "truck" also includes a commercial motor vehicle as defined in section 301.010, RSMo.

2. Operation of a motor vehicle, trailer or semitrailer in violation of this section shall be [an infraction] **a class C misdemeanor**, and any person [who pleads or is found guilty] **convicted** thereof shall be punished as provided by law.

2. Every motor vehicle which is licensed in this state and operated upon the public streets or highways of this state shall be equipped with front and rear bumpers if such vehicle was equipped with bumpers as standard equipment. This subsection shall not apply to motor vehicles designed or modified primarily for off-highway purposes while such vehicles are in tow or to motorcycles or motor-driven cycles, or to motor vehicles registered as historic motor vehicles when the original design of such vehicles did not include bumpers nor shall the provisions of this subsection prohibit the use of drop bumpers. The superintendent of the Missouri state highway patrol shall adopt rules and regulations relating to bumper standards. Maximum bumper heights of both the front and rear bumpers of motor vehicles shall be determined by weight category of gross vehicle weight rating (GVWR) measured from a level surface to the highest point of the

Except as provided in subsection 5 of this section, any sun-screening device applied to front sidewing vents or windows located immediately to the left and right of the driver in excess of the requirements of this section shall be prohibited without a permit pursuant to a physician's prescription as described below. A permit to operate a motor vehicle with front sidewing vents or windows located immediately to the left and right of the driver that have a sun-screening device, in conjunction with safety glazing material, which permits less light transmission and luminous reflectance than allowed under the requirements of this subsection, may be issued by the department of public safety to a person having a serious medical condition which requires the use of a sun-screening device if the permittee's physician prescribes its use. The director of the department of public safety shall promulgate rules and regulations for the issuance of the permit. The permit shall allow operation of the vehicle by any titleholder or relative within the second degree by consanguinity or affinity, which shall mean a spouse, each grandparent, parent, brother, sister, niece, nephew, aunt, uncle, child, and grandchild of a person, who resides in the household. This section shall not prohibit factory-installed tinted glass, the equivalent replacement thereof or tinting material applied to the upper portion of the motor vehicle's windshield which is normally tinted by the manufacturer of motor vehicle safety glass.

3. Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. This section and chapter 536, RSMo, are nonseverable and if any of the

powers vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay the effective date or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2001, shall be invalid and void.

4. Any person who violates the provisions of this section is guilty of [an infraction] **a class C misdemeanor**.

5. Any vehicle licensed with a historical license plate shall be exempt from the requirements of this section.

A person assigned by the superintendent pursuant to the authority granted by this subsection shall be designated a motor vehicle inspector and shall have limited powers to issue a uniform complaint and summons for a violation of the motor vehicle inspection laws and regulations. A motor vehicle inspector shall not have authority to exercise the power granted in this subsection until such inspector successfully completes training provided by, and to the satisfaction of, the superintendent.

307.400. COMMERCIAL VEHICLES, EQUIPMENT AND OPERATION, REGULATIONS, EXCEPTIONS — VIOLATIONS, PENALTY — RULEMAKING AUTHORITY. — 1. It is unlawful for any person to operate any commercial motor vehicle as defined in Title 49, Code of Federal Regulations, Part 390.5, either singly or in combination with a trailer, as both vehicles are defined in Title 49, Code of Federal Regulations, Part 390.5, unless such vehicles are equipped and operated as required by Parts 390 through 397, Title 49, Code of Federal Regulations, as such regulations have been and may periodically be amended, whether intrastate transportation or interstate transportation. Members of the Missouri state highway patrol are authorized to enter the cargo area of a commercial motor vehicle or trailer to inspect the contents when reasonable grounds exist to cause belief that the vehicle is transporting hazardous materials as defined by Title 49 of the Code of Federal Regulations. The director of the department of public safety is hereby authorized to further regulate the safety of commercial motor vehicles and trailers as he deems necessary to govern and control their operation on the public highways of this state by promulgating and publishing rules and regulations consistent with this chapter. Any such rules shall, in addition to any other provisions deemed necessary by the director, require:

(1) Every commercial motor vehicle and trailer and all parts thereof to be maintained in a safe condition at all times;

(2) Accidents arising from or in connection with the operation of commercial motor vehicles and trailers to be reported to the department of public safety in such detail and in such manner as the director may require. Except for the provisions of subdivisions (1) and (2) of this subsection, the provisions of this section shall not apply to any commercial motor vehicle operated in intrastate commerce and licensed for a gross weight of sixty thousand pounds or less

when used exclusively for the transportation of solid waste or forty-two thousand pounds or less when the license plate has been designated for farm use by the letter "F" as authorized by the Revised Statutes of Missouri, unless such vehicle is transporting hazardous materials as defined in Title 49, Code of Federal Regulations.

2. Notwithstanding the provisions of subsection 1 of this section to the contrary, Part 391, Subpart E, Title 49, Code of Federal Regulations, relating to the physical requirements of drivers shall not be applicable to drivers in intrastate commerce, provided such drivers were licensed by this state as chauffeurs to operate commercial motor vehicles on May 13, 1988. Persons who are otherwise qualified and licensed to operate a commercial motor vehicle in this state may operate such vehicle intrastate at the age of eighteen years or older, except that any person transporting hazardous material must be at least twenty-one years of age.

3. Commercial motor vehicles and drivers of such vehicles may be placed out of service if the vehicles are not equipped and operated according to the requirements of this section. Criteria used for placing vehicles and drivers out of service are the North American Uniform Out-of-Service Criteria adopted by the Commercial Vehicle Safety Alliance and the United States Department of Transportation, as such criteria have been and may periodically be amended.

4. Notwithstanding the provisions of subsection 1 of this section to the contrary, Part 395, Title 49, Code of Federal Regulations, relating to the hours of drivers, shall not apply to any vehicle owned or operated by any public utility, rural electric cooperative or other public service organization, or to the driver of such vehicle, while providing restoration of essential utility services during emergencies and operating intrastate. For the purposes of this subsection, the term "essential utility services" means electric, gas, water, telephone and sewer services.

5. Part 395, Title 49, Code of Federal Regulations, relating to the hours of drivers, shall not apply to drivers transporting agricultural commodities or farm supplies for agricultural purposes in this state if such transportation:

(1) Is limited to an area within a one hundred air-mile radius from the source of the commodities or the distribution point for the farm supplies; and

(2) Is conducted during the planting and harvesting season within this state, as defined by the department of public safety by regulation.

6. The provisions of Part 395.8, Title 49, Code of Federal Regulations, relating to recording of a driver's duty status, shall not apply to drivers engaged in agricultural operations referred to in subsection 5 of this section, if the motor carrier who employs the driver maintains and retains for a period of six months accurate and true records showing:

(1) The total number of hours the driver is on duty each day; and

(2) The time at which the driver reports for, and is released from, duty each day.

7. Notwithstanding the provisions of subsection 1 of this section to the contrary, Parts 390 through 397, Title 49, Code of Federal Regulations shall not apply to commercial motor vehicles operated in intrastate commerce to transport property, which have a gross vehicle weight rating or gross combination weight rating of twenty-six thousand pounds or less. The exception provided by this subsection shall not apply to vehicles transporting hazardous materials or to vehicles designed to transport sixteen or more passengers including the driver as defined by Title 49 of the Code of Federal Regulations. Nothing in this subsection shall be construed to prohibit persons designated by the department of public safety from inspecting vehicles defined in this subsection.

8. Violation of any provision of this section or any rule promulgated as authorized therein is [an infraction] **a class B misdemeanor**.

9. Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay the

effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2009, shall be invalid and void.

556.021. INFRACTIONS — DEFINED, PROCEDURE — DEFAULT JUDGMENT, WHEN — EFFECTIVE DATE. — 1. An offense defined by this code or by any other statute of this state constitutes an infraction if it is so designated or if [a violation of the statute can result only in] **no other sentence than a fine, or fine and forfeiture[,]** or other civil penalty[, or any combination thereof] **is authorized upon conviction.**

2. [A determination of whether an infraction has occurred shall be made by the filing of a civil action. The action shall be filed by a person who is authorized to bring a criminal action or an action to enforce an ordinance if the conduct constituted a crime or ordinance violation. The action shall be brought in the name of the state of Missouri or appropriate political subdivision. An infraction violation shall be proven by a preponderance of the evidence but shall not be tried to a jury. If an infraction violation is proven, judgment shall be entered for the plaintiff.

3. Notwithstanding any other provision of law to the contrary, it shall be the duty of the operator or driver of any vehicle or the rider of any animal traveling on the roads of this state to stop on signal of any law enforcement officer and to obey any other reasonable signal or direction of such law enforcement officer given in the course of enforcing any infraction. Any person who willfully fails or refuses to obey any signal or direction of a law enforcement officer given in the course of enforcing any infraction, or who willfully resists or opposes a law enforcement officer in the proper discharge of his or her duties in the course of enforcing any infraction, shall be guilty of a class A misdemeanor and on plea or finding of guilt thereof shall be punished as provided by law for such offenses.

4. The supreme court of Missouri may promulgate rules for the enforcement of this section.] **An infraction does not constitute a crime and conviction of an infraction shall not give rise to any disability or legal disadvantage based on conviction of a crime.**

3. Except as otherwise provided by law, the procedure for infractions shall be the same as for a misdemeanor.

4. If a defendant fails to appear in court either solely for an infraction or for an infraction which is committed in the same course of conduct as a criminal offense for which the defendant is charged, or if a defendant fails to respond to notice of an infraction from the central violations bureau established in section 476.385, the court may issue a default judgment for court costs and fines for the infraction which shall be enforced in the same manner as other default judgments, including enforcement under sections 488.5028 and 488.5030, unless the court determines that good cause or excusable neglect exists for the defendant's failure to appear for the infraction. The notice of entry of default judgment and the amount of fines and costs imposed shall be sent to the defendant by first class mail. The default judgment may be set aside for good cause if the defendant files a motion to set aside the judgment within six months of the date the notice of entry of default judgment is mailed.

5. Notwithstanding subsection 4 of this section or any provisions of law to the contrary, a court may issue a warrant for failure to appear for any violation which is classified as an infraction.

6. Judgment against the defendant for an infraction shall be in the amount of the fine authorized by law and the court costs for the offense.

7. Subsections 3 to 6 of this section shall become effective January 1, 2012.

556.022. SIGNAL OF LAW ENFORCEMENT OFFICER, DUTY OF DRIVERS AND RIDERS TO OBEY — VIOLATIONS, PENALTY. — It shall be the duty of the operator or driver of any vehicle or the rider of any animal traveling on the roads of this state to stop on signal of

any law enforcement officer and to obey any other reasonable signal or direction of such law enforcement officer given in the course of enforcing any infraction. Any person who willfully fails or refuses to obey any signal or direction of a law enforcement officer given in the course of enforcing any infraction, or who willfully resists or opposes a law enforcement officer in the proper discharge of his or her duties in the course of enforcing any infraction, is guilty of a class A misdemeanor and on plea or finding of guilt thereof shall be punished as provided by law for such offenses.

SECTION B. EMERGENCY CLAUSE. — Because immediate action is necessary to provide a clear and consistent procedure for prosecuting infractions, the repeal and reenactment of section 556.021 and the enactment of section 556.022 of section A of this act is deemed necessary for the immediate preservation of the public health, welfare, peace, and safety, and is hereby declared to be an emergency act within the meaning of the constitution, and the repeal and reenactment of section 556.021 and the enactment of section 556.022 of section A of this act shall be in full force and effect upon its passage and approval.

The local board of education of each school district shall clearly establish a written policy of discipline, including the district's determination on the use of corporal punishment and the procedures in which punishment will be applied. A written copy of the district's discipline policy and corporal punishment procedures, if applicable, shall be provided to the pupil and parent or legal guardian of every pupil enrolled in the district at the beginning of each school year and also made available in the office of the superintendent of such district, during normal business hours, for public inspection. All employees of the district shall annually receive instruction related to the specific contents of the policy of discipline and any interpretations necessary to implement the provisions of the policy in the course of their duties, including but not limited to approved methods of dealing with acts of school violence, disciplining students with disabilities and instruction in the necessity and requirements for confidentiality.

2. The policy shall require school administrators to report acts of school violence to **all teachers at the attendance center and in addition, to** other school district employees with a need to know. For the purposes of this chapter or chapter 167, RSMo, "need to know" is defined as school personnel who are directly responsible for the student's education or who otherwise interact with the student on a professional basis while acting within the scope of their assigned duties. As used in this section, the phrase "act of school violence" or "violent behavior" means the exertion of physical force by a student with the intent to do serious physical injury as defined in subdivision (6) of section 565.002, RSMo, to another person while on school property, including a school bus in service on behalf of the district, or while involved in school activities. The policy shall at a minimum require school administrators to report, as soon as reasonably practical, to the appropriate law enforcement agency any of the following crimes, or any act which if committed by an adult would be one of the following crimes:

- (1) First degree murder under section 565.020, RSMo;

(13) Voluntary manslaughter under section 565.023, RSMo;
(14) Involuntary manslaughter under section 565.024, RSMo;
(15) Second degree assault under section 565.060, RSMo;
(16) Sexual assault under section 566.040, RSMo;
(17) Felonious restraint under section 565.120, RSMo;
(18) Property damage in the first degree under section 569.100, RSMo;
(19) The possession of a weapon under chapter 571, RSMo;
(20) Child molestation in the first degree pursuant to section 566.067, RSMo;
(21) Deviate sexual assault pursuant to section 566.070, RSMo;
(22) Sexual misconduct involving a child pursuant to section 566.083, RSMo;
(23) Sexual abuse pursuant to section 566.100, RSMo;
(24) Harassment under section 565.090, RSMo; or
(25) Stalking under section 565.225, RSMo; committed on school property, including but not limited to actions on any school bus in service on behalf of the district or while involved in school activities. The policy shall require that any portion of a student's individualized education program that is related to demonstrated or potentially violent behavior shall be provided to any teacher and other school district employees who are directly responsible for the student's education or who otherwise interact with the student on an educational basis while acting within the scope of their assigned duties. The policy shall also contain the consequences of failure to obey standards of conduct set by the local board of education, and the importance of the standards to the maintenance of an atmosphere where orderly learning is possible and encouraged.

3. The policy shall provide that any student who is on suspension for any of the offenses listed in subsection 2 of this section or any act of violence or drug-related activity defined by school district policy as a serious violation of school discipline pursuant to subsection 9 of this section shall have as a condition of his or her suspension the requirement that such student is not allowed, while on such suspension, to be within one thousand feet of any [public] school **property** in the school district where such student attended school **or any activity of that district, regardless of whether or not the activity takes place on district property** unless:

(1) Such student is under the direct supervision of the student's parent, legal guardian, or custodian **and the superintendent or the superintendent's designee has authorized the student to be on school property;**

(2) Such student is under the direct supervision of another adult designated by the student's parent, legal guardian, or custodian, in advance, in writing, to the principal of the school which suspended the student **and the superintendent or the superintendent's designee has authorized the student to be on school property;**

(3) Such student is **enrolled in and attending** an alternative school that is located within one thousand feet of a public school in the school district where such student attended school; or

(4) Such student resides within one thousand feet of any public school in the school district where such student attended school in which case such student may be on the property of his or her residence without direct adult supervision.

4. Any student who violates the condition of suspension required pursuant to subsection 3 of this section may be subject to expulsion or further suspension pursuant to the provisions of sections 167.161, 167.164, and 167.171, RSMo. In making this determination consideration shall be given to whether the student poses a threat to the safety of any child or school employee and whether such student's unsupervised presence within one thousand feet of the school is disruptive to the educational process or undermines the effectiveness of the school's disciplinary policy. Removal of any pupil who is a student with a disability is subject to state and federal procedural rights. **This section shall not limit a school district's ability to:**

(1) **Prohibit all students who are suspended from being on school property or attending an activity while on suspension;**

(2) Discipline students for off-campus conduct that negatively affects the educational environment to the extent allowed by law.

5. The policy shall provide for a suspension for a period of not less than one year, or expulsion, for a student who is determined to have brought a weapon to school, including but not limited to the school playground or the school parking lot, brought a weapon on a school bus or brought a weapon to a school activity whether on or off of the school property in violation of district policy, except that:

(1) The superintendent or, in a school district with no high school, the principal of the school which such child attends may modify such suspension on a case-by-case basis; and

(2) This section shall not prevent the school district from providing educational services in an alternative setting to a student suspended under the provisions of this section.

6. For the purpose of this section, the term "weapon" shall mean a firearm as defined under 18 U.S.C. 921 and the following items, as defined in section 571.010, RSMo: a blackjack, a concealable firearm, an explosive weapon, a firearm, a firearm silencer, a gas gun, a knife, knuckles, a machine gun, a projectile weapon, a rifle, a shotgun, a spring gun or a switchblade knife; except that this section shall not be construed to prohibit a school board from adopting a policy to allow a Civil War reenactor to carry a Civil War era weapon on school property for educational purposes so long as the firearm is unloaded. The local board of education shall define weapon in the discipline policy. Such definition shall include the weapons defined in this subsection but may also include other weapons.

7. All school district personnel responsible for the care and supervision of students are authorized to hold every pupil strictly accountable for any disorderly conduct in school or on any property of the school, on any school bus going to or returning from school, during school-sponsored activities, or during intermission or recess periods.

8. Teachers and other authorized district personnel in public schools responsible for the care, supervision, and discipline of schoolchildren, including volunteers selected with reasonable care by the school district, shall not be civilly liable when acting in conformity with the established [policy of discipline] **policies** developed by each board [under this section], **including but not limited to policies of student discipline** or when reporting to his or her supervisor or other person as mandated by state law acts of school violence or threatened acts of school violence, within the course and scope of the duties of the teacher, authorized district personnel or volunteer, when such individual is acting in conformity with the established policies developed by the board. Nothing in this section shall be construed to create a new cause of action against such school district, or to relieve the school district from liability for the negligent acts of such persons.

9. Each school board shall define in its discipline policy acts of violence and any other acts that constitute a serious violation of that policy. "Acts of violence" as defined by school boards shall include but not be limited to exertion of physical force by a student with the intent to do serious bodily harm to another person while on school property, including a school bus in service on behalf of the district, or while involved in school activities. School districts shall for each student enrolled in the school district compile and maintain records of any serious violation of the district's discipline policy. Such records shall be made available to teachers and other school district employees with a need to know while acting within the scope of their assigned duties, and shall be provided as required in section 167.020, RSMo, to any school district in which the student subsequently attempts to enroll.

10. **(1) Spanking, when administered by certificated personnel and in the presence of a witness who is an employee of the school district, or the use of reasonable force to protect persons or property, when administered by personnel** of a school district in a reasonable manner in accordance with the local board of education's written policy of discipline, is not abuse within the meaning of chapter 210, RSMo. The provisions of sections 210.110 to 210.165, RSMo, notwithstanding, the **children's** division [of family services] shall not have jurisdiction over or investigate any report of alleged child abuse arising out of or related to **the use of**

reasonable force to protect persons or property when administered by personnel of a school district or any spanking administered in a reasonable manner by any certificated school personnel in the presence of a witness who is an employee of the school district pursuant to a written policy of discipline established by the board of education of the school district, **as long as no allegation of sexual misconduct arises from the spanking or use of force.**

(2) Upon receipt of any reports of child abuse by the **children's** division [of family services] pursuant to sections 210.110 to 210.165, RSMo, which allegedly [involves] **involve** personnel of a school district, the **children's** division [of family services] shall notify the superintendent of schools of the district or, if the person named in the alleged incident is the superintendent of schools, the president of the school board of the school district where the alleged incident occurred. If, after an initial investigation, the superintendent of schools or the president of the school board finds that the report involves an alleged incident of child abuse other than the administration of a spanking by certificated school personnel **or the use of reasonable force to protect persons or property when administered by school personnel** pursuant to a written policy of discipline or [a] **that the** report **was** made for the sole purpose of harassing a public school employee, the superintendent of schools or the president of the school board shall immediately refer the matter back to the **children's** division [of family services] and take no further action.

(3) In all matters referred back to the **children's** division [of family services], the division [of family services] shall treat the report in the same manner as other reports of alleged child abuse received by the division. If the report pertains to an alleged incident which arose out of or is related to a spanking administered by certificated personnel **or the use of reasonable force to protect persons or property when administered by personnel** of a school district pursuant to a written policy of discipline or a report made for the sole purpose of harassing a public school employee, a notification of the reported child abuse shall be sent by the superintendent of schools or the president of the school board to the juvenile officer of the county in which the alleged incident occurred. The report shall be jointly investigated by the juvenile officer or a law enforcement officer designated by the juvenile officer and the superintendent of schools or, if the subject of the report is the superintendent of schools, by the juvenile officer or a law enforcement officer designated by the juvenile officer and the president of the school board or such president's designee.

(4) The investigation shall begin no later than forty-eight hours after notification from the **children's** division [of family services] is received, and shall consist of, but need not be limited to, interviewing and recording statements of the child and the child's parents or guardian within two working days after the start of the investigation, of the school district personnel allegedly involved in the report, and of any witnesses to the alleged incident. The juvenile officer or a law enforcement officer designated by the juvenile officer and the investigating school district personnel shall issue separate reports of their findings and recommendations after the conclusion of the investigation to the school board of the school district within seven days after receiving notice from the **children's** division [of family services]. The reports shall contain a statement of conclusion as to whether the report of alleged child abuse is substantiated or is unsubstantiated.

(5) The school board shall consider the separate reports and shall issue its findings and conclusions and the action to be taken, if any, within seven days after receiving the last of the two reports. The findings and conclusions shall be made in substantially the following form:

[1] (a) The report of the alleged child abuse is unsubstantiated. The juvenile officer or a law enforcement officer designated by the juvenile officer and the investigating school board personnel agree that the evidence shows that no abuse occurred;

[2] (b) The report of the alleged child abuse is substantiated. The juvenile officer or a law enforcement officer designated by the juvenile officer and the investigating school district personnel agree that the evidence is sufficient to support a finding that the alleged incident of child abuse did occur;

[3)] (c) The issue involved in the alleged incident of child abuse is unresolved. The juvenile officer or a law enforcement officer designated by the juvenile officer and the investigating school personnel are unable to agree on their findings and conclusions on the alleged incident.

11. The findings and conclusions of the school board **under subdivision (5) of subsection 10 of this section** shall be sent to the **children's** division [of family services]. If the findings and conclusions of the school board are that the report of the alleged child abuse is unsubstantiated, the investigation shall be terminated, the case closed, and no record shall be entered in the **children's** division [of family services] central registry. If the findings and conclusions of the school board are that the report of the alleged child abuse is substantiated, the **children's** division [of family services] shall report the incident to the prosecuting attorney of the appropriate county along with the findings and conclusions of the school district and shall include the information in the division's central registry. If the findings and conclusions of the school board are that the issue involved in the alleged incident of child abuse is unresolved, the **children's** division [of family services] shall report the incident to the prosecuting attorney of the appropriate county along with the findings and conclusions of the school board, however, the incident and the names of the parties allegedly involved shall not be entered into the central registry of the **children's** division [of family services] unless and until the alleged child abuse is substantiated by a court of competent jurisdiction.

12. Any superintendent of schools, president of a school board or such person's designee or juvenile officer who knowingly falsifies any report of any matter pursuant to this section or who knowingly withholds any information relative to any investigation or report pursuant to this section is guilty of a class A misdemeanor.

13. In order to ensure the safety of all students, should a student be expelled for bringing a weapon to school, violent behavior, or for an act of school violence, that student shall not, for the purposes of the accreditation process of the Missouri school improvement plan, be considered a dropout or be included in the calculation of that district's educational persistence ratio.

160.775. ANTIBULLYING POLICY REQUIRED — DEFINITION — REQUIREMENTS. — 1. Every district shall adopt an antibullying policy by September 1, 2007.

2. "Bullying" means intimidation or harassment that causes a reasonable student to fear for his or her physical safety or property. Bullying may consist of physical actions, including gestures, or oral, **cyberbullying, electronic**, or written communication, and any threat of retaliation for reporting of such acts.

3. Each district's antibullying policy shall be founded on the assumption that all students need a safe learning environment. Policies shall treat students equally and shall not contain specific lists of protected classes of students who are to receive special treatment. Policies may include age appropriate differences for schools based on the grade levels at the school. Each such policy shall contain a statement of the consequences of bullying.

4. Each district's antibullying policy shall require district employees to report any instance of bullying of which the employee has firsthand knowledge. The district policy shall address training of employees in the requirements of the district policy.

The department shall undertake such review on existing rules, regulations, and policies on an ad hoc, periodic basis with a priority given to such rules, regulations, and policies that could successfully be revised without affecting student achievement to accommodate periods when there is no increase in the appropriation for basic

state aid funding pursuant to section 163.031, RSMo, from one fiscal year to the next or when withholdings of appropriated funds result in a situation equivalent to no increase in such appropriation.

2. For fiscal years 2011, 2012, and 2013, if the appropriation for subsections 1 and 2 of section 163.031 is less than the annualized calculation of the amount needed for the phase-in required under subsection 4 for that fiscal year or the appropriation for transportation as provided in subsection 3 of section 163.031 is funded at a level that provides less than seventy-five percent of allowable costs, the department shall not penalize any district undergoing its accreditation review for a failure to meet resource standards under the Missouri school improvement program. If the governor withholds funds for the school funding formula basic apportionment under section 163.031 in fiscal years 2011, 2012, and 2013, school districts undergoing accreditation review in the fiscal year following the fiscal year of withholding shall not be penalized for failure to meet resource standards under the Missouri school improvement program.

Said drug and alcohol testing program shall be administered by a laboratory duly certified by the U.S. Department of Health and Human Services, or similar agency approved by the office of administration. Such program shall require notification to the employer and employee of the results of any positive drug and alcohol test and the school district shall be notified of the action taken to protect the safety of students as a result of such positive test.

2. The office of administration shall ensure that rules promulgated to implement the provisions of this section shall not be in violation of any applicable federal law or regulation. Any rule or portion of a rule, as that term is defined in section 536.010 that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2010, shall be invalid and void.

3. All costs for the program of screening and testing workers for alcohol and controlled substances, as well as all costs for administration of such drug and alcohol testing program shall be paid by the employer on the public works project. No costs under this section shall be paid by the state, any of its agencies, or any political subdivision thereof.

4. Any current duplicate prescription medication, if provided by a pupil's parent or guardian or by the school, shall be kept at a pupil's school in a location at which the pupil or school staff has immediate access in the event of an asthma or anaphylaxis emergency.

5. The information described in subdivisions (3) and (4) of subsection 2 of this section shall be kept on file at the pupil's school in a location easily accessible in the event of an [asthma or anaphylaxis] emergency.

167.630. EPINEPHRINE PREFILLED AUTO SYRINGES, SCHOOL NURSE AUTHORIZED TO MAINTAIN ADEQUATE SUPPLY — ADMINISTRATION AUTHORIZED, WHEN. — 1. Each school board may authorize a school nurse licensed under chapter 335, RSMo, who is employed by the school district and for whom the board is responsible for to maintain an adequate supply of prefilled auto syringes of epinephrine with fifteen-hundredths milligram or three-tenths milligram delivery at the school. The nurse shall recommend to the school board the number of prefilled epinephrine auto syringes that the school should maintain.

2. To obtain prefilled epinephrine auto syringes for a school district, a prescription written by a licensed physician, a physician's assistant, or nurse practitioner is required. For such prescriptions, the school district shall be designated as the patient, the nurse's name shall be required, and the prescription shall be filled at a licensed pharmacy.

3. A school nurse **or other school employee trained by and supervised by the nurse** shall have the discretion to use an epinephrine auto syringe on any student the school nurse **or trained employee** believes is having a life-threatening anaphylactic reaction based on the [nurse's] training in recognizing an acute episode of an anaphylactic reaction. **The provisions of section 167.624 concerning immunity from civil liability for trained employees administering life-saving methods shall apply to trained employees administering a prefilled auto syringe under this section.**

168.221. PROBATIONARY PERIOD FOR TEACHERS — REMOVAL OF PROBATIONARY AND PERMANENT PERSONNEL — HEARING — DEMOTIONS — REDUCTION OF PERSONNEL (METROPOLITAN DISTRICTS). — 1. The first five years of employment of all teachers entering the employment of the metropolitan school district shall be deemed a period of probation during which period all appointments of teachers shall expire at the end of each school year. During the probationary period any probationary teacher whose work is unsatisfactory shall be furnished by the superintendent of schools with a written statement setting forth the nature of his incompetency. If improvement satisfactory to the superintendent is not made within one semester after the receipt of the statement, the probationary teacher shall be dismissed. The semester granted the probationary teacher in which to improve shall not in any case be a means of prolonging the probationary period beyond five years and six months from the date on which the teacher entered the employ of the board of education. The superintendent of schools on or before the fifteenth day of April in each year shall notify probationary teachers who will not be retained by the school district of the termination of their services. Any probationary teacher who is not so notified shall be deemed to have been appointed for the next school year. Any principal who prior to becoming a principal had attained permanent employee status as a teacher shall upon ceasing to be a principal have a right to resume his or her permanent teacher position with the time served as a principal being treated as if such time had been served as a teacher for the purpose of calculating seniority and pay scale. The rights and duties and remuneration of a teacher who was formerly a principal shall be the same as any other teacher with the same level of qualifications and time of service.

2. After completion of satisfactory probationary services, appointments of teachers shall become permanent, subject to removal for any one or more causes herein described and to the right of the board to terminate the services of all who attain the age of compulsory retirement fixed by the retirement system. In determining the duration of the probationary period of employment in this section specified, the time of service rendered as a substitute teacher shall not be included.

3. No teacher whose appointment has become permanent may be removed except for one or more of the following causes: immorality, inefficiency in line of duty, violation of the published regulations of the school district, violation of the laws of Missouri governing the public schools of the state, or physical or mental condition which incapacitates him for instructing or associating with children, and then only by a vote of not less than a majority of all the members of the board, upon written charges presented by the superintendent of schools, to be heard by the board after thirty days' notice, with copy of the charges served upon the person against whom they are preferred, who shall have the privilege of being present **at the hearing**, together with counsel, offering evidence and making defense thereto. Notifications received by an employee during a vacation period shall be considered as received on the first day of the school term following. At the request of any person so charged the hearing shall be public. **During any time in which powers granted to the district's board of education are vested in a special administrative board, the special administrative board may appoint a hearing officer to**

conduct the hearing. The hearing officer shall conduct the hearing as a contested case under chapter 536 and shall issue a written recommendation to the board rendering the charges against the teacher. The board shall render a decision on the charges upon the review of the hearing officer's recommendations and the record from the hearing. The action and decision of the board upon the charges shall be final. Pending the hearing of the charges, the person charged may be suspended if the rules of the board so prescribe, but in the event the board does not by a majority vote of all the members remove the teacher upon charges presented by the superintendent, the person shall not suffer any loss of salary by reason of the suspension. Inefficiency in line of duty is cause for dismissal only after the teacher has been notified in writing at least one semester prior to the presentment of charges against him by the superintendent. The notification shall specify the nature of the inefficiency with such particularity as to enable the teacher to be informed of the nature of his inefficiency.

4. No teacher whose appointment has become permanent shall be demoted nor shall his salary be reduced unless the same procedure is followed as herein stated for the removal of the teacher because of inefficiency in line of duty, and any teacher whose salary is reduced or who is demoted may waive the presentment of charges against him by the superintendent and a hearing thereon by the board. The foregoing provision shall apply only to permanent teachers prior to the compulsory retirement age under the retirement system. Nothing herein contained shall in any way restrict or limit the power of the board of education to make reductions in the number of teachers or principals, or both, because of insufficient funds, decrease in pupil enrollment, or abolition of particular subjects or courses of instruction, except that the abolition of particular subjects or courses of instruction shall not cause those teachers who have been teaching the subjects or giving the courses of instruction to be placed on leave of absence as herein provided who are qualified to teach other subjects or courses of instruction, if positions are available for the teachers in the other subjects or courses of instruction.

5. Whenever it is necessary to decrease the number of teachers because of insufficient funds or a substantial decrease of pupil population within the school district, the board of education upon recommendation of the superintendent of schools may cause the necessary number of teachers beginning with those serving probationary periods to be placed on leave of absence without pay, but only in the inverse order of their appointment. Nothing herein stated shall prevent a readjustment by the board of education of existing salary schedules. No teacher placed on a leave of absence shall be precluded from securing other employment during the period of the leave of absence. Each teacher placed on leave of absence shall be reinstated in inverse order of his placement on leave of absence. Such reemployment shall not result in a loss of status or credit for previous years of service. No new appointments shall be made while there are available teachers on leave of absence who are seventy years of age or less and who are adequately qualified to fill the vacancy unless the teachers fail to advise the superintendent of schools within thirty days from the date of notification by the superintendent of schools that positions are available to them that they will return to employment and will assume the duties of the position to which appointed not later than the beginning of the school year next following the date of the notice by the superintendent of schools.

6. If any regulation which deals with the promotion of teachers is amended by increasing the qualifications necessary to be met before a teacher is eligible for promotion, the amendment shall fix an effective date which shall allow a reasonable length of time within which teachers may become qualified for promotion under the regulations.

7. A teacher whose appointment has become permanent may give up the right to a permanent appointment to participate in the teacher choice compensation package under sections 168.745 to 168.750.

The career advancement program is a matching fund program [of variable match rates]. The general assembly [shall] **may** make an annual appropriation to the excellence in education fund established under section 160.268, RSMo, for the purpose of providing the state's portion for the career advancement program. The "Career Ladder Forward Funding Fund" is hereby established in the state treasury. Beginning with fiscal year 1998 and until the career ladder forward funding fund is terminated pursuant to this subsection, the general assembly [shall] **may** appropriate funds to the career ladder forward funding fund. Notwithstanding the provisions of section 33.080, RSMo, to the contrary, moneys in the fund shall not be transferred to the credit of the general revenue fund at the end of the biennium. All interest or other gain received from investment of moneys in the fund shall be credited to the fund. All funds deposited in the fund shall be maintained in the fund until such time as the balance in the fund at the end of the fiscal year is equal to or greater than the appropriation for the career ladder program for the following year, at which time all such revenues shall be used to fund, in advance, the career ladder program for such following year and the career ladder forwarding funding fund shall thereafter be terminated.

2. The department of elementary and secondary education, at the direction of the commissioner of education, shall study and develop model career plans which shall be made available to the local school districts. These state model career plans shall:

- (1) Contain three steps or stages of career advancement;
- (2) Contain a detailed procedure for the admission of teachers to the career program;
- (3) Contain specific criteria for career step qualifications and attainment. These criteria shall clearly describe the minimum number of professional responsibilities required of the teacher at each stage of the plan and shall include reference to classroom performance evaluations performed pursuant to section 168.128;
- (4) Be consistent with the teacher certification process recommended by the Missouri advisory council of certification for educators and adopted by the department of elementary and secondary education;
- (5) Provide that public school teachers in Missouri shall become eligible to apply for admission to the career plans adopted under sections 168.500 to 168.515 after five years of public school teaching in Missouri. All teachers seeking admission to any career plan shall, as a minimum, meet the requirements necessary to obtain the first renewable professional certificate as provided in section 168.021;
- (6) Provide procedures for appealing decisions made under career plans established under sections 168.500 to 168.515.

3. The commissioner of education shall cause the department of elementary and secondary education to establish guidelines for all career plans established under this section, and criteria that must be met by any school district which seeks funding for its career plan.

4. A participating local school district may have the option of implementing a career plan developed by the department of elementary and secondary education or a local plan which has been developed with advice from teachers employed by the district and which has met with the approval of the department of elementary and secondary education. In approving local career plans, the department of elementary and secondary education may consider provisions in the plan

of the local district for recognition of teacher mobility from one district to another within this state.

5. The career plans of local school districts shall not discriminate on the basis of race, sex, religion, national origin, color, creed, or age. Participation in the career plan of a local school district is optional, and any teacher who declines to participate shall not be penalized in any way.

6. In order to receive funds under this section, a school district which is not subject to section 162.920, RSMo, must have a total levy for operating purposes which is in excess of the amount allowed in section 11(b) of article X of the Missouri Constitution; and a school district which is subject to section 162.920, RSMo, must have a total levy for operating purposes which is equal to or in excess of twenty-five cents on each hundred dollars of assessed valuation.

7. The commissioner of education shall cause the department of elementary and secondary education to regard a speech pathologist who holds both a valid certificate of license to teach and a certificate of clinical competence to have fulfilled the standards required to be placed on stage III of the career program, provided that such speech pathologist has been employed by a public school in Missouri for at least five years and is approved for placement at such stage III by the local school district.

8. Beginning in fiscal year 2012, the state portion of career ladder payments shall only be made available to local school districts if the general assembly makes an appropriation for such program. Payments authorized under sections 168.500 to 168.515 shall only be made available in a year for which a state appropriation is made. Any state appropriation shall be made prospectively in relation to the year in which work under the program is performed.

9. Nothing in this section shall be construed to prohibit a local school district from funding the program for its teachers, for work performed in years for which no state appropriation is made available.

168.515. SALARY SUPPLEMENT FOR PARTICIPANTS IN CAREER PLAN — METHOD OF DISTRIBUTION — AMOUNTS — MATCHING FUNDS, CONTRIBUTIONS — REVIEW OF CAREER PAY — TAX LEVY AUTHORIZED, WHEN — USE OF FUNDS. — 1. Each teacher selected to participate in a career plan established under sections 168.500 to 168.515, who meets the requirements of such plan, [shall] **may** receive a salary supplement, the state's share of which shall be distributed under section 163.031, RSMo, equal to the following amounts applied to the career ladder entitlement of section 163.031, RSMo:

(1) Career stage I teachers may receive up to an additional one thousand five hundred dollars per school year;

(2) Career stage II teachers may receive up to an additional three thousand dollars per school year;

(3) Career stage III teachers may receive up to an additional five thousand dollars per school year. All teachers within each stage within the same school district shall receive equal salary supplements.

2. The state [shall] **may** make payments pursuant to section 163.031, RSMo, to the local school district for the purpose of [reimbursing] **providing funding to** the local school district for the payment of any salary supplements provided for in this section, subject to the availability of funds as appropriated each year and distributed on a [variable match formula which shall] **matching basis where the percentage of state funding shall be forty percent and the percentage of local funding shall be sixty percent.** [be based on assessed valuation of the district for the second preceding school year.

3. In distributing these matching funds, school districts shall be ranked by the assessed valuation for the second preceding school year per weighted average daily attendance from the highest to the lowest and divided into three groups. Group one shall contain the highest twenty-five percent of all public school districts, groups two and three combined shall contain the remaining seventy-five percent of all public school districts. The districts in groups two and

three shall be rank-ordered from largest to smallest based on enrollment as of the last Wednesday in September during the second preceding school year, group two shall contain twenty-five percent of all public school districts that are larger on the enrollment-based rank-ordered list and group three shall contain the remaining fifty percent of all public school districts. Pursuant to subsection 4 of this section, districts in group one shall receive forty percent state funding and shall contribute sixty percent local funding, group two shall receive fifty percent state funding and shall contribute fifty percent local funding and group three shall receive sixty percent state funding and shall contribute forty percent local funding.

4. The incremental groups are as follows:

Percentage Group	Percentage of Districts	Percentage of State Funding of Local Funding
1 25%	40%	60%
2 25%	50%	50%
3 50%	60%	40%

5. Beginning in the 1996-97 school year, any school district in any group which participated in the career ladder program in 1995-96 and paid less than the local funding percentage required by subsection 4 of this section shall increase its local share of career ladder costs by five percentage points from the preceding year until the district pays the percentage share of cost required by subsection 4 of this section, and in no case shall the local funding percentage be increased by a greater amount for any year. For any district, the state payment shall not exceed the local payment times the state percentage share divided by the local percentage share. Except as provided in subsection 10 of this section, any district not participating in the 1995-96 school year or any district which interrupts its career ladder program for any subsequent year shall enter the program on the cost-sharing basis required by subsection 4 of this section.]

[6.] 3. Not less than every fourth year, beginning with calendar year 1988, the general assembly, through the joint committee established under section 160.254, RSMo, shall review the amount of the career pay provided for in this section to determine if any increases are necessary to reflect the increases in the cost of living which have occurred since the salary supplements were last reviewed or set.

[7.] 4. To participate in the salary supplement program established under this section, a school district may submit to the voters of the district a proposition to increase taxes for this purpose. If a school district's current tax rate ceiling is at or above the rate from which an increase would require a two-thirds majority, the school board may submit to the voters of the district a proposition to reduce or eliminate the amount of the levy reduction resulting from section 164.013, RSMo. If a majority of the voters voting thereon vote in favor of the proposition, the board may certify that seventy-five percent of the revenue generated from this source shall be used to implement the salary supplement program established under this section.

[8.] 5. In no case shall a school district use state funds received under this section nor local revenue generated from a tax established under subsection 7 of this section to comply with the minimum salary requirements for teachers established pursuant to section 163.172, RSMo.

9. Beginning in the 1996-97 school year, for any teacher who participated in the career program in the 1995-96 school year, continues to participate in the program thereafter, and remains qualified to receive career pay pursuant to section 168.510, the state's share of the teacher's salary supplement shall continue to be the percentage paid by the state in the 1995-96 school year, notwithstanding any provisions of subsection 4 of this section to the contrary, and the state shall continue to pay such percentage of the teacher's salary supplement until any of the following occurs:

- (1) The teacher ceases his or her participation in the program; or
- (2) The teacher suspends his or her participation in the program for any school year after the 1995-96 school year. If the teacher later resumes participation in the program, the state funding shall be subject to the provisions of subsection 4 of this section.

10. Any school district that participated in the career ladder program prior to the 2001-02 school year but ceased its participation at any time from July 1, 2001, to July 1, 2005, may resume participation in the program no later than July 1, 2006, at the same matching level, pursuant to subsections 4 and 5 of this section, for which the district qualified during its last year of participation.]

178.697. COSTS NOT TO EXCEED APPROPRIATIONS — ANNUAL SCREENINGS AND PRENATAL VISIT ELIGIBILITY, WHEN, EXPIRATION. — 1. Funding for sections 178.691 to 178.699 shall be made available pursuant to section 163.031, RSMo, and shall be subject to appropriations made for this purpose.

2. Costs of contractual arrangements shall be the obligation of the school district of residence of each preschool child. Costs of contractual arrangements shall not exceed an amount equal to an amount reimbursable to the school districts under the provisions of sections 178.691 to 178.699. [No program shall be approved or contract entered into which requires any additional payment by participants or their parents or guardians.]

3. Payments for participants for programs outlined in section 178.693 shall be uniform for all districts or public agencies.

4. Families with children under the age of kindergarten entry shall be eligible to receive annual development screenings and parents shall be eligible to receive prenatal visits under sections 178.691 to 178.699. Priority for service delivery of approved parent education programs under section 178.691 to 178.699, which includes, but is not limited to, home visits, group meetings, screenings, and service referrals, shall be given to high needs families in accordance with criteria set forth by the department of elementary and secondary education. Local school districts may establish cost sharing strategies to supplement funding for such program services. The provisions of this subsection shall expire on December 31, 2015, unless reauthorized by an act of the general assembly.

SECTION B. EMERGENCY CLAUSE. — Because of the need to provide adequate funding to public schools, the enactment of section 163.410 of section A of this act is deemed necessary for the immediate preservation of the public health, welfare, peace and safety, and is hereby declared to be an emergency act within the meaning of the constitution, and the enactment of section 163.410 of section A of this act shall be in full force and effect upon its passage and approval or July 1, 2010, whichever occurs later.

288.062. "ON" AND "OFF" INDICATORS, STATE AND NATIONAL, HOW DETERMINED — EXTENDED BENEFITS, DEFINED — AMOUNT AND HOW COMPUTED. — 1. As used in this section, unless the context clearly requires otherwise:

(1) "Extended benefit period" means a period which begins with the third week after a week for which there is a state "on" indicator, and ends with either of the following weeks, whichever occurs later:

(a) The third week after the first week for which there is a state "off" indicator; or

(b) The thirteenth consecutive week of such period; provided, that no extended benefit period may begin by reason of a state "on" indicator before the fourteenth week following the end of a prior extended benefit period which was in effect with respect to this state;

(2) There is a "state 'on' indicator" for this state for a week if the director determines, in accordance with the regulations of the United States Secretary of Labor, that for the period consisting of such week and the immediately preceding twelve weeks, the rate of insured unemployment (not seasonally adjusted) under this law:

(a) Equaled or exceeded one hundred twenty percent of the average of such rates for the corresponding thirteen-week period ending in each of the preceding two calendar years; **and**

(b) Equaled or exceeded four percent for weeks beginning prior to or on September 25, 1982, or five percent for weeks beginning after September 25, 1982; except that, if the rate of insured unemployment as contemplated in this subdivision equals or exceeds five percent for weeks beginning prior to or on September 25, 1982, or six percent for weeks beginning after September 25, 1982, the determination of an "on" indicator shall be made under this subdivision as if this subdivision did not contain the provisions of paragraph (a) of this subdivision; [and] **or**

(c) With respect to weeks of unemployment beginning on or after February 1, 2009, and ending on or before [December 5, 2009] **the week ending four weeks prior to the last week of unemployment for which one hundred percent federal sharing is available under the provisions of Public Law 111-5, Section 2005(a) or March 3, 2011, whichever should occur first:**

a. The average rate of total unemployment in the state (seasonally adjusted), as determined by the United States Secretary of Labor, for the period consisting of the most recent three months for which data for all states are published before the close of such week equals or exceeds six and one-half percent; and

b. The average rate of total unemployment in the state (seasonally adjusted), as determined by the United States Secretary of Labor, for the three-month period referred to in subparagraph a. of this paragraph, equals or exceeds one hundred and ten percent of such average for either or both of the corresponding three-month periods ending in the two preceding calendar years;

(3) There is a "state 'off' indicator" for this state for a week if the director determines, in accordance with the regulations of the United States Secretary of Labor, that for the period consisting of such week and the immediately preceding twelve weeks, the rate of insured unemployment (not seasonally adjusted) under this law:

(a) Was less than one hundred twenty percent of the average of such rates for the corresponding thirteen-week period ending in each of the preceding two calendar years; or

(b) Was less than four percent (five percent for weeks beginning after September 25, 1982); except, there shall not be an "off" indicator for any week in which an "on" indicator as contemplated in paragraph (b) of subdivision (2) of this subsection exists;

(a) Has received, prior to such week, all of the regular benefits that were available to him or her under this law or any other state law (including dependents' allowances and benefits payable to federal civilian employees and ex-servicemen under 5 U.S.C. Chapter 85) in his or her current benefit year that includes such week; provided, that, for the purposes of this paragraph, an individual shall be deemed to have received all of the regular benefits that were available to him or her although as a result of a pending appeal with respect to wages or employment, or both, that were not considered in the original monetary determination in his or her benefit year, he may subsequently be determined to be entitled to added regular benefits; or

(b) Has received, prior to such week, all the regular compensation available to him or her in his or her current benefit year that includes such week under the unemployment compensation law of the state in which he or she files a claim for extended compensation or the unemployment compensation law of any other state after a cancellation of some or all of his or her wage credits or the partial or total reduction of his or her right to regular compensation; or

(c) His or her benefit year having expired prior to such week, he or she has insufficient wages or employment, or both, on the basis of which he or she could establish in any state a new benefit year that would include such week, or having established a new benefit year that includes such week, he or she is precluded from receiving regular compensation by reason of a state law provision which meets the requirement of section 3304(a)(7) of the Internal Revenue Code of 1954; and

(d) a. b. Has not received and is not seeking unemployment benefits under the unemployment compensation law of Canada; but if he or she is seeking such benefits and the appropriate agency finally determines that he or she is not entitled to benefits under such law he or she is considered an exhaustee;

(9) "State law" means the unemployment insurance law of any state, approved by the United States Secretary of Labor under Section 3304 of the Internal Revenue Code of 1954.

2. Except when the result would be inconsistent with the other provisions of this section, as provided in the regulations of the director, the provisions of this law which apply to claims for, or the payment of, regular benefits shall apply to claims for, and the payment of, extended benefits.

3. An individual shall be eligible to receive extended benefits with respect to any week of unemployment in his or her eligibility period only if the deputy finds that with respect to such week:

(1) He or she is an exhaustee as defined in subdivision (8) of subsection 1 of this section;

(2) He or she has satisfied the requirements of this law for the receipt of regular benefits that are applicable to individuals claiming extended benefits, including not being subject to a disqualification for the receipt of benefits; except that, in the case of a claim for benefits filed in another state, which is acting as an agent state under the Interstate Benefits Payment Plan as provided by regulation, which claim is based on benefit credits accumulated in this state, eligibility for extended benefits shall be limited to the first two compensable weeks unless there is an extended benefit period in effect in both this state and the agent state in which the claim was filed;

(3) The other provisions of this law notwithstanding, as to new extended benefit claims filed after September 25, 1982, an individual shall be eligible to receive extended benefits with respect to any week of unemployment in his or her eligibility period only if the deputy finds that the total wages in the base period of his or her benefit year equal at least one and one-half times the wages paid during that quarter of his or her base period in which his or her wages were highest.

4. A claimant shall not be eligible for extended benefits following any disqualification imposed under subsection 1 or 2 of section 288.050, unless subsequent to the effective date of the disqualification, the claimant has been employed during at least four weeks and has earned wages equal to at least four times his or her weekly benefit amount.

5. For the purposes of determining eligibility for extended benefits, the term "suitable work" means any work which is within such individual's capabilities except that, if the individual furnishes satisfactory evidence that the prospects for obtaining work in his or her customary occupation within a reasonably short period are good, the determination of what constitutes suitable work shall be made in accordance with the provisions of subdivision (3) of subsection 1 of section 288.050. If a deputy finds that a person who is claiming extended benefits has refused to accept or to apply for suitable work, as defined in this subsection, or has failed to actively engage in seeking work subsequent to the effective date of his or her claim for extended benefits, that person shall be ineligible for extended benefits for the period beginning with the first day of the week in which such refusal or failure occurred. That ineligibility shall remain in effect until the person has been employed for at least four weeks after the week in which the refusal or failure occurred and has earned wages equal to at least four times his or her weekly benefit amount.

6. Extended benefits shall not be denied under subsection 5 of this section to any individual for any week by reason of a failure to accept an offer of or apply for suitable work if:

(1) The gross average weekly remuneration for such work does not exceed the individual's weekly benefit amount plus the amount of any supplemental unemployment benefits, as defined in section 501(c)(17)(d) of the Internal Revenue Code, payable to such individual for such week; or

(2) The position was not offered to such individual in writing or was not listed with the state employment service; or

(3) If the remuneration for the work offered is less than the minimum wage provided by Section 6(a)(1) of the Fair Labor Standards Act of 1938, as amended, without regard to any exemption or any applicable state or local minimum wage, whichever is the greater.

7. For the purposes of this section, an individual shall be considered as actively engaged in seeking work during any week with respect to which the individual has engaged in a

systematic and sustained effort to obtain work as indicated by tangible evidence which the individual provides to the division.

8. Extended benefits shall not be denied for failure to apply for or to accept suitable work if such failure would not result in a denial of benefits under subdivision (3) of subsection 1 of section 288.050 to the extent that the provisions of subdivision (3) of subsection 1 of section 288.050 are not inconsistent with the provisions of subsections 5 and 6 of this section.

9. The division shall refer any claimant entitled to extended benefits under this law to any suitable work which meets the criteria established in subsections 5 and 6 of this section.

10. Notwithstanding other provisions of this chapter to the contrary, as to claims of extended benefits, subsections 4 to 9 of this section shall not apply to weeks of unemployment beginning after March 6, 1993, and before January 1, 1995. Entitlement to extended benefits for weeks beginning after March 6, 1993, and before January 1, 1995, shall be determined in accordance with provisions of this chapter not excluded by this subsection.

11. "Weekly extended benefit amount." The weekly extended benefit amount payable to an individual for a week of total unemployment in his or her eligibility period shall be an amount equal to the weekly benefit amount payable to him or her during his or her applicable benefit year, reduced by a percentage equal to the percentage of the reduction in federal payments to states under Section 204 of the Federal State Extended Unemployment Compensation Act of 1970, in accord with any order issued under any law of the United States. Such weekly benefit amount, if not a multiple of one dollar, shall be reduced to the nearest lower full dollar amount.

12. (1) "Total extended benefit amount." The total extended benefit amount payable to any eligible individual with respect to his or her applicable benefit year shall be the lesser of the following amounts:

(a) Fifty percent of the total amount of regular benefits which were payable to him or her under this law in his or her applicable benefit year;

(b) Thirteen times his or her weekly benefit amount which was payable to him or her under this law for a week of total unemployment in the applicable benefit year.

(2) Notwithstanding subdivision (1) of this subsection, during any fiscal year in which federal payments to states under Section 204 of the Federal State Extended Unemployment Compensation Act of 1970 are reduced under any order issued under any law of the United States, the total extended benefit amount payable to an individual with respect to his or her applicable benefit year shall be reduced by an amount equal to the aggregate of the reductions under subsection 11 of this section in the weekly amounts paid to the individual.

(3) Notwithstanding the other provisions of this subsection, if the benefit year of any individual ends within an extended benefit period, the remaining balance of extended benefits that such individual would, but for this subdivision, be entitled to receive in that extended benefit period, with respect to weeks of unemployment beginning after the end of the benefit year, shall be reduced, but not below zero, by the product of the number of weeks for which the individual received trade readjustment allowances under the Trade Act of 1974, as amended, within that benefit year, multiplied by the individual's weekly benefit amount for extended benefits.

(4) (a) Effective with respect to weeks beginning in a high unemployment period, subdivision (1) of this subsection shall be applied by substituting:

a. Eighty percent for fifty percent in paragraph (a) of subdivision (1) of this subsection; and

b. Twenty times for thirteen times in paragraph (b) of subdivision (1) of this subsection.

(b) For purposes of paragraph (a) of this subdivision, the term "high unemployment period" means any period during which an extended benefit period would be in effect if subparagraph a. of paragraph (c) of subdivision (2) of subsection 1 of this section were applied by substituting eight percent for six and one-half percent.

13. (1) Whenever an extended benefit period is to become effective in this state as a result of a state "on" indicator, or an extended benefit period is to be terminated in this state as a result of a state "off" indicator, the director shall make an appropriate public announcement.

(2) Computations required by the provisions of subdivision (4) of subsection 1 of this

section, shall be made by the director, in accordance with regulations prescribed by the United States Secretary of Labor.

288.500. SHARED WORK PROGRAM CREATED — DEFINITIONS — PLAN, REQUIREMENTS — PLAN DENIED, SUBMISSION OF NEW PLAN, WHEN — CONTRIBUTION BY EMPLOYER, HOW COMPUTED — BENEFITS. — 1. There is created under this section a voluntary "Shared Work Unemployment Compensation Program". In connection therewith, the division may adopt rules and establish procedures, not inconsistent with this section, which are necessary to administer this program.

2. As used in this section, the following terms mean:

(1) "Affected unit", a specified department, shift, or other unit of three or more employees which is designated by an employer to participate in a shared work plan;

(2) "Division", the division of employment security;

(3) "Fringe benefit", health insurance, a retirement benefit received under a pension plan, a paid vacation day, a paid holiday, sick leave, and any other analogous employee benefit that is provided by an employer;

(4) "Normal weekly hours of work", as to any individual, the lesser of forty hours or the average obtained by dividing the total number of hours worked per week in the preceding twelve-week period by the number twelve;

(5) "Participating employee", an employee who works a reduced number of hours under a shared work plan;

(6) "Participating employer", an employer who has a shared work plan in effect;

(7) "Shared work benefit", an unemployment compensation benefit that is payable to an individual in an affected unit because the individual works reduced hours under an approved shared work plan;

(8) "Shared work plan", a program for reducing unemployment under which employees who are members of an affected unit share the work remaining after a reduction in their normal weekly hours of work;

(9) "Shared work unemployment compensation program", a program designed to reduce unemployment and stabilize the work force by allowing certain employees to collect unemployment compensation benefits if the employees share the work remaining after a reduction in the total number of hours of work and a corresponding reduction in wages.

3. An employer who wishes to participate in the shared work unemployment compensation program established under this section shall submit a written shared work plan in a form acceptable to the division for approval. As a condition for approval by the division, a participating employer shall agree to furnish the division with reports relating to the operation of the shared work plan as requested by the division. The employer shall monitor and evaluate the operation of the established shared work plan as requested by the division and shall report the findings to the division.

4. The division may approve a shared work plan if:

(1) The employer has filed all reports required to be filed under this chapter for all past and current periods and has paid all contributions due for all past and current periods;

(2) The shared work plan applies to and identifies a specified affected unit;

(3) The employees in the affected unit are identified by name and Social Security number;

(4) The shared work plan reduces the normal weekly hours of work for an employee in the affected unit by not less than twenty percent and not more than forty percent;

(5) The shared work plan applies to at least ten percent of the employees in the affected unit;

(6) The shared work plan describes the manner in which the participating employer treats the fringe benefits of each employee in the affected unit; and

(7) The employer certifies that the implementation of a shared work plan and the resulting reduction in work hours is in lieu of temporary layoffs that would affect at least ten percent of the employees in the affected unit and that would result in an equivalent reduction in work hours.

5. If any of the employees who participate in a shared work plan under this section are covered by a collective bargaining agreement, the shared work plan shall be approved in writing by the collective bargaining agent.

6. No shared work plan which will subsidize seasonal employers during the off-season or subsidize employers, at least fifty percent of the employees of which have normal weekly hours of work equaling thirty-two hours or less, shall be approved by the division. No shared work plan benefits will be initiated when the reduced hours coincide with holiday earnings already committed to be paid by the employer. Shared work plan benefits may not be denied in any week containing a holiday for which holiday earnings are committed to be paid by the employer unless the shared work benefits to be paid are for the same hours in the same day as the holiday earnings.

7. The division shall approve or deny a shared work plan not later than the thirtieth day after the day on which the shared work plan is received by the division. The division shall approve or deny a plan in writing. If the division denies a plan, the division shall notify the employer of the reasons for the denial. Approval or denial of a plan by the division shall be final and such determination shall be subject to review in the manner otherwise provided by law. If approval of a plan is denied by the division, the employer may submit a new plan to the division for consideration no sooner than forty-five calendar days following the date on which the division disapproved the employer's previously submitted plan.

8. The division may revoke approval of a shared work plan and terminate the plan if it determines that the shared work plan is not being executed according to the terms and intent of the shared work unemployment compensation program, or if it is determined by the division that the approval of the shared work plan was based, in whole or in part, upon information contained in the plan which was either false or substantially misleading.

9. Each shared work plan approved by the division shall become effective on the first day of the week in which it is approved by the division or on a later date as specified in the shared work plan. Each shared work plan approved by the division shall expire on the last day of the twelfth full calendar month after the effective date of such shared work plan.

10. An employer may modify a shared work plan created under this section to meet changed conditions if the modification conforms to the basic provisions of the shared work plan as originally approved by the division. The employer shall report the changes made to the plan in writing to the division at least seven days before implementing such changes. The division shall reevaluate the shared work plan and may approve the modified shared work plan if it meets the requirements for approval under subsection 4 of this section. The approval of a modified shared work plan shall not, under any circumstances, affect the expiration date originally set for the shared work plan. If modifications cause the shared work plan to fail to meet the requirements for approval, the division shall deny approval of the modifications as provided in subsection 7 of this section.

11. Notwithstanding any other provisions of this chapter, an individual is unemployed for the purposes of this section in any week in which the individual, as an employee in an affected unit, works less than his normal weekly hours of work in accordance with an approved shared work plan in effect for that week.

12. An individual who is otherwise entitled to receive regular unemployment insurance benefits under this chapter shall be eligible to receive shared work benefits with respect to any week in which the division finds that:

(1) The individual is employed as a member of an affected unit subject to a shared work plan that was approved before the week in question and is in effect for that week;

(2) Notwithstanding the provisions of subdivision (2) of subsection 1 of section 288.040, the individual is able to work, available for work and works all available hours with the participating employer;

(3) The individual's normal weekly hours of work have been reduced by at least twenty percent but not more than forty percent, with a corresponding reduction in wages; and

(4) The individual has served a waiting week as defined in section 288.030.

13. A waiting week served under the provisions of subdivision (3) of subsection 1 of section 288.040 shall serve to meet the requirements of subdivision (4) of subsection 12 of this section and a waiting week served under the provisions of subdivision (4) of subsection 12 of this section shall serve to meet the requirements of section 288.040. Notwithstanding any other provisions of this chapter, an individual who files a new initial claim during the pendency of the twelve-month period in which a shared work plan is in effect shall serve a waiting week whether or not the individual has served a waiting week under this subsection.

14. The division shall not deny shared work benefits for any week to an otherwise eligible individual by reason of the application of any provision of this chapter that relates to availability for work, active search for work, or refusal to apply for or accept work with an employer other than the participating employer under the plan.

15. The division shall pay an individual who is eligible for shared work benefits under this section a weekly shared work benefit amount equal to the individual's regular weekly benefit amount for a period of total unemployment less any deductible amounts under this chapter except wages received from any employer, multiplied by the full percentage of reduction in the individual's hours as set forth in the employer's shared work plan. If the shared work benefit amount calculated under this subsection is not a multiple of one dollar, the division shall round the amount so calculated to the next lowest multiple of one dollar. An individual shall be ineligible for shared work benefits for any week in which the individual performs paid work for the participating employer in excess of the reduced hours established under the shared work plan.

16. An individual shall not be entitled to receive shared work benefits and regular unemployment compensation benefits in an aggregate amount which exceeds the maximum total amount of benefits payable to that individual in a benefit year as provided under section 288.038. Notwithstanding any other provisions of this chapter, an individual shall not be eligible to receive shared work benefits for more than [twenty-six] **fifty-two** calendar weeks during the twelve-month period of the shared work plan. No week shall be counted as a week of unemployment for the purposes of this subsection unless it occurs within the twelve-month period of the shared work plan.

17. Notwithstanding any other provision of this chapter, all benefits paid under a shared work plan which are chargeable to the participating employer or any other base period employer of a participating employee shall be charged to the account of the participating employer under the plan.

18. An individual who has received all of the shared work benefits and regular unemployment compensation benefits available in a benefit year is an exhaustee under section 288.062 and is entitled to receive extended benefits under section 288.062 if the individual is otherwise eligible under that section.

The treasurer selected by the board shall give such bond as may be required by the board of trustees. The board of trustees shall appoint

the sewer engineer for the county in which the greater part of the district lies as chief engineer for the district, and the sewer engineer shall have the same powers, responsibilities and duties in regard to planning, construction and maintenance of the sewers, and treatment facilities of the district as he now has by virtue of law in regard to the sewer facilities within the county for which he is elected. If there is no sewer engineer in the county in which the greater part of the district lies, the board of trustees may employ a registered professional engineer as chief engineer for the district under such terms and conditions as may be necessary to discharge the business and purposes of the district. The provisions of this subsection shall not apply to any county of the first classification which has a charter form of government and which contains all or any portion of a city with a population of three hundred fifty thousand or more inhabitants.

2. If the county executive does not appoint such members of the county legislature to the board of trustees within sixty days, the county legislature shall make the appointments. The advisory board members shall be appointed annually by the advisory board. In the event the district extends into any county bordering the county in which the greater portion of the district lies, the number of members on the board of trustees shall be increased to a total of [nine] **eleven** and the presiding commissioner or county executive of the adjoining county shall be an additional member of the board of trustees. The trustees shall receive no compensation for their services, but may be compensated for their reasonable expenses normally incurred in the performance of their duties. The board of trustees may employ and fix the compensation of such staff as may be necessary to discharge the business and purposes of the district, including clerks, attorneys, administrative assistants, and any other necessary personnel. The board of trustees may employ and fix the duties and compensation of an administrator for the district. The administrator shall be the chief executive officer of the district subject to the supervision and direction of the board of trustees and shall exercise the powers, responsibilities and duties heretofore exercised by the chief engineer prior to September 28, 1983. 204.472. SEWER SERVICE TO BE PROVIDED BY AGREEMENT FOR CERTAIN ANNEXED AREAS, PROCEDURE (POPLAR BLUFF, BUTLER COUNTY, COUNTIES OF THE THIRD CLASSIFICATION). — 1. **(1)** Whenever all or any part of a territory located within a sewer district that is located in any county of the third classification without a township form of government and with more than forty thousand eight hundred but less than forty thousand nine hundred inhabitants is included by annexation within the corporate limits of any city of the third classification with more than sixteen thousand six hundred but less than sixteen thousand seven hundred inhabitants, but is not receiving sewer service from such district or city at the time of such annexation, the city and the board of trustees of the district may, within six months after such annexation becomes effective, develop an agreement to provide sewer service to the annexed territory. Such an agreement may also be developed for territory that was annexed

between January 1, 1996, and August 28, 2002, but was not receiving sewer service from such district or such city on August 28, 2002. For the purposes of this section, "not receiving sewer service" shall mean that no sewer services are being sold within the annexed territory by such district or city. If the city and the board reach an agreement that detaches any territory from such district, the agreement shall be submitted to the circuit court having jurisdiction over the major portion, and the circuit court shall make an order and judgment detaching the territory described in the agreement from the remainder of the district and stating the boundary lines of the district after such detachment. At such time that the circuit court's order and judgment becomes final, the clerk of the circuit court shall file certified copies of such order and judgment with the secretary of state and with the recorder of deeds and the county clerk of the county or counties in which the district is located. If an agreement is developed between a city and a sewer district pursuant to this subsection, subsections 2 to 8 of this section shall not apply to such agreement.

(2) Whenever all or any part of a territory located within a sewer district that is located in any county of the third classification is included by annexation within the corporate limits of any city, but is not receiving sewer service from such district or city at the time of such annexation, the city and the board of trustees of the district may, within six months after such annexation becomes effective, develop an agreement to provide sewer service to the annexed territory. Such an agreement may also be developed for territory that was annexed prior to August 28, 2010, but was not receiving sewer service from such district or such city as of August 28, 2010. For the purposes of this section, "not receiving sewer service" shall mean that no sewer services are being sold within the annexed territory by such district or city. If the city and the board reach an agreement that detaches any territory from such district, the agreement shall be submitted to the circuit court having jurisdiction over the major portion, and the circuit court shall make an order and judgment detaching the territory described in the agreement from the remainder of the district and stating the boundary lines of the district after such detachment. At such time that the circuit court's order and judgment becomes final, the clerk of the circuit court shall file certified copies of such order and judgment with the secretary of state and with the recorder of deeds and the county clerk of the county or counties in which the district is located. If an agreement is developed between a city and a sewer district pursuant to this subsection, subsections 2 to 8 of this section shall not apply to such agreement.

2. In the event that the board of trustees of such district and the city cannot reach such an agreement, an application may be made by the board or the city to the circuit court requesting that three commissioners develop such an agreement. Such application shall include the name of one commissioner appointed by the applying party. The second party shall appoint one commissioner within thirty days of the service of the application upon the second party. If the second party fails to appoint a commissioner within such time period, the circuit court shall appoint a commissioner on behalf of the second party. Such two named commissioners may agree to appoint a third disinterested commissioner within thirty days after the appointment of the second commissioner. In the event that the two named commissioners cannot agree on or fail to appoint the third disinterested commissioner within thirty days after the appointment of the second commissioner, the circuit court shall appoint the third disinterested commissioner.

3. Upon the filing of such application and the appointment of three such commissioners, the circuit court shall set a time for one or more hearings and shall order a public notice including the nature of the application, the annexed area affected, the names of the commissioners, and the time and place of such hearings, to be published for three weeks consecutively in a newspaper published in the county in which the application is pending, the last publication to be not more than seven days before the date set for the first hearing.

4. The commissioners shall develop an agreement between the district and the city to provide sewer service to the annexed territory. In developing the agreement, the commissioners

shall consider information presented to them at hearings and any other information at their disposal including, but not limited to:

- (1) The estimated future loss of revenue and costs for the sewer district related to the agreement;
- (2) The amount of indebtedness of the sewer district within the annexed territory;
- (3) Any contractual obligations of the sewer district within the annexed area; and
- (4) The effect of the agreement on the sewer rates of the district.

The agreement shall also include a recommendation for the apportionment of costs incurred pursuant to subsections 2 to 8 of this section, including reasonable compensation for the commissioners, between the city and the district.

5. If the circuit court finds that the agreement provides for necessary sewer service in the annexed territory, then such agreement shall be fully effective upon approval by the circuit court. The circuit court shall also review the recommended apportionment of court costs incurred and the reasonable compensation for the commissioners and affirm or modify such recommendations.

6. The order and judgment of the circuit court shall be subject to appeal as provided by law.

7. If the circuit court approves a detachment as part of the territorial agreement, it shall make its order and judgment detaching the territory described in the application from the remainder of the district and stating the boundary lines of the district after such detachment.

8. At such time that the circuit court's order and judgment becomes final, the clerk of the circuit court shall file certified copies of such order and judgment with the secretary of state and with the recorder of deeds and the county clerk of the county or counties in which the district is located.

9. The endowed care cemetery shall be notified in writing by the office of endowed care cemeteries or by a licensed practicing attorney with escrow powers in this state regarding the approval or disapproval of the endowed care fund agreement and regarding any changes required to be made for compliance with this chapter and the rules and regulations promulgated thereunder. A copy of the proposed endowed care fund agreement shall be submitted to the office of endowed care cemeteries. maintenance of records related to the trust and the accounting for and investment of moneys deposited by the operator to the endowed care trust fund.

related change, amendment, or revision, shall be deemed approved and may be used by the cemetery operator and the trustee. Notwithstanding any other provision of this section, the office may review and disapprove an endowed care trust fund agreement, or any submitted change, amendment, or revision, after the thirty days provided herein or at any other time if the agreement is not in compliance with sections 214.270 to 214.410 or the rules promulgated thereunder. 214.389. SUSPENSION OF DISTRIBUTION, WHEN, PROCEDURE. — 1. The division may direct a trustee, financial institution, or escrow agent to suspend distribution from an endowed care trust fund or escrow account if the cemetery operator does not have a current and active cemetery operator license, has failed to file an annual report, or if, after an audit or examination, the division determines there is a deficiency in an endowed care trust fund or escrow account maintained under section 214.330 and the cemetery operator has failed to file a corrective action plan detailing how the deficiency shall be remedied. For purposes of this section, a deficiency shall only be deemed to exist if, after an audit or examination, the division determines a cemetery operator has failed to deposit the total aggregate of funds required to be deposited in trust or an escrow account pursuant to section 214.320 or subsection 1 of section 214.335, or has received disbursements from the trust or escrow account in excess of what is permitted under section 214.330. No deficiency shall be deemed to be created by fluctuations in the value of investments held in trust or escrow.

2. The division shall provide written notification to the cemetery operator and the trustee, financial institution, or escrow agent within fourteen days of discovering a potential violation as described in this section. Upon receipt of written notification from the division, the cemetery operator shall have sixty days to cure any alleged violations or deficiencies cited in the notification without a suspension of distribution. If, after the sixty-day time period, the division feels the cemetery has not cured the alleged violations or deficiencies cited in the notification, the division may send a notice of suspension to the cemetery operator that the division is ordering a suspension of distribution as described in this section. A trustee, financial institution, or escrow agent shall be exempt from liability for failure to distribute funds as ordered by the division.

4. A cemetery operator may appeal an order suspending distribution pursuant to this section to the administrative hearing commission. The administrative hearing commission shall receive notice of such appeal within thirty days from the date the notice of suspension was mailed by certified mail. Failure of a person whose license was suspended to notify the administrative hearing commission of his or her intent to appeal waives all rights to appeal the suspension. Upon notice of such person's intent to appeal, a hearing shall be held before the administrative hearing commission pursuant to chapter 621.

5. A cemetery operator may apply for reinstatement of distributions upon demonstration that the deficiencies or other problems have been cured or that the operator has otherwise come into compliance.

In determining the amount of penalty to be imposed, the commission may consider if an appraisal management company is:

429.016. RESIDENTIAL REAL PROPERTY — RECORDING REQUIRED, PROCEDURE — FAILURE TO RECORD, EFFECT OF — FORM OF NOTICE — SEPARATE NOTICE REQUIRED, WHEN — RELEASE OF LIEN, PROCEDURE — WAIVER, WHEN. — 1. The provisions of this section shall only apply to mechanic's liens asserted against residential real property, other than mechanic's liens for the repair, remodeling, or addition to owner-occupied residential property of four units or less which are governed by section 429.013 and other applicable sections of this chapter.

2. As used in this section, the term "residential real property" means any parcel of real estate, improved or unimproved, that is intended to be used or is used for the construction of residential structures and related improvements which support the residential use of the land where such residential structures are intended, upon completion, either to be occupied or sold by the current owner. Such residential structures shall include any residential dwelling of four units or less, whether or not a unit is occupied by an owner and shall also include any structures consisting solely of residential condominiums, townhouses or cooperatives regardless of the number of units. The definition of "residential real estate" shall exclude any mixed use or planned unit developments except to the extent that any residential uses of such developments are, or will be, located on separate, identifiable parcels from the non-residential uses and then only as to those residential uses. Residential real property shall also include any streets, sidewalks, utility services, improved common areas, or other facilities which are constructed within the defined residential use structures or located on or within the separate and identifiable parcels identified as for residential use.

3. Any person or entity, hereinafter referred to as claimant, who seeks to retain the right to assert a mechanic's lien against residential real property, hereinafter referred to as property, shall record a notice of rights in the office of the recorder of deeds for the county in which the property is located, not less than five calendar days prior to the intended date of closing stated in a notice of intended sale as contemplated in this section.

4. Notwithstanding subsection 3 of this section, a claimant that is accurately identified in any previously recorded notice of rights recorded as to the property is relieved of its duty to record a notice of rights.

5. If the last day to record the notice of rights falls on a Saturday, Sunday, or legal holiday recognized by the state of Missouri, the notice of rights shall be recorded not later than the next day that the office of the recorder of deeds is open for business.

6. Any claimant that fails to record such notice of rights shall be deemed to waive and forfeit any right to assert a mechanic's lien against such property. Despite any such waiver and forfeiture of mechanic's lien rights, the claimant shall retain all other rights and remedies allowed by law to collect payment for its work, labor, and materials.

7. Notwithstanding any other provision of this section, a notice of rights recorded after the owner's conveyance of the property to a bona fide purchaser for value shall not be effective to preserve the claimant's mechanic's lien rights to the property.

8. The notice of rights shall comply with section 59.310 and be on a form substantially as follows:

NOTICE OF RIGHTS

Date: The date of the document.

Owner: Identify Property owner, as "Grantor" by correct name.

Claimant: Identify Claimant, as "Grantee" by correct name, current address, contact persons, and current telephone number.

Property: The legal description of the property.

Person Contracting with Claimant for Work: Identify person or entity contracting with Claimant by correct name, current address, and current telephone number.

Persons performing work for or supplying materials to Claimant: Claimant may, but is not obligated to, identify any persons or entities which have or will be performing work or supplying materials on behalf of Claimant for the Property. Said persons or entities must be identified by correct legal name, address, and current telephone number.

A recorded notice correctly identifies a person or entity so long as the identifying information in the notice is neither deceptively similar to another person or entity reasonably likely to provide labor, materials, supplies, or equipment for the improvement of property nor so deficient in information as to make it unreasonably difficult to identify such person or entity. The form shall be signed by a person authorized to execute the form on behalf of the claimant, and such signature shall be notarized. The name of the person signing the form shall be printed legibly or typed immediately below the signature.

9. The notice of rights shall be recorded by the claimant in the office of the recorder of deeds of the county in which the property is located.

10. The recorder of deeds shall record such notice of rights in the land records and index notice of rights such that owners shall be deemed grantors and claimants shall be deemed grantees, and the grantor's signature shall not be required for recording.

11. (1) If the record title owner of residential real property, hereinafter the owner, has contracted with a claimant for the performance or provision of work, labor, or materials for the improvement of such property in order to facilitate the owner's sale of such property to a bona fide purchaser for value as contemplated in this section, then the owner or such owner's designated agent, shall record a notice of intended sale in the office of the recorder of deeds for the county in which the property is located. The notice of intended sale shall be recorded not less than forty-five calendar days prior to the earliest calendar date the owner intends to close on the sale of such property to such purchaser. The notice of intended sale shall state the calendar date on which the owner intends to close on the sale of such property to such purchaser. Only one notice of intended sale shall

be recorded, even if the intended date of closing stated therein is postponed to a date later than that stated in the notice of intended sale. The owner's, or its designated agent's, recording of a notice of intended sale as to the subject property, as contemplated herein, is a condition precedent to a claimant's obligation to record a notice of rights as to the subject property in order to retain a claimant's mechanics lien rights as to such property.

(2) The owner, or its designated agent, shall post on the subject property, or at an entrance to the subject property, or at any jobsite office located at or near the subject property, a copy of the owner's notice of intended sale.

(3) The owner, or its designated agent, shall provide any claimant with a copy of the notice of intended sale and a copy of a legal description of the subject property, within five calendar days after the date the owner, or its designated agent, receives a written request for the same from any such claimant. The information contemplated herein shall be transmitted by U.S. mail addressed to the claimant's registered agent or principal place of business or transmitted by other commercially reasonable means. A claimant shall, in turn, provide any person or entity with which it has contracted to perform or provide work, labor, or materials for the improvement of the subject property, with written notice in the same form and manner, and containing the same information, as the written notice issued by the owner, all within ten calendar days after the date the claimant receives a written request for the same from any such person or entity.

(4) If any owner, or its designated agent, fails to comply with the requirements of this section, a claimant shall be entitled to receive, as its sole and exclusive remedy for such failure to comply with the section, the claimant's actual and reasonable costs, excluding attorney fees, to obtain a legal description of the subject property necessary for the claimant to record its notice of rights. The costs described in this section shall be lienable expenses. The owner's, or its designated agent's failure to post or mail or transmit the information contemplated in this section, shall not relieve, and is not a condition precedent to, a claimant's obligation to record its notice of right in order to retain claimant's mechanic lien rights as to such property.

(5) The owner, or its designated agent, shall not be liable to any claimant, or other person, for any error, omission, or inaccuracy in the content of the information provided and disclosed by the owner, or its designated agent, except as otherwise expressly provided in this section. If a claimant receives a copy of the notice of intended sale and a legal description of the subject property from the owner, or its designated agent as contemplated in this section and the claimant relies in good faith upon the legal description and includes such legal description in a notice of rights as required in this section, and the claimant's notice of rights otherwise complies with the requirements of this section, then any such claimant's notice of rights shall be deemed to comply with the requirements of this section, and such claimant's right to assert a mechanic's lien as to the subject residential real property shall be retained even if subsequently it is determined that such legal description is in error or inaccurate as to the subject residential real property.

12. The recording of a notice of rights shall not extend the time for filing a mechanic's lien as provided under section 429.080.

13. A separate notice of rights shall be recorded for each lot or parcel of residential real property upon which the claimant performs its work. Nothing herein shall be construed to prohibit the claimant from providing a notice of rights covering multiple lots in the same subdivision if common ownership of lots exists. If the claimant commences its work prior to the platting or subdivision of a tract of land comprising residential real property, the claimant is only required to record one notice of rights provided that the entire tract of land upon which any such lien is to be asserted is described in such notice of rights.

14. The claimant shall not be required to provide the notice required under section 429.100, but compliance with the requirements of this section shall not relieve the claimant

of its duty to comply with all other applicable sections of this chapter, except as specifically modified herein, in order to preserve, assert, and enforce its mechanic's lien rights.

15. For purposes of any mechanic's liens against residential real property only, a claimant satisfies the just and true account requirement contained in section 429.080 by providing the following information and documentation as part of its mechanic's lien claim filed with the clerk of the circuit court:

- (1) A photocopy of the file-stamped notice of rights and any renewals of notice of rights recorded by or identifying claimant;
- (2) The name and address of the person or entity which claimant contracted with to perform work on the property;
- (3) A copy of any contract or contracts, purchase order or orders, or proposal or proposals, hereinafter collectively referred to as agreements, and any agreed change orders or modifications to such agreement or agreements under which claimant performed its work on the property;
- (4) In the absence of any written agreement or agreements, a general description of the scope of work agreed to be performed by claimant on the property and the basis for payment for such work as agreed to by claimant and the contracting party;
- (5) All invoices submitted by claimant for its work on the property;
- (6) An accurate statement of account which shows all payments or credits against amounts otherwise due to claimant for the work performed on the property and the calculation or basis for the amount claimed by claimant in its mechanic's lien statement; and
- (7) The last date that claimant performed any work or labor upon, or provided any materials or equipment to, the property;
- (8) The claimant shall attach a file-stamped copy of his or her notice of rights to claimant's mechanic's lien statement if and when filed with the circuit clerk under section 429.080.

16. To the extent that any error in the information contained in the claimant's notice of rights prejudices the owner, any lender, disbursing company, title insurance company, or subsequent purchaser of the property, the claimant's rights to assert a mechanic's lien shall be forfeited to the extent of the prejudice caused by such error.

17. A person having an interest in any residential real property against which a mechanic's lien has been filed may release such residential real property from any such mechanic's lien by:

- (1) Depositing in the office of the circuit clerk a sum of money, in cash or certified check, an irrevocable letter of credit, which may be secured, issued by a federally or state chartered bank, savings and loan association or savings bank, referred to hereafter as a bank, authorized to and doing business in the state of Missouri, or a surety bond issued by a surety company authorized to do surety business in the state of Missouri and having a certificate of authority to do business with the United States government in accordance with 31 CFR Section 223.1, in an amount not less than one hundred fifty percent of the amount of the mechanic's lien being released; and
- (2) Recording with the recorder of deeds and filing with the circuit clerk a certificate of deposit signed by the circuit clerk which provides the following information:
 - (a) Amount of money deposited, amount of the letter of credit deposited, or penal sum of the bond deposited, along with the name and address of the bank issuing the letter of credit or surety company issuing the bond, as well as a service address for the bank or surety company;
 - (b) Name of claimant, number assigned to the mechanic's lien being released, and the amount of the mechanic's lien being released;
 - (c) Legal description of the property against which the mechanic's lien was filed;

(d) Name, address, and property interest of the person making the deposit of money, providing the letter of credit or providing the surety bond; and

(e) A certification by the person making the deposit of money, providing the letter of credit, or providing the surety bond that they have mailed a copy of the certificate of deposit to the claimant at the address listed on the mechanic's lien being released, along with a copy of any letter of credit or bond deposited by said person.

18. Any surety bond deposited as substitute collateral shall obligate the surety company, to the extent of the penal sum of the bond, to pay any judgment entered under section 429.210.

19. Any letter of credit deposited as substitute collateral shall obligate the issuing bank, to the extent of the amount of the letter of credit, to pay any judgment entered under section 429.210.

20. Upon release of the residential real property from a mechanic's lien by the deposit of substitute collateral, the claimant's rights are transferred from the residential real property to the substitute collateral.

21. Upon determination of the amount of claimant's claim, if any, against the substitute collateral, the court shall either:

(1) Order the circuit clerk to pay the claimant any sums awarded out of the deposited funds and release any remainder to the person or entity who made the cash deposit;

(2) Order the bank to issue payment under the letter of credit for the awarded amount but not exceeding the amount of the letter of credit;

(3) Render judgment against the surety company on the bond for the amount awarded up to but not exceeding the penal sum of the bond; or

(4) Release the substitute collateral

all as deemed appropriate by the court.

22. The deposit of substitute collateral and release of claimant's mechanic's lien shall not modify any aspect of the priority of claimant's interest, claimant's burden of proving compliance with the mechanic's lien statutes, or claimant's obligations with respect to enforcement of its mechanic's lien claim, including, but not limited to, time for filing suit to enforce and necessary parties to the suit to enforce. It is the intent only that the deposited substitute collateral shall be the ultimate source of any potential recovery by claimant instead of the funds generated by foreclosure of the residential real property.

23. A release of a mechanic's lien under the deposit of substitute collateral shall not relieve any claimant of potential liability for slander of title or otherwise due to the filing of claimant's mechanic's lien.

24. The surety company for any bond or the bank which issued the letter of credit deposited under this section shall be made a party to any mechanic's lien enforcement action with respect to any mechanic's lien released by the deposit of said bond or letter of credit.

25. Any claimant may waive its right to assert a mechanic's lien against residential real property by executing a partial or full waiver of mechanic's lien rights, whether conditioned upon receipt of payment or unconditional, provided that a waiver of mechanic's lien rights shall not be deemed or interpreted to waive or release mechanic's lien rights in exchange for a payment of less than the amount claimed due at that time unless such mechanic's lien waiver is an unconditional, final mechanic's lien waiver in compliance with this section.

26. An unconditional, final lien waiver is a complete and absolute waiver of any mechanic's lien rights against the residential real property described in the mechanic's lien waiver, including any rights which might otherwise arise from remedial or additional labor, services, or materials provided to the residential real property, or which might benefit the residential real property, under either an initial agreement or a supplemental

agreement entered into by the same parties prior to the execution of the unconditional, final mechanic's lien waiver.

27. An unconditional, final mechanic's lien waiver shall only be valid if it is on a form that is substantially as follows:

UNCONDITIONAL FINAL LIEN WAIVER FOR RESIDENTIAL REAL PROPERTY

Claimant (provide legal name and address of Claimant) hereby fully, finally, and unconditionally waives and releases any right to assert or enforce a mechanic's lien claim against the residential real property identified below for all work performed by Claimant prior to the date set forth below and for any work hereafter performed by or on behalf of Claimant under any agreements executed by Claimant prior to said date set forth below:

(Provide legal description of the Property)

Claimant's legal name and the name, title or position, address, and telephone number of the person executing the unconditional final lien waiver on behalf of claimant shall be typed or legibly printed immediately above or below the signature, and the date that the document was signed shall be typed or legibly printed immediately adjacent to the signature.

28. A claimant executing an unconditional, final mechanic's lien waiver for less than full consideration shall be bound by such mechanic's lien waiver as it relates to any rights to assert a mechanic's lien against the property, but such mechanic's lien waiver shall not constitute a waiver or release of any other claim, remedy, or cause of action.

29. An unconditional, final mechanic's lien waiver meeting the requirements of this section is valid and enforceable as to claimant's mechanic's lien rights as to the property identified on the unconditional, final mechanic's lien waiver notwithstanding claimant's failure to receive any promised payment or other consideration.

30. Any claimant who has recorded a notice of rights and who has been paid in full for the work performed on the property shall timely execute an unconditional, final mechanic's lien waiver, shall not unreasonably withhold such a waiver when circumstances require prompt execution, and in no event shall fail to provide a waiver any later than five calendar days after claimant's receipt of a written request to do so by any person or entity. A claimant who fails or refuses timely to execute an unconditional, final lien waiver when such claimant has been paid in full for any labor, materials, services, or equipment supplied or used in the improvement to the property shall be presumed liable for slander of title and for any damages sustained as a result thereof, together with a statutory penalty of five hundred dollars.

31. The provisions of this section shall apply to any residential real property conveyance closing on or after November 1, 2010.

441.645. ACT OF GOD, TENANT NOT LIABLE FOR RENT. — If a residence is destroyed by an act of God, including but not limited to fire or a tornado, or other natural disaster or man-made disaster, so long as the tenant was not the person who caused the disaster, the tenant shall not be liable to the landlord for rent during the remainder of the term of the lease agreement.

452.340. CHILD SUPPORT, HOW ALLOCATED — FACTORS TO BE CONSIDERED — ABATEMENT OR TERMINATION OF SUPPORT, WHEN — SUPPORT AFTER AGE EIGHTEEN, WHEN — PUBLIC POLICY OF STATE — PAYMENTS MAY BE MADE DIRECTLY TO CHILD, WHEN — CHILD SUPPORT GUIDELINES, REBUTTABLE PRESUMPTION, USE OF GUIDELINES, WHEN —

RETROACTIVITY — OBLIGATION TERMINATED, HOW. — 1. In a proceeding for dissolution of marriage, legal separation or child support, the court may order either or both parents owing a duty of support to a child of the marriage to pay an amount reasonable or necessary for the support of the child, including an award retroactive to the date of filing the petition, without regard to marital misconduct, after considering all relevant factors including:

- (1) The financial needs and resources of the child;
- (2) The financial resources and needs of the parents;
- (3) The standard of living the child would have enjoyed had the marriage not been dissolved;
- (4) The physical and emotional condition of the child, and the child's educational needs;
- (5) The child's physical and legal custody arrangements, including the amount of time the child spends with each parent and the reasonable expenses associated with the custody or visitation arrangements; and
- (6) The reasonable work-related child care expenses of each parent.

2. The obligation of the parent ordered to make support payments shall abate, in whole or in part, for such periods of time in excess of thirty consecutive days that the other parent has voluntarily relinquished physical custody of a child to the parent ordered to pay child support, notwithstanding any periods of visitation or temporary physical and legal or physical or legal custody pursuant to a judgment of dissolution or legal separation or any modification thereof. In a IV-D case, the family support division may determine the amount of the abatement pursuant to this subsection for any child support order and shall record the amount of abatement in the automated child support system record established pursuant to chapter 454, RSMo. If the case is not a IV-D case and upon court order, the circuit clerk shall record the amount of abatement in the automated child support system record established in chapter 454, RSMo.

3. Unless the circumstances of the child manifestly dictate otherwise and the court specifically so provides, the obligation of a parent to make child support payments shall terminate when the child:

- (1) Dies;
 - (2) Marries;
 - (3) Enters active duty in the military;
 - (4) Becomes self-supporting, provided that the custodial parent has relinquished the child from parental control by express or implied consent;
 - (5) Reaches age eighteen, unless the provisions of subsection 4 or 5 of this section apply;
- or

(6) Reaches age twenty-one, unless the provisions of the child support order specifically extend the parental support order past the child's twenty-first birthday for reasons provided by subsection 4 of this section.

4. If the child is physically or mentally incapacitated from supporting himself and insolvent and unmarried, the court may extend the parental support obligation past the child's eighteenth birthday.

5. If when a child reaches age eighteen, the child is enrolled in and attending a secondary school program of instruction, the parental support obligation shall continue, if the child continues to attend and progresses toward completion of said program, until the child completes such program or reaches age twenty-one, whichever first occurs. If the child is enrolled in an institution of vocational or higher education not later than October first following graduation from a secondary school or completion of a graduation equivalence degree program and so long as the child enrolls for and completes at least twelve hours of credit each semester, not including the summer semester, at an institution of vocational or higher education and achieves grades sufficient to reenroll at such institution, the parental support obligation shall continue until the child completes his or her education, or until the child reaches the age of twenty-one, whichever first occurs. To remain eligible for such continued parental support, at the beginning of each semester the child shall submit to each parent a transcript or similar official document provided

by the institution of vocational or higher education which includes the courses the child is enrolled in and has completed for each term, the grades and credits received for each such course, and an official document from the institution listing the courses which the child is enrolled in for the upcoming term and the number of credits for each such course. When enrolled in at least twelve credit hours, if the child receives failing grades in half or more of his or her courseload in any one semester, payment of child support may be terminated and shall not be eligible for reinstatement. Upon request for notification of the child's grades by the noncustodial parent, the child shall produce the required documents to the noncustodial parent within thirty days of receipt of grades from the education institution. If the child fails to produce the required documents, payment of child support may terminate without the accrual of any child support arrearage and shall not be eligible for reinstatement. If the circumstances of the child manifestly dictate, the court may waive the October first deadline for enrollment required by this subsection. If the child is enrolled in such an institution, the child or parent obligated to pay support may petition the court to amend the order to direct the obligated parent to make the payments directly to the child. As used in this section, an "institution of vocational education" means any postsecondary training or schooling for which the student is assessed a fee and attends classes regularly. "Higher education" means any community college, college, or university at which the child attends classes regularly. A child who has been diagnosed with a developmental disability, as defined in section 630.005, RSMo, or whose physical disability or diagnosed health problem limits the child's ability to carry the number of credit hours prescribed in this subsection, shall remain eligible for child support so long as such child is enrolled in and attending an institution of vocational or higher education, and the child continues to meet the other requirements of this subsection. A child who is employed at least fifteen hours per week during the semester may take as few as nine credit hours per semester and remain eligible for child support so long as all other requirements of this subsection are complied with.

6. The court shall consider ordering a parent to waive the right to claim the tax dependency exemption for a child enrolled in an institution of vocational or higher education in favor of the other parent if the application of state and federal tax laws and eligibility for financial aid will make an award of the exemption to the other parent appropriate.

7. The general assembly finds and declares that it is the public policy of this state that frequent, continuing and meaningful contact with both parents after the parents have separated or dissolved their marriage is in the best interest of the child except for cases where the court specifically finds that such contact is not in the best interest of the child. In order to effectuate this public policy, a court with jurisdiction shall enforce visitation, custody and child support orders in the same manner. A court with jurisdiction may abate, in whole or in part, any past or future obligation of support and may transfer the physical and legal or physical or legal custody of one or more children if it finds that a parent has, without good cause, failed to provide visitation or physical and legal or physical or legal custody to the other parent pursuant to the terms of a judgment of dissolution, legal separation or modifications thereof. The court shall also award, if requested and for good cause shown, reasonable expenses, attorney's fees and court costs incurred by the prevailing party.

8. The Missouri supreme court shall have in effect a rule establishing guidelines by which any award of child support shall be made in any judicial or administrative proceeding. Said guidelines shall contain specific, descriptive and numeric criteria which will result in a computation of the support obligation. The guidelines shall address how the amount of child support shall be calculated when an award of joint physical custody results in the child or children spending substantially equal time with both parents. The Missouri supreme court shall publish child support guidelines and specifically list and explain the relevant factors and assumptions that were used to calculate the child support guidelines. Any rule made pursuant to this subsection shall be reviewed by the promulgating body not less than once every four years to ensure that its application results in the determination of appropriate child support award amounts.

9. There shall be a rebuttable presumption, in any judicial or administrative proceeding for the award of child support, that the amount of the award which would result from the application of the guidelines established pursuant to subsection 8 of this section is the correct amount of child support to be awarded. A written finding or specific finding on the record in a judicial or administrative proceeding that the application of the guidelines would be unjust or inappropriate in a particular case, after considering all relevant factors, including the factors set out in subsection 1 of this section, is required if requested by a party and shall be sufficient to rebut the presumption in the case. The written finding or specific finding on the record shall detail the specific relevant factors that required a deviation from the application of the guidelines.

10. Pursuant to this or any other chapter, when a court determines the amount owed by a parent for support provided to a child by another person, other than a parent, prior to the date of filing of a petition requesting support, or when the director of the family support division establishes the amount of state debt due pursuant to subdivision (2) of subsection 1 of section 454.465, RSMo, the court or director shall use the guidelines established pursuant to subsection 8 of this section. The amount of child support resulting from the application of the guidelines shall be applied retroactively for a period prior to the establishment of a support order and the length of the period of retroactivity shall be left to the discretion of the court or director. There shall be a rebuttable presumption that the amount resulting from application of the guidelines under subsection 8 of this section constitutes the amount owed by the parent for the period prior to the date of the filing of the petition for support or the period for which state debt is being established. In applying the guidelines to determine a retroactive support amount, when information as to average monthly income is available, the court or director may use the average monthly income of the noncustodial parent, as averaged over the period of retroactivity, in determining the amount of presumed child support owed for the period of retroactivity. The court or director may enter a different amount in a particular case upon finding, after consideration of all relevant factors, including the factors set out in subsection 1 of this section, that there is sufficient cause to rebut the presumed amount.

11. The obligation of a parent to make child support payments may be terminated as follows:

(1) Provided that the **state case registry** or child support order contains the child's date of birth, the obligation shall be deemed terminated without further judicial or administrative process when the child reaches age twenty-one if the child support order does not specifically require payment of child support beyond age twenty-one for reasons provided by subsection 4 of this section;

(2) The obligation shall be deemed terminated without further judicial or administrative process when the parent receiving child support furnishes a sworn statement or affidavit notifying the obligor parent of the child's emancipation in accordance with the requirements of subsection 4 of section 452.370, and a copy of such sworn statement or affidavit is filed with the court which entered the order establishing the child support obligation, or the **family support** division [of child support enforcement] **for an order entered under section 454.470**;

(3) The obligation shall be deemed terminated without further judicial or administrative process when the parent paying child support files a sworn statement or affidavit with the court which entered the order establishing the child support obligation, or the family support division **for an order entered under section 454.470**, stating that the child is emancipated and reciting the factual basis for such statement; which statement or affidavit is served by the court or division, **as applicable**, on the child support obligee; and which is either acknowledged and affirmed by the child support obligee in writing, or which is not responded to in writing within thirty days of receipt by the child support obligee;

(4) The obligation shall be terminated as provided by this subdivision by the court which entered the order establishing the child support obligation, or the family support division **for an order entered under section 454.470**, when the parent paying child support files a sworn statement or affidavit with the court which entered the order establishing the child support

obligation, or the family support division, **as applicable**, stating that the child is emancipated and reciting the factual basis for such statement; and which statement or affidavit is served by the court or division, **as applicable**, on the child support obligee. If the obligee denies the statement or affidavit, the court or division shall thereupon treat the sworn statement or affidavit as a [motion to modify the support obligation pursuant to section 452.370 or section 454.496, RSMo.] **request for hearing** and shall proceed to hear and adjudicate such [motion] **request for hearing** as provided by law; provided that the court may require the payment of a deposit as security for court costs and any accrued court costs, as provided by law, in relation to such [motion to modify] **request for hearing**. **When the division receives a request for hearing, the hearing shall be held in the manner provided by section 454.475.**

12. The court may enter a judgment terminating child support pursuant to subdivisions (1) to (3) of subsection 11 of this section without necessity of a court appearance by either party. The clerk of the court shall mail a copy of a judgment terminating child support entered pursuant to subsection 11 of this section on both the obligor and obligee parents. The supreme court may promulgate uniform forms for sworn statements and affidavits to terminate orders of child support obligations for use pursuant to subsection 11 of this section and subsection 4 of section 452.370.

452.430. AVAILABILITY OF CERTAIN RECORDS — LIMITATION ON INSPECTION OF CERTAIN DOCUMENTS — REDACTION OF SOCIAL SECURITY NUMBERS. — All pleadings and filings in a dissolution of marriage, legal separation, or modification proceeding, filed more than seventy-two years prior to the time a request for inspection is made may be made available to the public. Any pleadings, other than the interlocutory or final judgment or any modification thereof, in a dissolution of marriage [or] , legal separation, or modification proceeding filed prior to August 28, 2009, **but less than seventy-two years prior to the time a request for inspection is made**, shall be subject to inspection only by the parties [or] , an attorney of record [or upon order of the court for good cause shown, or by] , the family support division within the department of social services when services are being provided under section 454.400, [RSMo.] **the attorney general or his or her designee, a person or designee of a person licensed and acting under chapter 381 who shall keep any information obtained confidential, except as necessary to the performance of functions required by chapter 381, or upon order of the court for good cause shown. Such persons may receive or make copies of documents without the clerk being required to redact the Social Security number, unless the court specifically orders the clerk to do otherwise.** The clerk shall redact the Social Security number from any **copy of a judgment [or pleading] or satisfaction of judgment** before releasing the **copy of the interlocutory or final judgment or satisfaction of judgment** to the public.

454.475. ADMINISTRATIVE HEARING, PROCEDURE, EFFECT ON ORDERS OF SOCIAL SERVICES — SUPPORT, HOW DETERMINED — FAILURE OF PARENT TO APPEAR, RESULT — JUDICIAL REVIEW. — 1. Hearings provided for in this section shall be conducted pursuant to chapter 536, RSMo, by administrative hearing officers designated by the Missouri department of social services. The hearing officer shall provide the parents, the person having custody of the child, or other appropriate agencies or their attorneys with notice of any proceeding in which support obligations may be established or modified. The department shall not be stayed from enforcing and collecting upon the administrative order during the hearing process and during any appeal to the courts of this state, unless specifically enjoined by court order.

2. If no factual issue has been raised by the application for hearing, or the issues raised have been previously litigated or do not constitute a defense to the action, the director may enter an order without an evidentiary hearing, which order shall be a final decision entitled to judicial review as provided in sections 536.100 to 536.140, RSMo.

3. After full and fair hearing, the hearing officer shall make specific findings regarding the liability and responsibility, if any, of the alleged responsible parent for the support of the dependent child, and for repayment of accrued state debt or arrearages, and the costs of collection, and shall enter an order consistent therewith. In making the determination of the amount the parent shall contribute toward the future support of a dependent child, the hearing officer shall [use the scale and formula for minimum support obligations established by the department pursuant to section 454.480] **consider the factors set forth in section 452.340.**

4. If the person who requests the hearing fails to appear at the time and place set for the hearing, upon a showing of proper notice to that parent, the hearing officer shall enter findings and order in accordance with the provisions of the notice and finding of support responsibility unless the hearing officer determines that no good cause therefor exists.

5. In contested cases, the findings and order of the hearing officer shall be the decision of the director. Any parent or person having custody of the child adversely affected by such decision may obtain judicial review pursuant to sections 536.100 to 536.140, RSMo, by filing a petition for review in the circuit court of proper venue within thirty days of mailing of the decision. Copies of the decision or order of the hearing officer shall be mailed to any parent, person having custody of the child and the division within fourteen days of issuance.

6. If a hearing has been requested, and upon request of a parent, a person having custody of the child, the division or a IV-D agency, the director shall enter a temporary order requiring the provision of child support pending the final decision or order pursuant to this section if there is clear and convincing evidence establishing a presumption of paternity pursuant to section 210.822, RSMo. In determining the amount of child support, the director shall consider the factors set forth in section 452.340, RSMo. The temporary order, effective upon filing pursuant to section 454.490, is not subject to a hearing pursuant to this section. The temporary order may be stayed by a court of competent jurisdiction only after a hearing and a finding by the court that the order fails to comply with rule 88.01.

454.517. LIEN ON WORKERS' COMPENSATION, WHEN, PROCEDURE — NOTICE, CONTENTS — ENFORCEMENT OF LIEN — DUTIES OF DIRECTOR OF WORKERS' COMPENSATION — MISTAKE OF FACT. — 1. The director, IV-D agency or the obligee may cause a lien for unpaid and delinquent child or spousal support to be placed upon any workers' compensation benefits payable to an obligor delinquent in child or spousal support payments.

2. No such lien shall be effective unless and until a written notice is filed with the director of the division of workers' compensation. The notice shall contain the name and address of the delinquent obligor, the Social Security number of the obligor, if known, the name of the obligee, and the amount of delinquent child or spousal support.

3. Notice of lien shall not be filed unless the delinquent child or spousal support obligation exceeds one hundred dollars.

4. Any person or persons, firm or firms, corporation or corporations, including an insurance carrier, making any payment of workers' compensation benefits to such obligor or to such obligor's attorneys, heirs or legal representative, after receipt of such notice, as defined in subsection 5 of this section, shall be liable to the obligee or, if support has been assigned pursuant to subsection 2 of section 208.040, RSMo, to the state or IV-D agency in an amount equal to the lesser of the workers' compensation benefits paid or delinquent child or spousal support. In such event, the lien may be enforced by a suit at law against any person or persons, firm or firms, corporation or corporations making the workers' compensation benefit payment.

5. Upon the filing of a notice pursuant to this section, the director of the division of workers' compensation shall mail to the obligor and to all attorneys and insurance carriers of record, a copy of the notice. The obligor, attorneys and insurance carriers shall be deemed to have received the notice within five days of the mailing of the notice by the director of the division of workers' compensation. The lien described in this section shall attach to all workers' compensation benefits which are thereafter payable.

6. A notice issued by the IV-D agency of this state shall advise the obligor of the procedures to contest the lien under section 454.475 on the grounds that such lien is improper due to a mistake of fact by requesting a hearing within thirty days of the mailing date of the notice. At such a hearing the certified copy of the court order and the sworn or certified statement of arrearages shall constitute prima facie evidence that the director's order is valid and enforceable. If a prima facie case is established, the obligor may only assert mistake of fact as a defense. For purposes of this section, "mistake of fact" means an error in the amount of the overdue support or an error as to the identity of the obligor. The obligor shall have the burden of proof on such issues.

7. In cases which are not IV-D cases, to cause a lien pursuant to the provisions of this section the obligee or the obligor's attorney shall file notice of the lien with the lienholder or payor. This notice shall have attached a certified copy of the court order with all modifications and a sworn statement by the obligee or a certified statement from the court attesting to or certifying the amount of arrearages.

454.557. OBLIGATIONS NOT RECORDED IN AUTOMATED SYSTEM, WHEN. — 1. A current support obligation shall not be recorded in the records maintained in the automated child support system in the following cases:

(1) In a IV-D case with a support order pursuant to section 454.465 or 454.470 when the division determines that payments for current support are no longer due and should no longer be made to the payment center. The division shall notify by first class mail the obligor and obligee under the support orders that payments shall no longer be made to the payment center, and any withholding of income shall be terminated unless it is subsequently determined by the division or court having jurisdiction that payments will continue. The division's determination shall terminate the division's support order, but shall not terminate any obligation of support established by court order. The obligor and obligee may contest the decision of the division to terminate the division's support order by requesting a hearing within thirty days of the mailing of the notice provided pursuant to this section. The hearing shall comply with the provisions of section 454.475;

(2) In [a IV-D case] **all cases** with a support order entered by a court when the court that issued the support order terminates such order [and notifies the division]. The division shall also cease enforcing the order if no past support is due; or

(3) In all cases when the [child is twenty-two years of age, unless a court orders support to continue. The obligor or obligee may contest the decision of the division to terminate accruing support orders by requesting a hearing within thirty days of the mailing of notice by the division. The hearing shall comply with the provisions of section 454.475. The issue at the hearing, if any, shall be limited to a mistake of fact as to the age of the child or the existence of a court order requiring support after the age of twenty-two] **obligation of a parent to make child support payments is deemed terminated under subdivisions (1) to (4) of subsection 11 of section 452.340.**

2. Nothing in this section shall affect or terminate the amount due for unpaid past support.

454.1003. SUSPENSION OF A PROFESSIONAL OR OCCUPATIONAL LICENSE, WHEN, PROCEDURE. — 1. A court or the director of the division of child support enforcement may issue an order, or in the case of a business, professional or occupational license, only a court may issue an order, suspending an obligor's license and ordering the obligor to refrain from engaging in a licensed activity in the following cases:

(1) When the obligor is not making child support payments in accordance with a [court] **support** order and owes an arrearage in an amount greater than or equal to three months support payments or two thousand five hundred dollars, whichever is less, as of the date of service of a notice of intent to suspend such license; or

(2) When the obligor or any other person, after receiving appropriate notice, fails to comply with a subpoena of a court or the director concerning actions relating to the establishment of paternity, or to the establishment, modification or enforcement of support orders, or order of the director for genetic testing.

2. In any case but a IV-D case, upon the petition of an obligee alleging the existence of an arrearage, a court with jurisdiction over the support order may issue a notice of intent to suspend a license. In a IV-D case, the director, or a court at the request of the director, may issue a notice of intent to suspend.

3. The notice of intent to suspend a license shall be served on the obligor personally or by certified mail. If the proposed suspension of license is based on the obligor's support arrearage, the notice shall state that the obligor's license shall be suspended sixty days after service unless, within such time, the obligor:

- (1) Pays the entire arrearage stated in the notice;
- (2) Enters into and complies with a payment plan approved by the court or the division; or
- (3) Requests a hearing before the court or the director.

4. In a IV-D case, the notice shall advise the obligor that hearings are subject to the contested case provisions of chapter 536, RSMo.

5. If the proposed suspension of license is based on the alleged failure to comply with a subpoena relating to paternity or a child support proceeding, or order of the director for genetic testing, the notice of intent to suspend shall inform the person that such person's license shall be suspended sixty days after service, unless the person complies with the subpoena or order.

6. If the obligor fails to comply with the terms of repayment agreement, a court or the division may issue a notice of intent to suspend the obligor's license.

7. In addition to the actions to suspend or withhold licenses pursuant to this chapter, a court or the director of the division of child support enforcement may restrict such licenses in accordance with the provisions of this chapter.

2. In addition, such fund may also be applied and expended for that county's or circuit's family services and justice fund.

493.055. PUBLICATION OF CERTAIN REAL ESTATE TRANSACTIONS. — All public advertisements and orders of publication required by law to be made, including but not limited to amendments to the Missouri Constitution, legal publications affecting all sales of real estate under a power of sale contained in any mortgage or deed of trust, and other legal publications affecting the title to real estate, shall be published in a newspaper of general circulation, qualified under the provisions of section 493.050, and persons

responsible for orders of publication described in sections 443.310 and 443.320, shall be subject to the prohibitions in sections 493.130 and 493.140.

537.296. PRIVATE NUISANCE ACTION IN EXCESS OF ONE MILLION DOLLARS, COURT OR JURY SHALL VISIT PROPERTY. — [In any action for private nuisance where the amount in controversy exceeds one million dollars,] If any party requests the court or jury [to] visit the property alleged to be affected by the nuisance **in an action for private nuisance where the amount in controversy exceeds one million dollars**, the court or jury shall visit the property.

563.011. CHAPTER DEFINITIONS. — As used in this chapter the following terms shall mean:

(1) "Deadly force", physical force which the actor uses with the purpose of causing or which he or she knows to create a substantial risk of causing death or serious physical injury;

(2) "Dwelling", any building, inhabitable structure, or conveyance of any kind, whether the building, inhabitable structure, or conveyance is temporary or permanent, mobile or immobile, which has a roof over it, including a tent, and is designed to be occupied by people lodging therein at night;

(3) "Forcible felony", any felony involving the use or threat of physical force or violence against any individual, including but not limited to murder, robbery, burglary, arson, kidnapping, assault, and any forcible sexual offense;

(4) "Premises", includes any building, inhabitable structure and any real property;

(5) "Private person", any person other than a law enforcement officer;

(6) **"Private property", any real property in this state that is privately owned or leased;**

(7) "Remain after unlawfully entering", to remain in or upon premises after unlawfully entering as defined in this section;

[(7)] (8) "Residence", a dwelling in which a person resides either temporarily or permanently or is visiting as an invited guest;

[(8)] (9) "Unlawfully enter", a person unlawfully enters in or upon premises **or private property** when he or she enters such premises **or private property** and is not licensed or privileged to do so. A person who, regardless of his or her purpose, enters in or upon **private property** or premises that are at the time open to the public does so with license unless he or she defies a lawful order not to enter, personally communicated to him or her by the owner of such premises or by another authorized person. A license to enter in a building that is only partly open to the public is not a license to enter in that part of the building that is not open to the public.

563.031. USE OF FORCE IN DEFENSE OF PERSONS. — 1. A person may, subject to the provisions of subsection 2 of this section, use physical force upon another person when and to the extent he or she reasonably believes such force to be necessary to defend himself or herself or a third person from what he or she reasonably believes to be the use or imminent use of unlawful force by such other person, unless:

(1) The actor was the initial aggressor; except that in such case his or her use of force is nevertheless justifiable provided:

(a) He or she has withdrawn from the encounter and effectively communicated such withdrawal to such other person but the latter persists in continuing the incident by the use or threatened use of unlawful force; or

(b) He or she is a law enforcement officer and as such is an aggressor pursuant to section 563.046; or

(c) The aggressor is justified under some other provision of this chapter or other provision of law;

(2) Under the circumstances as the actor reasonably believes them to be, the person whom he or she seeks to protect would not be justified in using such protective force;

(3) The actor was attempting to commit, committing, or escaping after the commission of a forcible felony.

2. A person may not use deadly force upon another person under the circumstances specified in subsection 1 of this section unless:

(1) He or she reasonably believes that such deadly force is necessary to protect himself or herself or another against death, serious physical injury, or any forcible felony; [or]

(2) Such force is used against a person who unlawfully enters, remains after unlawfully entering, or attempts to unlawfully enter a dwelling, residence, or vehicle lawfully occupied by such person; or

(3) Such force is used against a person who unlawfully enters, remains after unlawfully entering, or attempts to unlawfully enter private property that is owned or leased by an individual claiming a justification of using protective force under this section.

3. A person does not have a duty to retreat from a dwelling, residence, or vehicle where the person is not unlawfully entering or unlawfully remaining. **A person does not have a duty to retreat from private property that is owned or leased by such individual.**

4. The justification afforded by this section extends to the use of physical restraint as protective force provided that the actor takes all reasonable measures to terminate the restraint as soon as it is reasonable to do so.

5. The defendant shall have the burden of injecting the issue of justification under this section. **If a defendant asserts that his or her use of force is described under subdivision (2) of subsection 2 of this section, the burden shall then be on the state to prove beyond a reasonable doubt that the defendant did not reasonably believe that the use of such force was necessary to defend against what he or she reasonably believed was the use or imminent use of unlawful force.**

571.030. UNLAWFUL USE OF WEAPONS — EXCEPTIONS — PENALTIES. — 1. A person commits the crime of unlawful use of weapons if he or she knowingly:

(5) [Possesses or discharges a firearm or projectile weapon while intoxicated] **Has a firearm or projectile weapon readily capable of lethal use on his or her person, while he or she is intoxicated, and handles or otherwise uses such firearm or projectile weapon in either a negligent or unlawful manner or discharges such firearm or projectile weapon unless acting in self-defense;**

(6) Discharges a firearm within one hundred yards of any occupied schoolhouse, courthouse, or church building; or

(7) Discharges or shoots a firearm at a mark, at any object, or at random, on, along or across a public highway or discharges or shoots a firearm into any outbuilding; or

(8) Carries a firearm or any other weapon readily capable of lethal use into any church or place where people have assembled for worship, or into any election precinct on any election day, or into any building owned or occupied by any agency of the federal government, state government, or political subdivision thereof; or

(3) Members of the armed forces or national guard while performing their official duty;

Subdivisions (1), (5), (8), and (10) of subsection 1 of this section do not apply when the actor is transporting such weapons in a nonfunctioning state or in an unloaded state when ammunition is not readily accessible or when such weapons are not readily accessible. Subdivision (1) of subsection 1 of this section does not apply to any person twenty-one years of age or older transporting a concealable firearm in the passenger compartment of a motor vehicle, so long as such concealable firearm is otherwise lawfully possessed, nor when the actor is also in possession of an exposed firearm or projectile weapon for the lawful pursuit of game, or is in his or her dwelling unit or upon premises over which the actor has possession, authority or control, or is traveling in a continuous journey peaceably through this state. Subdivision (10) of subsection 1 of this section does not apply if the firearm is otherwise lawfully possessed by a person while traversing school premises for the purposes of transporting a student to or from school, or possessed by an adult for the purposes of facilitation of a school-sanctioned firearm-related event.

4. Subdivisions (1), (8), and (10) of subsection 1 of this section shall not apply to any person who has a valid concealed carry endorsement issued pursuant to sections 571.101 to

571.121 or a valid permit or endorsement to carry concealed firearms issued by another state or political subdivision of another state.

5. Subdivisions (3), (4), (5), (6), (7), (8), (9), and (10) of subsection 1 of this section shall not apply to persons who are engaged in a lawful act of defense pursuant to section 563.031, RSMo.

6. Nothing in this section shall make it unlawful for a student to actually participate in school-sanctioned gun safety courses, student military or ROTC courses, or other school-sponsored firearm-related events, provided the student does not carry a firearm or other weapon readily capable of lethal use into any school, onto any school bus, or onto the premises of any other function or activity sponsored or sanctioned by school officials or the district school board.

9. Any person knowingly aiding or abetting any other person in the violation of subdivision (9) of subsection 1 of this section shall be subject to the same penalty as that prescribed by this section for violations by other persons.

11. The identification required by subdivision (1) of subsection 2 of this section is:

(2) Such person is a fugitive from justice, is habitually in an intoxicated or drugged condition, or is currently adjudged mentally incompetent.

2. Unlawful possession of a firearm is a class C felony.

3. The provisions of subdivision (1) of subsection 1 of this section shall not apply to the possession of an antique firearm.

571.104. SUSPENSION OR REVOCATION OF ENDORSEMENTS, WHEN — RENEWAL PROCEDURES — CHANGE OF NAME OR RESIDENCE NOTIFICATION REQUIREMENTS. — 1. (1) A concealed carry endorsement issued pursuant to sections 571.101 to 571.121 shall be suspended or revoked if the concealed carry endorsement holder becomes ineligible for such concealed carry endorsement under the criteria established in subdivisions (2), (3), (4), (5), and (7) of subsection 2 of section 571.101 or upon the issuance of a valid full order of protection.

(2) When a valid full order of protection, or any arrest warrant, discharge, or commitment for the reasons listed in subdivision (2), (3), (4), (5), or (7) of subsection 2 of section 571.101, is issued against a person holding a concealed carry endorsement issued pursuant to sections 571.101 to 571.121 upon notification of said order, warrant, discharge or commitment or upon an order of a court of competent jurisdiction in a criminal proceeding, a commitment proceeding or a full order of protection proceeding ruling that a person holding a concealed carry endorsement presents a risk of harm to themselves or others, then upon notification of such order, the holder of the concealed carry endorsement shall surrender the driver's license or nondriver's license containing the concealed carry endorsement to the court, to the officer, or other official serving the order, warrant, discharge, or commitment.

(3) The official to whom the driver's license or nondriver's license containing the concealed carry endorsement is surrendered shall issue a receipt to the licensee for the license upon a form, approved by the director of revenue, that serves as a driver's license or a nondriver's license and clearly states the concealed carry endorsement has been suspended. The official shall then transmit the driver's license or a nondriver's license containing the concealed carry endorsement to the circuit court of the county issuing the order, warrant, discharge, or commitment. The concealed carry endorsement issued pursuant to sections 571.101 to 571.121 shall be suspended until the order is terminated or until the arrest results in a dismissal of all charges. Upon dismissal, the court holding the driver's license or nondriver's license containing the concealed carry endorsement shall return it to the individual.

(4) Any conviction, discharge, or commitment specified in sections 571.101 to 571.121 shall result in a revocation. Upon conviction, the court shall forward a notice of conviction or action and the driver's license or nondriver's license with the concealed carry endorsement to the

department of revenue. The department of revenue shall notify the sheriff of the county which issued the certificate of qualification for a concealed carry endorsement and shall report the change in status of the concealed carry endorsement to the Missouri uniform law enforcement system. The director of revenue shall immediately remove the endorsement issued pursuant to sections 571.101 to 571.121 from the individual's driving record within three days of the receipt of the notice from the court. The director of revenue shall notify the licensee that he or she must apply for a new license pursuant to chapter 302, RSMo, which does not contain such endorsement. This requirement does not affect the driving privileges of the licensee. The notice issued by the department of revenue shall be mailed to the last known address shown on the individual's driving record. The notice is deemed received three days after mailing.

2. A concealed carry endorsement shall be renewed for a qualified applicant upon receipt of the properly completed renewal application and the required renewal fee by the sheriff of the county of the applicant's residence. The renewal application shall contain the same required information as set forth in subsection 3 of section 571.101, except that in lieu of the fingerprint requirement of subsection 5 of section 571.101 and the firearms safety training, the applicant need only display his or her current driver's license or nondriver's license containing a concealed carry endorsement. Upon successful completion of all renewal requirements, the sheriff shall issue a certificate of qualification which contains the date such certificate was renewed.

3. A person who has been issued a certificate of qualification for a concealed carry endorsement who fails to file a renewal application on or before its expiration date must pay an additional late fee of ten dollars per month for each month it is expired for up to six months. After six months, the sheriff who issued the expired certificate shall notify the director of revenue that such certificate is expired. The director of revenue shall immediately cancel the concealed carry endorsement and remove such endorsement from the individual's driving record and notify the individual of such cancellation. The notice of cancellation of the endorsement shall be conducted in the same manner as described in subsection 1 of this section. Any person who has been issued a certificate of qualification for a concealed carry endorsement pursuant to sections 571.101 to 571.121 who fails to renew his or her application within the six-month period must reapply for a new certificate of qualification for a concealed carry endorsement and pay the fee for a new application. The director of revenue shall not issue an endorsement on a renewed driver's license or renewed nondriver's license unless the applicant for such license provides evidence that he or she has renewed the certification of qualification for a concealed carry endorsement in the manner provided for such renewal pursuant to sections 571.101 to 571.121. If an applicant for renewal of a driver's license or nondriver's license containing a concealed carry endorsement does not want to maintain the concealed carry endorsement, the applicant shall inform the director at the time of license renewal of his or her desire to remove the endorsement. When a driver's or nondriver's license applicant informs the director of his or her desire to remove the concealed carry endorsement, the director shall renew the driver's license or nondriver's license without the endorsement appearing on the license if the applicant is otherwise qualified for such renewal.

4. Any person issued a concealed carry endorsement pursuant to sections 571.101 to 571.121 shall notify the department of revenue and the sheriffs of both the old and new jurisdictions of the endorsement holder's change of residence within thirty days after the changing of a permanent residence. The endorsement holder shall furnish proof to the department of revenue and the sheriff in the new jurisdiction that the endorsement holder has changed his or her residence. **The sheriff of the new jurisdiction may charge a processing fee of not more than ten dollars for any costs associated with notification of a change in residence.** The change of residence shall be made by the department of revenue onto the individual's driving record and the new address shall be accessible by the Missouri uniform law enforcement system within three days of receipt of the information.

5. Any person issued a driver's license or nondriver's license containing a concealed carry endorsement pursuant to sections 571.101 to 571.121 shall notify the sheriff or his or her

designee of the endorsement holder's county or city of residence within seven days after actual knowledge of the loss or destruction of his or her driver's license or nondriver's license containing a concealed carry endorsement. The endorsement holder shall furnish a statement to the sheriff that the driver's license or nondriver's license containing the concealed carry endorsement has been lost or destroyed. After notification of the loss or destruction of a driver's license or nondriver's license containing a concealed carry endorsement, the sheriff shall reissue a new certificate of qualification within three working days of being notified by the concealed carry endorsement holder of its loss or destruction. The reissued certificate of qualification shall contain the same personal information, including expiration date, as the original certificate of qualification. The applicant shall then take the certificate to the department of revenue, and the department of revenue shall proceed on the certificate in the same manner as provided in subsection 7 section 571.101. Upon application for a license pursuant to chapter 302, RSMo, the director of revenue shall issue a driver's license or nondriver's license containing a concealed carry endorsement if the applicant is otherwise eligible to receive such license.

6. If a person issued a concealed carry endorsement changes his or her name, the person to whom the endorsement was issued shall obtain a corrected certificate of qualification for a concealed carry endorsement with a change of name from the sheriff who issued such certificate upon the sheriff's verification of the name change. **The sheriff may charge a processing fee of not more than ten dollars for any costs associated with obtaining a corrected certificate of qualification.** The endorsement holder shall furnish proof of the name change to the department of revenue and the sheriff within thirty days of changing his or her name and display his or her current driver's license or nondriver's license containing a concealed carry endorsement. The endorsement holder shall apply for a new driver's license or nondriver's license containing his or her new name. Such application for a driver's license or nondriver's license shall be made pursuant to chapter 302, RSMo. The director of revenue shall issue a driver's license or nondriver's license with concealed carry endorsement with the endorsement holder's new name if the applicant is otherwise eligible for such license. The director of revenue shall take custody of the old driver's license or nondriver's license. The name change shall be made by the department of revenue onto the individual's driving record and the new name shall be accessible by the Missouri uniform law enforcement system within three days of receipt of the information.

7. A concealed carry endorsement shall be automatically invalid after thirty days if the endorsement holder has changed his or her name or changed his or her residence and not notified the department of revenue and sheriff of a change of name or residence as required in subsections 4 and 6 of this section.

302.309. RETURN OF LICENSE, WHEN — LIMITED DRIVING PRIVILEGE, WHEN GRANTED, APPLICATION, WHEN DENIED — JUDICIAL REVIEW OF DENIAL BY DIRECTOR OF REVENUE — RULEMAKING. — 1. Whenever any license is suspended pursuant to sections 302.302 to 302.309, the director of revenue shall return the license to the operator immediately upon the termination of the period of suspension and upon compliance with the requirements of chapter 303, RSMo.

2. Any operator whose license is revoked pursuant to these sections, upon the termination of the period of revocation, shall apply for a new license in the manner prescribed by law.

3. (1) All circuit courts [or], the director of revenue, **or a commissioner operating under section 478.007** shall have jurisdiction to hear applications and make eligibility determinations granting limited driving privileges. Any application may be made in writing to the director of revenue and the person's reasons for requesting the limited driving privilege shall be made therein.

(2) When any court of record having jurisdiction or the director of revenue finds that an operator is required to operate a motor vehicle in connection with any of the following:

- (a) A business, occupation, or employment;
- (b) Seeking medical treatment for such operator;
- (c) Attending school or other institution of higher education;
- (d) Attending alcohol or drug treatment programs;
- (e) Seeking the required services of a certified ignition interlock device provider; or
- (f) Any other circumstance the court or director finds would create an undue hardship on the operator; the court or director may grant such limited driving privilege as the circumstances of the case justify if the court or director finds undue hardship would result to the individual, and while so operating a motor vehicle within the restrictions and limitations of the limited driving privilege the driver shall not be guilty of operating a motor vehicle without a valid license.

(3) An operator may make application to the proper court in the county in which such operator resides or in the county in which is located the operator's principal place of business or employment. Any application for a limited driving privilege made to a circuit court shall name the director as a party defendant and shall be served upon the director prior to the grant of any limited privilege, and shall be accompanied by a copy of the applicant's driving record as certified

by the director. Any applicant for a limited driving privilege shall have on file with the department of revenue proof of financial responsibility as required by chapter 303, RSMo. Any application by a person who transports persons or property as classified in section 302.015 may be accompanied by proof of financial responsibility as required by chapter 303, RSMo, but if proof of financial responsibility does not accompany the application, or if the applicant does not have on file with the department of revenue proof of financial responsibility, the court or the director has discretion to grant the limited driving privilege to the person solely for the purpose of operating a vehicle whose owner has complied with chapter 303, RSMo, for that vehicle, and the limited driving privilege must state such restriction. When operating such vehicle under such restriction the person shall carry proof that the owner has complied with chapter 303, RSMo, for that vehicle.

(4) No limited driving privilege shall be issued to any person otherwise eligible under the provisions of paragraph (a) of subdivision (6) of this subsection on a license revocation resulting from a conviction under subdivision (9) of subsection 1 of section 302.302, or a license denial under paragraph (a) or (b) of subdivision (8) of this subsection, until the applicant has filed proof with the department of revenue that any motor vehicle operated by the person is equipped with a functioning, certified ignition interlock device as a required condition of limited driving privilege.

(5) The court order or the director's grant of the limited or restricted driving privilege shall indicate the termination date of the privilege, which shall be not later than the end of the period of suspension or revocation. A copy of any court order shall be sent by the clerk of the court to the director, and a copy shall be given to the driver which shall be carried by the driver whenever such driver operates a motor vehicle. The director of revenue upon granting a limited driving privilege shall give a copy of the limited driving privilege to the applicant. The applicant shall carry a copy of the limited driving privilege while operating a motor vehicle. A conviction which results in the assessment of points pursuant to section 302.302, other than a violation of a municipal stop sign ordinance where no accident is involved, against a driver who is operating a vehicle pursuant to a limited driving privilege terminates the privilege, as of the date the points are assessed to the person's driving record. If the date of arrest is prior to the issuance of the limited driving privilege, the privilege shall not be terminated. Failure of the driver to maintain proof of financial responsibility, as required by chapter 303, or to maintain proof of installation of a functioning, certified ignition interlock device, as applicable, shall terminate the privilege. The director shall notify by ordinary mail the driver whose privilege is so terminated.

(6) Except as provided in subdivision (8) of this subsection, no person is eligible to receive a limited driving privilege who at the time of application for a limited driving privilege has previously been granted such a privilege within the immediately preceding five years, or whose license has been suspended or revoked for the following reasons:

(a) A conviction of violating the provisions of section 577.010 or 577.012, RSMo, or any similar provision of any federal or state law, or a municipal or county law where the judge in such case was an attorney and the defendant was represented by or waived the right to an attorney in writing, until the person has completed the first thirty days of a suspension or revocation imposed pursuant to this chapter;

(b) A conviction of any felony in the commission of which a motor vehicle was used;

(c) Ineligibility for a license because of the provisions of subdivision (1), (2), (4), (5), (6), (7), (8), (9), (10) or (11) of section 302.060;

(d) Because of operating a motor vehicle under the influence of narcotic drugs, a controlled substance as defined in chapter 195, RSMo, or having left the scene of an accident as provided in section 577.060, RSMo;

(e) Due to a revocation for the first time for failure to submit to a chemical test pursuant to section 577.041, RSMo, or due to a refusal to submit to a chemical test in any other state, if such person has not completed the first ninety days of such revocation;

(f) Violation more than once of the provisions of section 577.041, RSMo, or a similar implied consent law of any other state; or

(g) Due to a suspension pursuant to subsection 2 of section 302.525 and who has not completed the first thirty days of such suspension, provided the person is not otherwise ineligible for a limited driving privilege; or due to a revocation pursuant to subsection 2 of section 302.525 if such person has not completed such revocation.

(7) No person who possesses a commercial driver's license shall receive a limited driving privilege issued for the purpose of operating a commercial motor vehicle if such person's driving privilege is suspended, revoked, canceled, denied, or disqualified. Nothing in this section shall prohibit the issuance of a limited driving privilege for the purpose of operating a noncommercial motor vehicle provided that pursuant to the provisions of this section, the applicant is not otherwise ineligible for a limited driving privilege.

(8) (a) Provided that pursuant to the provisions of this section, the applicant is not otherwise ineligible for a limited driving privilege, a circuit court or the director may, in the manner prescribed in this subsection, allow a person who has had such person's license to operate a motor vehicle revoked where that person cannot obtain a new license for a period of ten years, as prescribed in subdivision (9) of section 302.060, to apply for a limited driving privilege pursuant to this subsection if such person has served at least three years of such disqualification or revocation. Such person shall present evidence satisfactory to the court or the director that such person has not been convicted of any offense related to alcohol, controlled substances or drugs during the preceding three years and that the person's habits and conduct show that the person no longer poses a threat to the public safety of this state.

(b) Provided that pursuant to the provisions of this section, the applicant is not otherwise ineligible for a limited driving privilege or convicted of involuntary manslaughter while operating a motor vehicle in an intoxicated condition, a circuit court or the director may, in the manner prescribed in this subsection, allow a person who has had such person's license to operate a motor vehicle revoked where that person cannot obtain a new license for a period of five years because of two convictions of driving while intoxicated, as prescribed in subdivision (10) of section 302.060, to apply for a limited driving privilege pursuant to this subsection if such person has served at least two years of such disqualification or revocation. Such person shall present evidence satisfactory to the court or the director that such person has not been convicted of any offense related to alcohol, controlled substances or drugs during the preceding two years and that the person's habits and conduct show that the person no longer poses a threat to the public safety of this state. Any person who is denied a license permanently in this state because of an alcohol-related conviction subsequent to a restoration of such person's driving privileges pursuant to subdivision (9) of section 302.060 shall not be eligible for limited driving privilege pursuant to the provisions of this subdivision.

(9) A DWI docket or court established under section 478.007 may grant a limited driving privilege to a participant in or graduate of the program who would otherwise be ineligible for such privilege under another provision of law. The DWI docket or court shall not grant a limited driving privilege to a participant during his or her initial forty-five days of participation.

4. Any person who has received notice of denial of a request of limited driving privilege by the director of revenue may make a request for a review of the director's determination in the circuit court of the county in which the person resides or the county in which is located the person's principal place of business or employment within thirty days of the date of mailing of the notice of denial. Such review shall be based upon the records of the department of revenue and other competent evidence and shall be limited to a review of whether the applicant was statutorily entitled to the limited driving privilege.

5. The director of revenue shall promulgate rules and regulations necessary to carry out the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is created under the authority delegated in this section shall become

effective only if it complies with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay the effective date or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2001, shall be invalid and void.

302.750. REFUSAL TO CONSENT TO TEST, EFFECT — PROCEDURES — HEARING ALLOWED, WHEN. — 1. If a person refuses, upon the request of a law enforcement officer pursuant to section 302.745, to submit to any test allowed under that section, [then none shall be given and] evidence of the refusal shall be admissible in any proceeding to determine whether a person was operating a commercial motor vehicle while under the influence of alcohol or controlled substances. In this event, the officer shall make a sworn report to the director that he requested a test pursuant to section 302.745 and that the person refused to submit to such testing.

2. A person requested to submit to a test as provided by section 302.745 shall be warned by the law enforcement officer requesting the test that a refusal to submit to the test will result in that person being immediately placed out of service for a period of twenty-four hours and being disqualified from operating a commercial motor vehicle for a period of not less than one year if for a first refusal to submit to the test and for life if for a second or subsequent refusal to submit to the test. The director may issue rules and regulations, in accordance with guidelines established by the secretary, under which a disqualification for life under this section may be reduced to a period of not less than ten years.

3. Upon receipt of the sworn report of a law enforcement officer submitted under subsection 1 of this section, the director shall disqualify the driver from operating a commercial motor vehicle.

4. If a person has been disqualified from operating a commercial motor vehicle because of his refusal to submit to a chemical test, he may request a hearing before a court of record in the county in which the request was made. Upon his request, the clerk of the court shall notify the prosecuting attorney of the county and the prosecutor shall appear at the hearing on behalf of the officer. At the hearing the judge shall determine only:

(1) Whether or not the law enforcement officer had reasonable grounds to believe that the person was driving a commercial motor vehicle with any amount of alcohol in his system;

(2) Whether or not the person refused to submit to the test.

5. If the judge determines any issues not to be in the affirmative, he shall order the director to reinstate the privilege to operate a commercial motor vehicle.

6. Requests for review as herein provided shall go to the head of the docket of the court wherein filed.

A drug court shall combine judicial supervision, drug testing and treatment of drug court participants. Except for good cause found by the court, a drug court making a referral for substance abuse treatment, when such program will receive state or federal funds in connection with such referral, shall refer the person only to a program which is certified by the department of mental health, unless no appropriate certified treatment program is located within the same county as the drug court. Upon successful completion of the treatment program, the charges, petition or penalty against a drug court participant may be dismissed, reduced or modified. Any fees received by a court

from a defendant as payment for substance treatment programs shall not be considered court costs, charges or fines.

2. Under sections 478.001 to 478.007, a DWI docket may be established by a circuit court, or any county with a charter form of government and with more than six hundred thousand but fewer than seven hundred thousand inhabitants with a county municipal court established under section 66.010, to provide an alternative for the judicial system to dispose of cases which stem from driving while intoxicated. A drug court commissioner may serve as a commissioner in a DWI court or any other treatment or problem-solving court as designated by the drug court coordinating commission. Drug court commissioners may serve in counties other than the county they are appointed upon agreement by the presiding judge of that county and assignment by the supreme court.

The qualifications and compensation of the commissioner shall be the same as that of an associate circuit judge. If the compensation of a commissioner appointed pursuant to this section is provided from other than state funds, the source of such fund shall pay to and reimburse the state for the actual costs of the salary and benefits of the commissioner. The commissioner shall have all the powers and duties of a circuit judge, except that any order, judgment or decree of the commissioner shall be confirmed or rejected by an associate circuit or circuit judge by order of record entered within the time the judge could set aside such order, judgment or decree had the same been made by the judge. If so confirmed, the order, judgment or decree shall have the same effect as if made by the judge on the date of its confirmation.

2. This docket or court shall combine judicial supervision, drug testing, continuous alcohol monitoring, substance abuse traffic offender program compliance, and treatment of DWI court participants. The court may assess any and all necessary costs for participation in DWI court against the participant. Any money received from such assessed costs by a court from a defendant shall not be considered court costs, charges, or fines. This docket or court may operate in conjunction with a drug court established pursuant to sections 478.001 to 478.006.

If, in the progress of any trial before a municipal judge, it shall appear to the judge that the accused ought to be put upon trial for an offense against the criminal laws of the state and not cognizable before him as municipal judge, he shall immediately stop all further proceedings before him as municipal judge and cause the complaint to be made before some associate circuit judge within the county.

2. **For purposes of this section, any offense involving the operation of a motor vehicle in an intoxicated condition as defined in section 577.001 shall not be cognizable in municipal court, if the defendant has been convicted, found guilty, or pled guilty to two or more previous intoxication-related traffic offenses as defined in section 577.023, or has had two or more previous alcohol-related enforcement contacts as defined in section 302.525.**

If a person under arrest, or who has been stopped pursuant to subdivision (2) or (3) of subsection 1 of section 577.020, refuses upon the request of the officer to submit to any test allowed pursuant to section 577.020, then [none shall be given and] evidence of the refusal shall be admissible in a proceeding pursuant to section 565.024, 565.060, or 565.082, RSMo, or section 577.010 or 577.012. The request of the officer shall include the reasons of the officer for requesting the person to submit to a test and also shall inform the person that evidence of refusal to take the test may be used against such person and that the person's license shall be immediately revoked upon refusal to take the test. If a person when requested to submit to any test allowed pursuant to section 577.020 requests to speak to an attorney, the person shall be granted twenty minutes in which

to attempt to contact an attorney. If upon the completion of the twenty-minute period the person continues to refuse to submit to any test, it shall be deemed a refusal. In this event, the officer shall, on behalf of the director of revenue, serve the notice of license revocation personally upon the person and shall take possession of any license to operate a motor vehicle issued by this state which is held by that person. The officer shall issue a temporary permit, on behalf of the director of revenue, which is valid for fifteen days and shall also give the person a notice of such person's right to file a petition for review to contest the license revocation.

2. The officer shall make a certified report under penalties of perjury for making a false statement to a public official. The report shall be forwarded to the director of revenue and shall include the following:

- (1) That the officer has:
 - (a) Reasonable grounds to believe that the arrested person was driving a motor vehicle while in an intoxicated or drugged condition; or
 - (b) Reasonable grounds to believe that the person stopped, being under the age of twenty-one years, was driving a motor vehicle with a blood alcohol content of two-hundredths of one percent or more by weight; or
 - (c) Reasonable grounds to believe that the person stopped, being under the age of twenty-one years, was committing a violation of the traffic laws of the state, or political subdivision of the state, and such officer has reasonable grounds to believe, after making such stop, that the person had a blood alcohol content of two-hundredths of one percent or greater;

- (3) Whether the officer secured the license to operate a motor vehicle of the person;
- (4) Whether the officer issued a fifteen-day temporary permit;
- (5) Copies of the notice of revocation, the fifteen-day temporary permit and the notice of the right to file a petition for review, which notices and permit may be combined in one document; and
- (6) Any license to operate a motor vehicle which the officer has taken into possession.

3. Upon receipt of the officer's report, the director shall revoke the license of the person refusing to take the test for a period of one year; or if the person is a nonresident, such person's operating permit or privilege shall be revoked for one year; or if the person is a resident without a license or permit to operate a motor vehicle in this state, an order shall be issued denying the person the issuance of a license or permit for a period of one year.

4. If a person's license has been revoked because of the person's refusal to submit to a chemical test, such person may petition for a hearing before a circuit **division** or associate [circuit] **division of the court** in the county in which the arrest or stop occurred. The person may request such court to issue an order staying the revocation until such time as the petition for review can be heard. If the court, in its discretion, grants such stay, it shall enter the order upon a form prescribed by the director of revenue and shall send a copy of such order to the director. Such order shall serve as proof of the privilege to operate a motor vehicle in this state and the director shall maintain possession of the person's license to operate a motor vehicle until termination of any revocation pursuant to this section. Upon the person's request the clerk of the court shall notify the prosecuting attorney of the county and the prosecutor shall appear at the hearing on behalf of the director of revenue. At the hearing the court shall determine only:

- (1) Whether or not the person was arrested or stopped;
- (2) Whether or not the officer had:
 - (a) Reasonable grounds to believe that the person was driving a motor vehicle while in an intoxicated or drugged condition; or
 - (b) Reasonable grounds to believe that the person stopped, being under the age of twenty-one years, was driving a motor vehicle with a blood alcohol content of two-hundredths of one percent or more by weight; or
 - (c) Reasonable grounds to believe that the person stopped, being under the age of twenty-one years, was committing a violation of the traffic laws of the state, or political subdivision of

the state, and such officer had reasonable grounds to believe, after making such stop, that the person had a blood alcohol content of two-hundredths of one percent or greater; and

(3) Whether or not the person refused to submit to the test.

5. If the court determines any issue not to be in the affirmative, the court shall order the director to reinstate the license or permit to drive.

6. Requests for review as provided in this section shall go to the head of the docket of the court wherein filed.

7. No person who has had a license to operate a motor vehicle suspended or revoked pursuant to the provisions of this section shall have that license reinstated until such person has participated in and successfully completed a substance abuse traffic offender program defined in section 577.001, or a program determined to be comparable by the department of mental health or the court. Assignment recommendations, based upon the needs assessment as described in subdivision [(22)] **(23)** of section 302.010, RSMo, shall be delivered in writing to the person with written notice that the person is entitled to have such assignment recommendations reviewed by the court if the person objects to the recommendations. The person may file a motion in the associate division of the circuit court of the county in which such assignment was given, on a printed form provided by the state courts administrator, to have the court hear and determine such motion pursuant to the provisions of chapter 517, RSMo. The motion shall name the person or entity making the needs assessment as the respondent and a copy of the motion shall be served upon the respondent in any manner allowed by law. Upon hearing the motion, the court may modify or waive any assignment recommendation that the court determines to be unwarranted based upon a review of the needs assessment, the person's driving record, the circumstances surrounding the offense, and the likelihood of the person committing a like offense in the future, except that the court may modify but may not waive the assignment to an education or rehabilitation program of a person determined to be a prior or persistent offender as defined in section 577.023, or of a person determined to have operated a motor vehicle with fifteen-hundredths of one percent or more by weight in such person's blood. Compliance with the court determination of the motion shall satisfy the provisions of this section for the purpose of reinstating such person's license to operate a motor vehicle. The respondent's personal appearance at any hearing conducted pursuant to this subsection shall not be necessary unless directed by the court.

8. The fees for the substance abuse traffic offender program, or a portion thereof to be determined by the division of alcohol and drug abuse of the department of mental health, shall be paid by the person enrolled in the program. Any person who is enrolled in the program shall pay, in addition to any fee charged for the program, a supplemental fee to be determined by the department of mental health for the purposes of funding the substance abuse traffic offender program defined in section 302.010, RSMo, and section 577.001. The administrator of the program shall remit to the division of alcohol and drug abuse of the department of mental health on or before the fifteenth day of each month the supplemental fee for all persons enrolled in the program, less two percent for administrative costs. Interest shall be charged on any unpaid balance of the supplemental fees due the division of alcohol and drug abuse pursuant to this section and shall accrue at a rate not to exceed the annual rates established pursuant to the provisions of section 32.065, RSMo, plus three percentage points. The supplemental fees and any interest received by the department of mental health pursuant to this section shall be deposited in the mental health earnings fund which is created in section 630.053, RSMo.

9. Any administrator who fails to remit to the division of alcohol and drug abuse of the department of mental health the supplemental fees and interest for all persons enrolled in the program pursuant to this section shall be subject to a penalty equal to the amount of interest accrued on the supplemental fees due the division pursuant to this section. If the supplemental fees, interest, and penalties are not remitted to the division of alcohol and drug abuse of the department of mental health within six months of the due date, the attorney general of the state

of Missouri shall initiate appropriate action of the collection of said fees and interest accrued. The court shall assess attorney fees and court costs against any delinquent program.

10. Any person who has had a license to operate a motor vehicle revoked more than once for violation of the provisions of this section shall be required to file proof with the director of revenue that any motor vehicle operated by the person is equipped with a functioning, certified ignition interlock device as a required condition of license reinstatement. Such ignition interlock device shall further be required to be maintained on all motor vehicles operated by the person for a period of not less than six months immediately following the date of reinstatement. If the person fails to maintain such proof with the director as required by this section, the license shall be rerevoked and the person shall be guilty of a class A misdemeanor.

11. The revocation period of any person whose license and driving privilege has been revoked under this section and who has filed proof of financial responsibility with the department of revenue in accordance with chapter 303, RSMo, and is otherwise eligible, shall be terminated by a notice from the director of revenue after one year from the effective date of the revocation. Unless proof of financial responsibility is filed with the department of revenue, the revocation shall remain in effect for a period of two years from its effective date. If the person fails to maintain proof of financial responsibility in accordance with chapter 303, RSMo, the person's license and driving privilege shall be rerevoked and the person shall be guilty of a class A misdemeanor.

577.054. ALCOHOL-RELATED DRIVING OFFENSES, EXPUNGED FROM RECORDS, WHEN — PROCEDURES, EFFECT — LIMITATIONS — 1. If the court determines, after hearing, that such person has not been convicted of any **subsequent** alcohol-related driving offense [in the ten years prior to the date of the application for expungement, and], has no other **subsequent** alcohol-related enforcement contacts as defined in section 302.525, RSMo, [during that ten-year period,] **and has no other alcohol-related driving charges or alcohol-related enforcement actions pending at the time of the hearing on the application,** the court shall enter an order of expungement. Upon granting of the order of expungement, the records and files maintained in any administrative or court proceeding in an associate or circuit division of the circuit court under this section shall be confidential and only available to the parties or by order of the court for good cause shown. The effect of such order shall be to restore such person to the status he or she occupied prior to such arrest, plea or conviction and as if such event had never taken place. No person as to whom such order has been entered shall be held thereafter under any provision of any law to be guilty of perjury or otherwise giving a false statement by reason of his or her failure to recite or acknowledge such arrest, plea, trial, conviction or expungement in response to any inquiry made of him or her for any purpose whatsoever and no such inquiry shall be made for information relating to an expungement under this section. A person shall only be entitled to one expungement pursuant to this section. Nothing contained in this section shall prevent the director from maintaining such records as to ensure that an individual receives only one expungement pursuant to this section for the purpose of informing the proper authorities of the contents of any record maintained pursuant to this section.

2. The provisions of this section shall not apply to any individual who has been issued a commercial driver's license or is required to possess a commercial driver's license issued by this state or any other state.

Classification 1. All counties having an assessed valuation of [six] **nine** hundred million dollars and over shall automatically be in the first classification after that county has maintained such valuation for the time period required by section 48.030; however, any county of the second classification which, on August [13, 1988] **28, 2010**, has had an assessed valuation of at least [four] **six** hundred million dollars for at least one year may, by resolution of the governing body of the county, elect to be classified as a county of the first classification after it has maintained such valuation for the period of time required by the provisions of section 48.030.

2. The required assessed valuation for each classification under subsection 1 of this section shall be increased annually by an amount equal to the percentage change in the annual average of the Consumer Price Index for all urban consumers (CPI-U) or zero, whichever is greater. The state tax commission shall calculate and publish this amount so that it is available to all counties.

48.030. CHANGE IN CLASSIFICATION, HOW, WHEN EFFECTIVE. — 1. [Other than as otherwise provided for in this section, after September 28, 1979,] No county shall move from a lower class to a higher class or from a higher class to a lower class until the assessed valuation of the county is such as to place it in the other class for five successive years **and until the change has become effective as provided for in this section.**

5. Except as provided in subsection 4 of this section, the change from one classification to another shall become effective at the beginning of the county fiscal year following the next general election after the certification by the state equalizing agency for the required number of successive years that the county possesses an assessed valuation placing it in another class. If a general election is held between the date of the certification and the end of the current fiscal year, the change of classification shall not become effective until the beginning of the county fiscal year following the next succeeding general election.

71.275. ANNEXATION OF CONTIGUOUS LAND WITH A RESEARCH, DEVELOPMENT, OR OFFICE PARK PROJECT, PROCEDURE. — **Notwithstanding any other provision of this**

chapter to the contrary, if the governing body of any municipality finds it in the public interest that a parcel of land within a research, development, or office park project established under section 172.273, that is contiguous and compact to the existing corporate limits of the municipality and located in an unincorporated area of the county, should be located in the municipality, such municipality may annex such parcel, provided that the municipality obtains written consent of all the property owners located within the unincorporated area of such parcel.

Proof of refusal of the employee to accept delivery or the inability of postal authorities to deliver such mail shall be accepted as evidence that the required notice of dismissal has been given. Such request for review of any examination shall be filed in writing with the director within [thirty] **fifteen** days after the date on which notification of the results of the examination was mailed to the applicant. The board may adopt such recommendations in whole or in part, require the production of additional testimony, reassign the case for rehearing, or may itself conduct such new or additional hearing as is deemed necessary prior to rendering a final decision. The board may also establish rules which provide for alternative means of resolving one or more of the types of appeals outlined in this section.]

8. The department of social services or MO HealthNet division shall have a lien upon any moneys to be paid by any insurance company or similar business enterprise, person, corporation, institution, public agency or private agency in settlement or satisfaction of a judgment on any claim for injuries or disability or disease benefits arising from a health insurance program to which the participant may be entitled which resulted in medical expenses for which the department or MO HealthNet division made payment. This lien shall also be applicable to any moneys which may come into the possession of any attorney who is handling the claim for injuries, or disability or disease or benefits arising from a health insurance plan to which the participant may be entitled which resulted in payments made by the department or MO HealthNet division. In each case, a lien notice shall be served by certified mail or registered mail, upon the party or parties against whom the applicant or participant has a claim, demand or cause of action. The lien shall claim the charge and describe the interest the department or MO HealthNet division has in the claim, demand or cause of action. The lien shall attach to any verdict or judgment entered and to any money or property which may be recovered on account of such claim, demand, cause of action or suit from and after the time of the service of the notice.

9. On petition filed by the department, or by the participant, or by the defendant, the court, on written notice of all interested parties, may adjudicate the rights of the parties and enforce the charge. The court may approve the settlement of any claim, demand or cause of action either before or after a verdict, and nothing in this section shall be construed as requiring the actual trial or final adjudication of any claim, demand or cause of action upon which the department has charge. The court may determine what portion of the recovery shall be paid to the department against the recovery. In making this determination the court shall conduct an evidentiary hearing and shall consider competent evidence pertaining to the following matters:

(1) The amount of the charge sought to be enforced against the recovery when expressed as a percentage of the gross amount of the recovery; the amount of the charge sought to be enforced against the recovery when expressed as a percentage of the amount obtained by subtracting from the gross amount of the recovery the total attorney's fees and other costs incurred by the participant incident to the recovery; and whether the department should, as a matter of fairness and equity, bear its proportionate share of the fees and costs incurred to generate the recovery from which the charge is sought to be satisfied;

(2) The amount, if any, of the attorney's fees and other costs incurred by the participant incident to the recovery and paid by the participant up to the time of recovery, and the amount of such fees and costs remaining unpaid at the time of recovery;

(3) The total hospital, doctor and other medical expenses incurred for care and treatment of the injury to the date of recovery therefor, the portion of such expenses theretofore paid by the participant, by insurance provided by the participant, and by the department, and the amount of such previously incurred expenses which remain unpaid at the time of recovery and by whom such incurred, unpaid expenses are to be paid;

(4) Whether the recovery represents less than substantially full recompense for the injury and the hospital, doctor and other medical expenses incurred to the date of recovery for the care and treatment of the injury, so that reduction of the charge sought to be enforced against the recovery would not likely result in a double recovery or unjust enrichment to the participant;

(5) The age of the participant and of persons dependent for support upon the participant, the nature and permanency of the participant's injuries as they affect not only the future employability and education of the participant but also the reasonably necessary and foreseeable

future material, maintenance, medical rehabilitative and training needs of the participant, the cost of such reasonably necessary and foreseeable future needs, and the resources available to meet such needs and pay such costs;

(6) The realistic ability of the participant to repay in whole or in part the charge sought to be enforced against the recovery when judged in light of the factors enumerated above.

10. The burden of producing evidence sufficient to support the exercise by the court of its discretion to reduce the amount of a proven charge sought to be enforced against the recovery shall rest with the party seeking such reduction. **The computerized records of the MO HealthNet division, certified by the director or his designee, shall be prima facie evidence of proof of moneys expended and the amount of the debt due the state.**

11. The court may reduce and apportion the department's or MO HealthNet division's lien proportionate to the recovery of the claimant. The court may consider the nature and extent of the injury, economic and noneconomic loss, settlement offers, comparative negligence as it applies to the case at hand, hospital costs, physician costs, and all other appropriate costs. The department or MO HealthNet division shall pay its pro rata share of the attorney's fees based on the department's or MO HealthNet division's lien as it compares to the total settlement agreed upon. This section shall not affect the priority of an attorney's lien under section 484.140, RSMo. The charges of the department or MO HealthNet division or contractor described in this section, however, shall take priority over all other liens and charges existing under the laws of the state of Missouri with the exception of the attorney's lien under such statute.

12. Whenever the department of social services or MO HealthNet division has a statutory charge under this section against a recovery for damages incurred by a participant because of its advancement of any assistance, such charge shall not be satisfied out of any recovery until the attorney's claim for fees is satisfied, [irrespective] **regardless** of whether [or not] an action based on participant's claim has been filed in court. Nothing herein shall prohibit the director from entering into a compromise agreement with any participant, after consideration of the factors in subsections 9 to 13 of this section.

13. This section shall be inapplicable to any claim, demand or cause of action arising under the workers' compensation act, chapter 287, RSMo. From funds recovered pursuant to this section the federal government shall be paid a portion thereof equal to the proportionate part originally provided by the federal government to pay for MO HealthNet benefits to the participant or minor involved. The department or MO HealthNet division shall enforce TEFRA liens, 42 U.S.C. 1396p, as authorized by federal law and regulation on permanently institutionalized individuals. The department or MO HealthNet division shall have the right to enforce TEFRA liens, 42 U.S.C. 1396p, as authorized by federal law and regulation on all other institutionalized individuals. For the purposes of this subsection, "permanently institutionalized individuals" includes those people who the department or MO HealthNet division determines cannot reasonably be expected to be discharged and return home, and "property" includes the homestead and all other personal and real property in which the participant has sole legal interest or a legal interest based upon co-ownership of the property which is the result of a transfer of property for less than the fair market value within thirty months prior to the participant's entering the nursing facility. The following provisions shall apply to such liens:

(1) The lien shall be for the debt due the state for MO HealthNet benefits paid or to be paid on behalf of a participant. The amount of the lien shall be for the full amount due the state at the time the lien is enforced;

(2) The MO HealthNet division shall file for record, with the recorder of deeds of the county in which any real property of the participant is situated, a written notice of the lien. The notice of lien shall contain the name of the participant and a description of the real estate. The recorder shall note the time of receiving such notice, and shall record and index the notice of lien in the same manner as deeds of real estate are required to be recorded and indexed. The director or the director's designee may release or discharge all or part of the lien and notice of the release shall also be filed with the recorder. The department of social services, MO HealthNet division,

shall provide payment to the recorder of deeds the fees set for similar filings in connection with the filing of a lien and any other necessary documents;

(3) No such lien may be imposed against the property of any individual prior to the individual's death on account of MO HealthNet benefits paid except:

(a) In the case of the real property of an individual:

a. Who is an inpatient in a nursing facility, intermediate care facility for the mentally retarded, or other medical institution, if such individual is required, as a condition of receiving services in such institution, to spend for costs of medical care all but a minimal amount of his or her income required for personal needs; and

b. With respect to whom the director of the MO HealthNet division or the director's designee determines, after notice and opportunity for hearing, that he cannot reasonably be expected to be discharged from the medical institution and to return home. The hearing, if requested, shall proceed under the provisions of chapter 536, RSMo, before a hearing officer designated by the director of the MO HealthNet division; or

(b) Pursuant to the judgment of a court on account of benefits incorrectly paid on behalf of such individual;

(4) No lien may be imposed under paragraph (b) of subdivision (3) of this subsection on such individual's home if one or more of the following persons is lawfully residing in such home:

(a) The spouse of such individual;

(b) Such individual's child who is under twenty-one years of age, or is blind or permanently and totally disabled; or

(c) A sibling of such individual who has an equity interest in such home and who was residing in such individual's home for a period of at least one year immediately before the date of the individual's admission to the medical institution;

(5) Any lien imposed with respect to an individual pursuant to subparagraph b of paragraph (a) of subdivision (3) of this subsection shall dissolve upon that individual's discharge from the medical institution and return home.

14. The debt due the state provided by this section is subordinate to the lien provided by section 484.130, RSMo, or section 484.140, RSMo, relating to an attorney's lien and to the participant's expenses of the claim against the third party.

15. Application for and acceptance of MO HealthNet benefits under this chapter shall constitute an assignment to the department of social services or MO HealthNet division of any rights to support for the purpose of medical care as determined by a court or administrative order and of any other rights to payment for medical care.

16. All participants receiving benefits as defined in this chapter shall cooperate with the state by reporting to the family support division or the MO HealthNet division, within thirty days, any occurrences where an injury to their persons or to a member of a household who receives MO HealthNet benefits is sustained, on such form or forms as provided by the family support division or MO HealthNet division.

17. If a person fails to comply with the provision of any judicial or administrative decree or temporary order requiring that person to maintain medical insurance on or be responsible for medical expenses for a dependent child, spouse, or ex-spouse, in addition to other remedies available, that person shall be liable to the state for the entire cost of the medical care provided pursuant to eligibility under any public assistance program on behalf of that dependent child, spouse, or ex-spouse during the period for which the required medical care was provided. Where a duty of support exists and no judicial or administrative decree or temporary order for support has been entered, the person owing the duty of support shall be liable to the state for the entire cost of the medical care provided on behalf of the dependent child or spouse to whom the duty of support is owed.

18. The department director or the director's designee may compromise, settle or waive any such claim in whole or in part in the interest of the MO HealthNet program. Notwithstanding any provision in this section to the contrary, the department of social services, MO HealthNet

division is not required to seek reimbursement from a liable third party on claims for which the amount it reasonably expects to recover will be less than the cost of recovery or for which recovery efforts will not be cost-effective. Cost-effectiveness is determined based on the following:

- (1) Actual and legal issues of liability as may exist between the [recipient] **participant** and the liable party;
- (2) Total funds available for settlement; and
- (3) An estimate of the cost to the division of pursuing its claim.

301.716. SPECIAL ENFORCEMENT PROCEDURES. — 1. Any violation of the provisions of sections 301.700 to 301.714 shall be an infraction. An arrest or service of summons for violations of the provisions of sections 301.700 to 301.714 and section 577.065, RSMo, or the provisions of this chapter, chapter 304 or 307, RSMo, as such provisions relate to all-terrain vehicles may be made by the duly authorized law enforcement officer of any political subdivision of the state, the highway patrol [and the state water patrol].

3. Nothing in sections 301.700 to 301.714 and section 577.065, RSMo, or the provisions of this chapter, chapter 304 or 307, RSMo, as such provisions relate to all-terrain vehicles limits the power of the state to punish any person for any conduct which constitutes a crime by statute or at common law.

If the offense is a traffic violation, the uniform traffic ticket shall be used as if the violator had been apprehended in the municipality or county in which the offense occurred.

2. If such an arrest is made in obedience to a warrant, the disposition of the prisoner shall be made as in other cases of arrest under a warrant; if the violator is served with a uniform traffic ticket, the violator shall be directed to appear before a court having jurisdiction to try the offense; if the arrest is without a warrant, the prisoner shall be taken forthwith before a judge of a court with original criminal jurisdiction in the county wherein such arrest was made or before a municipal judge thereof having original jurisdiction to try such offense, who may release the person as provided in section 544.455, conditioned upon such person's appearance before the court having jurisdiction to try the offense. 3. After an order of reinstatement has been issued and all parties have let the time for appeal lapse or have filed an appeal and that appeal process has become final and the order of reinstatement has been affirmed, the administrative hearing commission shall commence a separate action to determine the date of reinstatement and the amount of back pay owed to the employee. This action may be done by hearing, or by affidavit, depositions, or stipulations, or by agreement on the amount of back pay owed. No hearing shall be public unless requested to be public by the employee.

630.060. COOPERATION WITH OTHER GROUPS. — 1. No credits shall be allowed pursuant to subdivision (1), (2), (3) or (4) of subsection 1 of section 135.225 or section 135.235 and no exemption shall be allowed pursuant to section 135.220 unless the number of new business facility employees engaged or maintained in employment at the new business facility for the taxable year for which the credit is claimed equals or exceeds two or the new business facility is a revenue-producing enterprise as defined in paragraph (d) of subdivision (6) of section 135.200. In order to qualify for either the exemption pursuant to section 135.220 or the credit pursuant to subdivision (4) of subsection 1 of section 135.225, or both, it shall be required that at least thirty percent of new business facility employees, as determined by subsection 4 of section 135.110, meet the criteria established in section 135.240 or are residents of an enterprise zone or some combination thereof, except taxpayers who establish a new business facility by operating a revenue-producing enterprise as defined in paragraph (d) of subdivision (6) of section 135.200 or any taxpayer that is an insurance company that established a new business facility satisfying the requirements of subdivision (8) of section 135.100 located within an enterprise zone after June 30, 1993, and before December 31, 1994, and that employs in excess of three hundred fifty new business facility employees at such facility each tax period for which the credits allowable pursuant to subdivisions (1) to (4) of subsection 1 of section 135.225 are claimed shall not be required to meet such requirement. A new business facility described as SIC 3751 shall be required to employ fifteen percent of such employees instead of the required thirty percent. For the purpose of satisfying the thirty-percent requirement, residents must have lived in the enterprise zone for a period of at least one full calendar month and must have been employed at the new business facility for at least one full calendar month, and persons qualifying because they meet the requirements of section 135.240 must have satisfied such requirement at the time they were employed by the new business facility and must have been employed at the new business facility for at least one full calendar month. The director may

temporarily reduce or waive this requirement for any business in an enterprise zone with ten or less full-time employees, and for businesses with eleven to twenty full-time employees this requirement may be temporarily reduced. No reduction or waiver may be granted for more than one tax period and shall not be renewable. The exemptions allowed in sections 135.215 and 135.220 and the credits allowed in sections 135.225 and 135.235 and the refund established and authorized in section 135.245 shall not be allowed to any "public utility", as such term is defined in section 386.020, RSMo. For the purposes of achieving the fifteen-percent employment requirement set forth in this subsection, a new business facility described as NAICS 336991 may count employees who were residents of the enterprise zone at the time they were employed by the new business facility and for at least ninety days thereafter, regardless of whether such employees continue to reside in the enterprise zone, so long as the employees remain employed by the new business facility and residents of the state of Missouri.

2. Notwithstanding the provisions of subsection 1 of this section, motor carriers, barge lines or railroads engaged in transporting property for hire or any interexchange telecommunications company that establish a new business facility shall be eligible to qualify for the exemptions allowed in sections 135.215 and 135.220, and the credits allowed in sections 135.225 and 135.235 and the refund established and authorized in section 135.245, except that trucks, truck-trailers, truck semitrailers, rail or barge vehicles or other rolling stock for hire, track, switches, bridges, barges, tunnels, rail yards and spurs shall not constitute new business facility investment nor shall truck drivers or rail or barge vehicle operators constitute new business facility employees.

3. Notwithstanding any other provision of sections 135.200 to 135.256 to the contrary, motor carriers establishing a new business facility on or after January 1, 1993, but before January 1, 1995, may qualify for the tax credits available pursuant to sections 135.225 and 135.235 and the exemption provided in section 135.220, even if such new business facility has not satisfied the employee criteria, provided that such taxpayer employs an average of at least two hundred persons at such facility, exclusive of truck drivers and provided that such taxpayer maintains an average investment of at least ten million dollars at such facility, exclusive of rolling stock, during the tax period for which such credits and exemption are being claimed.

4. Any governing authority having jurisdiction of an area that has been designated an enterprise zone may petition the department to expand the boundaries of such existing enterprise zone. The director may approve such expansion if the director finds that:

- (1) The area to be expanded meets the requirements prescribed in section 135.207 or 135.210, whichever is applicable;
- (2) The area to be expanded is contiguous to the existing enterprise zone; and
- (3) The number of expansions do not exceed three after August 28, 1994.

5. Notwithstanding the fifteen-year limitation as prescribed in subsection 1 of this section, any governing authority having jurisdiction of an area that has been designated as an enterprise zone by the director, except one designated pursuant to this subsection, may file a petition, as prescribed by the director, for redesignation of such area for an additional period not to exceed seven years following the fifteenth anniversary of the enterprise zone's initial designation date; provided:

- (1) The petition is filed with the director within three years prior to the date the tax credits authorized in sections 135.225 and 135.235 and the exemption allowed in section 135.220 are required to be removed pursuant to subsection 1 of this section;
- (2) The governing authority identifies and conforms the boundaries of the area to be designated a new enterprise zone to the political boundaries established by the latest decennial census, unless otherwise approved by the director;
- (3) The area satisfies the requirements prescribed in subdivisions (3), [and (4)] and (5) of section 135.205 according to the [latest decennial census] **United States Census Bureau's American Community Survey, based on the most recent of five-year period estimate data**

in which the final year of the estimate ends in either zero or five or other appropriate source as approved by the director;

(4) The governing authority satisfies the requirements prescribed in sections 135.210, 135.215 and 135.255;

(5) The director finds that the area is unlikely to support reasonable tax assessment or to experience reasonable economic growth without such designation; and

(6) The director's recommendation that the area be designated as an enterprise zone is approved by the joint committee on economic development policy and planning, as otherwise required in subsection 3 of section 135.210.

6. Any taxpayer having established a new business facility in an enterprise zone except one designated pursuant to subsection 5 of this section, who did not earn the tax credits authorized in sections 135.225 and 135.235 and the exemption allowed in section 135.220 for the full ten-year period because of the fifteen-year limitation as prescribed in subsection 1 of this section, shall be granted such benefits for ten tax years, less the number of tax years the benefits were claimed or could have been claimed prior to the expiration of the original fifteen-year period, except that such tax benefits shall not be earned for more than seven tax periods during the ensuing seven-year period, provided the taxpayer continues to operate the new business facility in an area that is designated an enterprise zone pursuant to subsection 5 of this section. Any taxpayer who establishes a new business facility subsequent to the commencement of the ensuing seven-year period, as authorized in subsection 5 of this section, may qualify for the tax credits authorized in sections 135.225 and 135.235, and the exemptions authorized in sections 135.215 and 135.220, pursuant to the same terms and conditions as prescribed in sections 135.100 to 135.256. The designation of any enterprise zone pursuant to subsection 5 of this section shall not be subject to the fifty enterprise zone limitation imposed in subsection 4 of section 135.210.

In addition the definition shall include municipalities not in a metropolitan statistical area, with a median household income of under seventy percent of the median household income for the nonmetropolitan areas in Missouri according to the [last decennial census] **United States Census Bureau's American Community Survey, based on the most recent of five-year period estimate data in which the final year of the estimate ends in either zero or five** or a census block group or contiguous group of block groups which has a population of at least two thousand five hundred **with** each block group having a median household income of under seventy percent of the median household income for the nonmetropolitan areas of Missouri, according to the [last decennial census] **United States Census Bureau's American Community Survey, based on the most recent of five-year period estimate data in which the final year of the estimate ends in either zero or five**. In metropolitan statistical areas, the

definition shall include areas that were designated as either a federal empowerment zone; or a federal enhanced enterprise community; or a state enterprise zone that was originally designated before January 1, 1986, but shall not include expansions of such state enterprise zones done after March 16, 1988.

135.903. RURAL EMPOWERMENT ZONE CRITERIA — APPLICATION, ZONE CREATED, REAPPLICATION — LIMITATION. — 1. To qualify as a rural empowerment zone, an area shall meet all the following criteria:

- (1) The area is one of pervasive poverty, unemployment, and general distress;

- (5) The area is situated more than ten miles from any existing rural empowerment zone;
- (6) The area is situated in a county of the third classification without a township form of government and with more than eight thousand nine hundred twenty-five but less than nine thousand twenty-five inhabitants; and
- (7) The area is not situated in an existing enterprise zone.

2. The governing body of any county in which an area may be designated a rural empowerment zone shall submit to the department an application showing that the area complies with the requirements of subsection 1 of this section. The department shall declare the area a rural empowerment zone if upon investigation the department finds that the area meets the requirements of subsection 1 of this section. If the area is found not to meet the requirements, the governing body shall have the opportunity to submit another application for designation as a rural empowerment zone and the department shall designate the area a rural empowerment zone if upon investigation the department finds that the area meets the requirements of subsection 1 of this section.

3. There shall be no more than two rural empowerment zones as created under sections 135.900 to 135.906 in existence at any time.

135.953. ENHANCED ENTERPRISE ZONE CRITERIA — ZONE MAY BE ESTABLISHED IN CERTAIN AREAS — ADDITIONAL CRITERIA. — 1. For purposes of sections 135.950 to 135.970, an area shall meet the following criteria in order to qualify as an enhanced enterprise zone:

- (1) The area shall be a blighted area, have pervasive poverty, unemployment and general distress; and
- (2) At least sixty percent of the residents living in the area have incomes below ninety percent of the median income of all residents:

The exemption pursuant to this subdivision shall be refunded to the person or entity owning the motor fuel at the time of the contamination or loss. Such person shall notify the director in writing of such event and the amount of motor fuel lost or contaminated within ten days from the date of discovery of such loss or contamination, and within thirty days after such notice, shall file an affidavit sworn to by the person having immediate custody of such motor fuel at the time of the loss or contamination, setting forth in full the circumstances and the amount of the loss or contamination and such other information with respect thereto as the director may require;

The coordinating board may, in order to carry out the duties prescribed for it in subsections 1, 2, 3, 7, and 8 of this section, employ such professional, clerical and research personnel as may be necessary to assist it in performing those duties, but this staff shall not, in any fiscal year, exceed twenty-five full-time equivalent employees regardless of the source of funding. In addition to all other powers, duties and functions transferred to it, the coordinating board for higher education shall have the following duties and responsibilities:

(1) The coordinating board for higher education shall have approval of proposed new degree programs to be offered by the state institutions of higher education;

(2) The coordinating board for higher education may promote and encourage the development of cooperative agreements between Missouri public four-year institutions of higher education which do not offer graduate degrees and Missouri public four-year institutions of higher education which do offer graduate degrees for the purpose of offering graduate degree programs on campuses of those public four-year institutions of higher education which do not otherwise offer graduate degrees. Such agreements shall identify the obligations and duties of the parties, including assignment of administrative responsibility. Any diploma awarded for graduate degrees under such a cooperative agreement shall include the names of both institutions inscribed thereon. Any cooperative agreement in place as of August 28, 2003, shall require no further approval from the coordinating board for higher education. Any costs incurred with respect to the administrative provisions of this subdivision may be paid from state funds allocated to the institution assigned the administrative authority for the program. The provisions of this subdivision shall not be construed to invalidate the provisions of subdivision (1) of this subsection;

(3) In consultation with the heads of the institutions of higher education affected and against a background of carefully collected data on enrollment, physical facilities, manpower needs, institutional missions, the coordinating board for higher education shall establish guidelines for appropriation requests by those institutions of higher education; however, other provisions of the Reorganization Act of 1974 notwithstanding, all funds shall be appropriated by the general assembly to the governing board of each public four-year institution of higher education which shall prepare expenditure budgets for the institution;

The department of elementary and secondary education shall align such competencies with the assessments found in section 160.518, RSMo, and successor assessments;

(8) The coordinating board shall collect the necessary information and develop comparable data for all institutions of higher education in the state. The coordinating board shall use this information to delineate the areas of competence of each of these institutions and for any other purposes deemed appropriate by the coordinating board;

(9) Compliance with requests from the coordinating board for institutional information and the other powers, duties and responsibilities, herein assigned to the coordinating board, shall be a prerequisite to the receipt of any funds which the coordinating board is responsible for administering;

(10) If any institution of higher education in this state, public or private, willfully fails or refuses to follow any lawful guideline, policy or procedure established or prescribed by the coordinating board, or knowingly deviates from any such guideline, or knowingly acts without coordinating board approval where such approval is required, or willfully fails to comply with any other lawful order of the coordinating board, the coordinating board may, after a public hearing, withhold or direct to be withheld from that institution any funds the disbursement of which is subject to the control of the coordinating board, or may remove the approval of the institution as an approved institution within the meaning of section 173.1102. The board shall hold such funds until such time that the institution, as determined by the commissioner of higher education, corrects the violation, at which time the board shall refund such amount to the institution. If the commissioner determines that the institution has not redressed the violation within one year, the fine amount shall be deposited into the general revenue fund, unless the institution appeals such decision to the full coordinating board, which shall have the authority to make a binding and final decision, by means of a majority vote, regarding the matter. However, nothing in this section shall prevent any institution of higher education in this state from presenting additional budget requests or from explaining or further clarifying its budget requests to the governor or the general assembly; and

(11) (a) As used in this subdivision, the term "out-of-state public institution of higher education" shall mean an education institution located outside of Missouri that:

Any such out-of-state public institutions of higher education wishing to continue operating within this state must be approved by the board under the rules promulgated under this subdivision. Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly under chapter 536, RSMo, to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2007, shall be invalid and void.

197.318. LICENSED AND AVAILABLE, DEFINED — REVIEW OF LETTERS OF INTENT — APPLICATION OF LAW IN PENDING COURT CASES — EXPANSION PROCEDURES. — 1. [The

provisions of section 197.317 shall not apply to a residential care facility, assisted living facility, intermediate care facility or skilled nursing facility only where the department of social services has first determined that there presently exists a need for additional beds of that classification because the average occupancy of all licensed and available residential care facility, assisted living facility, intermediate care facility and skilled nursing facility beds exceeds ninety percent for at least four consecutive calendar quarters, in a particular county, and within a fifteen-mile radius of the proposed facility, and the facility otherwise appears to qualify for a certificate of need. The department's certification that there is no need for additional beds shall serve as the final determination and decision of the committee. In determining ninety percent occupancy, residential care facility and assisted living facility shall be one separate classification and intermediate care and skilled nursing facilities are another separate classification.

2. The Missouri health facilities review committee may, for any facility certified to it by the department, consider the predominant ethnic or religious composition of the residents to be served by that facility in considering whether to grant a certificate of need.

3. There shall be no expenditure minimum for facilities, beds, or services referred to in subdivisions (1), (2) and (3) of section 197.317. The provisions of this subsection shall expire January 1, 2003.

4.] As used in this section, the term "licensed and available" means beds which are actually in place and for which a license has been issued.

5. The provisions of section 197.317 shall not apply to any facility where at least ninety-five percent of the patients require diets meeting the dietary standards defined by section 196.165, RSMo.

6.] 2. The committee shall review all letters of intent and applications for long-term care hospital beds meeting the requirements described in 42 CFR, Section 412.23(e) under its criteria and standards for long-term care beds.

7.] 3. Sections 197.300 to 197.366 shall not be construed to apply to litigation pending in state court on or before April 1, 1996, in which the Missouri health facilities review committee is a defendant in an action concerning the application of sections 197.300 to 197.366 to long-term care hospital beds meeting the requirements described in 42 CFR, Section 412.23(e).

8.] 4. Notwithstanding any other provision of this chapter to the contrary:

(1) A facility licensed pursuant to chapter 198, RSMo, may increase its licensed bed capacity by:

(a) Submitting a letter of intent to expand to the division of aging and the health facilities review committee;

(b) Certification from the division of aging that the facility:

a. Has no patient care class I deficiencies within the last eighteen months; and

b. Has maintained a ninety-percent average occupancy rate for the previous six quarters;

(c) Has made an effort to purchase beds for eighteen months following the date the letter of intent to expand is submitted pursuant to paragraph (a) of this subdivision. For purposes of this paragraph, an "effort to purchase" means a copy certified by the offeror as an offer to purchase beds from another licensed facility in the same licensure category; and

(d) If an agreement is reached by the selling and purchasing entities, the health facilities review committee shall issue a certificate of need for the expansion of the purchaser facility upon surrender of the seller's license; or

(e) If no agreement is reached by the selling and purchasing entities, the health facilities review committee shall permit an expansion for:

a. A facility with more than forty beds may expand its licensed bed capacity within the same licensure category by twenty-five percent or thirty beds, whichever is greater, if that same licensure category in such facility has experienced an average occupancy of ninety-three percent or greater over the previous six quarters;

b. A facility with fewer than forty beds may expand its licensed bed capacity within the same licensure category by twenty-five percent or ten beds, whichever is greater, if that same

licensure category in such facility has experienced an average occupancy of ninety-two percent or greater over the previous six quarters;

c. A facility adding beds pursuant to subparagraphs a. or b. of this paragraph shall not expand by more than fifty percent of its then licensed bed capacity in the qualifying licensure category;

(2) Any beds sold shall, for five years from the date of relicensure by the purchaser, remain unlicensed and unused for any long-term care service in the selling facility, whether they do or do not require a license;

(3) The beds purchased shall, for two years from the date of purchase, remain in the bed inventory attributed to the selling facility and be considered by the department of social services as licensed and available for purposes of this section;

(4) Any residential care facility licensed pursuant to chapter 198, RSMo, may relocate any portion of such facility's current licensed beds to any other facility to be licensed within the same licensure category if both facilities are under the same licensure ownership or control, and are located within six miles of each other;

(5) A facility licensed pursuant to chapter 198, RSMo, may transfer or sell individual long-term care licensed beds to facilities qualifying pursuant to paragraphs (a) and (b) of subdivision (1) of this subsection. Any facility which transfers or sells licensed beds shall not expand its licensed bed capacity in that licensure category for a period of five years from the date the licensure is relinquished.

[9.] 5. Any existing licensed and operating health care facility offering long-term care services may replace one-half of its licensed beds at the same site or a site not more than thirty miles from its current location if, for at least the most recent four consecutive calendar quarters, the facility operates only fifty percent of its then licensed capacity with every resident residing in a private room. In such case:

(1) The facility shall report to the division of aging vacant beds as unavailable for occupancy for at least the most recent four consecutive calendar quarters;

(2) The replacement beds shall be built to private room specifications and only used for single occupancy; and

(3) The existing facility and proposed facility shall have the same owner or owners, regardless of corporate or business structure, and such owner or owners shall stipulate in writing that the existing facility beds to be replaced will not later be used to provide long-term care services. If the facility is being operated under a lease, both the lessee and the owner of the existing facility shall stipulate the same in writing.

[10.] 6. Nothing in this section shall prohibit a health care facility licensed pursuant to chapter 198, RSMo, from being replaced in its entirety within fifteen miles of its existing site so long as the existing facility and proposed or replacement facility have the same owner or owners regardless of corporate or business structure and the health care facility being replaced remains unlicensed and unused for any long-term care services whether they do or do not require a license from the date of licensure of the replacement facility.

(2) Periodically evaluate the performance of the inspectors or surveyors regionally and statewide to identify any deviations or inconsistencies in regulation application. At a minimum, the Missouri on-site surveyor evaluation process, and the number and type of actions overturned by the informal dispute resolution process and formal appeal shall be used in the evaluation. (5) With the full cooperation and in conjunction with the department of health and senior services, develop rules and regulations requiring the exchange of information, including regulatory violations, between the departments to ensure the protection of individuals who are served by health care providers regulated by either the department of health and senior services or the department of social services.

Where proven technology is available and the economic impact is reasonable, pursuant to rules and regulations promulgated by the commission, the hazardous waste management commission shall encourage that every effort is made to effectively treat, recycle, detoxify, incinerate or otherwise treat hazardous waste to be disposed of in the state of Missouri in order that such wastes are not disposed of in a manner which is hazardous to the public health and the environment. Where proven technology is available with respect to a specific hazardous waste and the economic impact is reasonable, pursuant to rules and regulations promulgated by the commission, the hazardous waste management commission shall direct that disposal of the specific hazardous wastes using land filling as the primary method is prohibited.

2. The hazardous waste management commission shall, by rules and regulations, categorize hazardous waste by taking into account toxicity, persistence and degradability in nature, potential for accumulation in tissue, and other related factors such as flammability, corrosiveness and other hazardous characteristics. The commission shall by rules and regulations further establish within each category the wastes which may or may not be disposed of through alternative hazardous waste management technologies including, but not limited to, treatment facilities, incinerators, landfills, landfarms, storage facilities, surface impoundments, recycling, reuse and reduction. The commission shall specify, by rule and regulation, the frequency of inspection for each method of hazardous waste management and for the different waste categories at hazardous waste management sites. The inspection may be daily when the hazardous waste management commission deems it necessary. The hazardous waste management commission shall specify, by rule, fees to be paid to the department by owners or operators of hazardous waste facilities who have obtained, or are required to obtain, a hazardous waste facility permit and who accept, on a commercial basis for remuneration, hazardous waste from off-site sources, but not including wastes generated by the same person at other sites located in Missouri or within a metropolitan statistical area located partially in Missouri and owned or operated by the same person and transferred to the hazardous waste facility, for treatment, storage or disposal, for inspections conducted by the department to determine compliance with sections 260.350 to 260.430 and the

The department shall furnish, upon request, to the person, firm or corporation operating the hazardous waste facility a complete, full and detailed accounting of the cost of the department's inspections of the facility for the twelve-month period immediately preceding the request within forty-five days after receipt of the request. Failure to provide the accounting within forty-five days shall require the department to refund the inspection fee paid during the twelve-month-time period.

In implementing this subsection, the commission shall consider the variations within this state in climate, geology, population density, quantities and types of hazardous wastes generated, availability of hazardous waste facilities and such other factors as may be relevant to the safe management of hazardous wastes. Within two years after September 28, 1977, the commission shall adopt rules and regulations including the following:

(a) Rules and regulations establishing criteria and a listing for the determination of whether any waste or combination of wastes is hazardous for the purposes of sections 260.350 to 260.430, taking into account toxicity, persistence and degradability in nature, potential for accumulation in tissue, and other related factors such as flammability, corrosiveness and other hazardous characteristics;

This plan shall be adopted within two years after September 28, 1977, and revised at least once every five years thereafter;

Payment of contributions due shall be made to the treasurer designated pursuant to section 288.290.

(1) In the payment of any contributions due, a fractional part of a cent shall be disregarded unless it amounts to one-half cent or more, in which case it shall be increased to one cent;

(2) Contributions shall not be deducted in whole or in part from the wages of individuals in employment.

2. As of June thirtieth of each year, the division shall establish an average industry contribution rate for the next succeeding calendar year for each of the industrial classification divisions listed in the industrial classification system established by the federal government. The average industry contribution rate for each standard industrial classification division shall be computed by multiplying total taxable wages paid by each employer in the industrial classification division during the twelve consecutive months ending on June thirtieth by the employer's contribution rate established for the next calendar year and dividing the aggregate product for all employers in the industrial classification division by the total of taxable wages paid by all employers in the industrial classification division during the twelve consecutive months ending on June thirtieth. Each employer will be assigned to an industrial classification code division as determined by the division in accordance with the definitions contained in the industrial classification system established by the federal government, and shall pay contributions at the average industry rate established for the preceding calendar year for the industrial classification division to which it is assigned or two and seven-tenths percent of taxable wages paid by it, whichever is the greater, unless there have been at least twelve consecutive calendar months immediately preceding the calculation date throughout which its account could have been charged with benefits. The division shall classify all employers meeting this chargeability requirement for each calendar year in accordance with their actual experience in the payment of contributions on their own behalf and with respect to benefits charged against their accounts, with a view to fixing such contribution rates as will reflect such experience. The division shall

determine the contribution rate of each such employer in accordance with sections 288.113 to 288.126. Notwithstanding the provisions of this subsection, any employing unit which becomes an employer pursuant to the provisions of subsection 7 or 8 of section 288.034 shall pay contributions equal to one percent of wages paid by it until its account has been chargeable with benefits for the period of time sufficient to enable it to qualify for a computed rate on the same basis as other employers.

3. Benefits paid to employees of any governmental entity and nonprofit organizations shall be financed in accordance with the provisions of this subsection. For the purpose of this subsection, a "nonprofit organization" is an organization (or group of organizations) described in Section 501(c)(3) of the United States Internal Revenue Code which is exempt from income tax under Section 501(a) of such code.

(1) A governmental entity which, pursuant to subsection 7 of section 288.034, or nonprofit organization which, pursuant to subsection 8 of section 288.034, is, or becomes, subject to this law on or after April 27, 1972, shall pay contributions due under the provisions of subsections 1 and 2 of this section unless it elects, in accordance with this subdivision, to pay to the division for the unemployment compensation fund an amount equal to the amount of regular benefits and of one-half of the extended benefits paid, that is attributable to service in the employ of such governmental entity or nonprofit organization, to individuals for weeks of unemployment which begin during the effective period of such election; except that, with respect to benefits paid for weeks of unemployment beginning on or after January 1, 1979, any such election by a governmental entity shall be to pay to the division for the unemployment compensation fund an amount equal to the amount of all regular benefits and all extended benefits paid that is attributable to service in the employ of such governmental entity.

(a) A governmental entity or nonprofit organization which is, or becomes, subject to this law on or after April 27, 1972, may elect to become liable for payments in lieu of contributions for a period of not less than one calendar year, provided it files with the division a written notice of its election within the thirty-day period immediately following the date of the determination of such subjectivity. The provisions of paragraphs (a) through (e) of subdivision (4) of subsection 1 of section 288.100 shall not apply in the calendar year 1998 and each calendar year thereafter, in the case of an employer who has elected to become liable for payments in lieu of contributions.

(b) A governmental entity or nonprofit organization which makes an election in accordance with paragraph (a) of this subdivision will continue to be liable for payments in lieu of contributions until it files with the division a written notice terminating its election not later than thirty days prior to the beginning of the calendar year for which such termination shall first be effective.

(c) A governmental entity or any nonprofit organization which has been paying contributions under this law for a period subsequent to January 1, 1972, may change to a reimbursable basis by filing with the division not later than thirty days prior to the beginning of any calendar year a written notice of election to become liable for payments in lieu of contributions. Such election shall not be terminable by the organization for that and the next calendar year.

(d) The division, in accordance with such regulations as may be adopted, shall notify each governmental entity or nonprofit organization of any determination of its status of an employer and of the effective date of any election which it makes and of any termination of such election. Such determination shall be subject to appeal as is provided in subsection 4 of section 288.130.

(2) Payments in lieu of contributions shall be made in accordance with the provisions of paragraph (a) of this subdivision, as follows:

(a) At the end of each calendar quarter, or at the end of any other period as determined by the director, the division shall bill the governmental entity or nonprofit organization (or group of such organizations) which has elected to make payments in lieu of contributions for an amount equal to the full amount of regular benefits plus one-half of the amount of extended benefits paid

during such quarter or other prescribed period that is attributable to service in the employ of such organization; except that, with respect to extended benefits paid for weeks of unemployment beginning on or after January 1, 1979, which are attributable to service in the employ of a governmental entity, the governmental entity shall be billed for the full amount of such extended benefits.

(b) Payment of any bill rendered under paragraph (a) of this subdivision shall be due and shall be made not later than thirty days after such bill was mailed to the last known address of the governmental entity or nonprofit organization or was otherwise delivered to it.

(c) Payments made by the governmental entity or nonprofit organization under the provisions of this subsection shall not be deducted or deductible, in whole or in part, from the remuneration of individuals in the employ of the organization.

(d) Past due payments of amounts in lieu of contributions shall be subject to the same interest and penalties that apply to past due contributions. Also, unpaid amounts in lieu of contributions, interest, penalties and surcharges are subject to the same assessment, civil action and compromise provisions of this law as apply to unpaid contributions. Further, the provisions of this law which provide for the adjustment or refund of contributions shall apply to the adjustment or refund of payments in lieu of contributions.

(3) If any governmental entity or nonprofit organization fails to timely file a required quarterly wage report, the division shall assess such entity or organization a penalty as provided in subsections 1 and 2 of section 288.160.

(4) Except as provided in subsection 4 of this section, each employer that is liable for payments in lieu of contributions shall pay to the division for the fund the amount of regular benefits plus the amount of one-half of extended benefits paid that are attributable to service in the employ of such employer; except that, with respect to benefits paid for weeks of unemployment beginning on or after January 1, 1979, a governmental entity that is liable for payments in lieu of contributions shall pay to the division for the fund the amount of all regular benefits and all extended benefits paid that are attributable to service in the employ of such employer. If benefits paid to an individual are based on wages paid by more than one employer in the base period of the claim, the amount chargeable to each employer shall be obtained by multiplying the benefits paid by a ratio obtained by dividing the base period wages from such employer by the total wages appearing in the base period.

(5) Two or more employers that have become liable for payments in lieu of contributions, in accordance with the provisions of subdivision (1) of this subsection, may file a joint application to the division for the establishment of a group account for the purpose of sharing the cost of benefits paid that are attributable to service in the employ of such employers. Each such application shall identify and authorize a group representative to act as the group's agent for the purposes of this subdivision. Upon approval of the application, the division shall establish a group account for such employers effective as of the beginning of the calendar quarter in which the application was received and shall notify the group's representative of the effective date of the account. Such account shall remain in effect for not less than two years and thereafter until terminated at the discretion of the director or upon application by the group. Upon establishment of the account, each member of the group shall be liable for payments in lieu of contributions with respect to each calendar quarter in the amount that bears the same ratio to the total benefits paid in such quarter that are attributable to service performed in the employ of all members of the group as the total wages paid for service in employment by such member in such quarter bears to the total wages paid during such quarter for service performed in the employ of all members of the group. The director shall prescribe such regulations as he or she deems necessary with respect to applications for establishment, maintenance and termination of group accounts that are authorized by this subdivision, for addition of new members to, and withdrawal of active members from, such accounts, and for the determination of the amounts that are payable under this subdivision by members of the group and the time and manner of such payments.

4. Any employer which elects to make payments in lieu of contributions into the unemployment compensation fund as provided in subdivision (1) of subsection 3 of this section shall not be liable to make such payments with respect to the benefits paid to any individual whose base period wages include wages for previous work not classified as insured work as defined in section 288.030 to the extent that the unemployment compensation fund is reimbursed for such benefits pursuant to Section 121 of Public Law 94-566.

5. [Any employer which elects to make payments in lieu of contributions pursuant to subsection 3 of this section shall be liable for an additional surcharge to the division for the unemployment compensation trust fund in an amount equal to the interest rate on United States treasury bills, averaged for the previous four calendar quarters, multiplied by the total benefit payments charged to the employer's account. Governmental entities except cities, counties and the state of Missouri which elect to make payments in lieu of contributions pursuant to subsection 3 of this section shall be liable for an additional surcharge to the division for the unemployment compensation fund in an amount equal to one-half of the interest rate on United States treasury bills, averaged for the previous four calendar quarters, multiplied by the total benefit payments charged to the employer's account. The cumulative benefits charged plus the cumulative surcharges pursuant to this subsection for all employers electing to make payments in lieu of contributions shall not exceed the summation of total benefit payments chargeable and not chargeable for the calendar quarter. The provisions of this subsection shall not be effective after September 30, 1993.

6. Beginning October 1, 1993, through December 31, 1993, any employer which elects to make payments in lieu of contributions pursuant to subsection 3 of this section shall be liable for an additional surcharge to the division for the unemployment compensation trust fund in an amount equal to the interest rate of United States treasury bills, averaged for the previous four calendar quarters, multiplied by the total benefit payments charged to the employer's account. The cumulative benefits charged plus the cumulative surcharges pursuant to this subsection for all employers electing to make payments in lieu of contributions shall not exceed the summation of total benefit payments chargeable and not chargeable for the calendar quarter.

7. Beginning January 1, 1994, through December 31, 1995, any employer which elects to make payments in lieu of contributions pursuant to subsection 3 of this section shall be liable for an additional surcharge to the division for the unemployment compensation trust fund. The calendar year surcharge rate will be the base prime rate on corporate loans posted by at least seventy-five percent of the nation's thirty largest banks as of November thirtieth of the preceding year. The additional surcharge will be the surcharge rate multiplied by the total benefit payments charged to the employer's account. The cumulative benefits charged plus the cumulative surcharges pursuant to this subsection for all employers electing to make payments in lieu of contributions shall not exceed the summation of total benefit payments chargeable and not chargeable for the calendar quarter.

8. Beginning January 1, 1996, through December 31, 1996, any employer which elects to make payments in lieu of contributions pursuant to subsection 3 of this section shall be liable for the total benefit payments chargeable to its account pursuant to the provisions of section 288.100 plus one-third of the total benefit payments not charged to its account pursuant to paragraphs (a) through (e) of subdivision (4) of subsection 1 of section 288.100. The remaining two-thirds of the benefit payments not charged to its account pursuant to paragraphs (a) through (e) of subdivision (4) of subsection 1 of section 288.100 shall be paid by the unemployment compensation trust fund.

9. Beginning January 1, 1997, through December 31, 1997, any employer which elects to make payments in lieu of contributions pursuant to subsection 3 of this section shall be liable for the total benefit payments chargeable to its account pursuant to the provisions of section 288.100 plus two-thirds of the total benefit payments not charged to its account pursuant to paragraphs (a) through (e) of subdivision (4) of subsection 1 of section 288.100. The remaining one-third of the benefit payments not charged to its account pursuant to paragraphs (a) through (e) of

subdivision (4) of subsection 1 of section 288.100 shall be paid by the unemployment compensation trust fund.

10.] Beginning January 1, 1998, and each calendar year thereafter, any employer which elects to make payments in lieu of contributions pursuant to subsection 3 of this section shall be liable for all benefit payments and shall not have charges relieved pursuant to the provisions of paragraphs (a) through (e) of subdivision (4) of subsection 1 of section 288.100.

[11.] 6. (1) For the purposes of this chapter, a common paymaster arrangement will not exist unless approval has been obtained from the division. To receive a division-approved common paymaster arrangement, the related corporation designated to be the common paymaster for the related corporations must notify the division in writing at least thirty days prior to the beginning of the quarter in which the common paymaster reporting is to be effective. The common paymaster shall furnish the name and account number of each corporation in the related group that will be utilizing the one corporation as the common paymaster. The common paymaster shall also notify the division at least thirty days prior to any change in the related group of corporations or termination of the common paymaster arrangement. The common paymaster shall be responsible for keeping books and records for the payroll with respect to its own employees and the concurrently employed individuals of the related corporations. In order for remuneration to be eligible for the provisions applicable to a common paymaster, the individuals must be concurrently employed and the remuneration must be disbursed through the common paymaster. The common paymaster shall have the primary responsibility for remitting all required quarterly contribution and wage reports, contributions due with respect to the remuneration it disburses as the common paymaster and/or payments in lieu of contributions. The common paymaster shall compute the contributions due as though it were the sole employer of the concurrently employed individuals. If the common paymaster fails to remit the quarterly contribution and wage reports, contributions due and/or payments in lieu of contributions, in whole or in part, it shall remain liable for submitting the quarterly contribution and wage reports and the full amount of the unpaid portion of the contributions due and/or payments in lieu of contributions. In addition, each of the related corporations using the common paymaster shall be jointly and severally liable for submitting quarterly contribution and wage reports, its share of the contributions due and/or payments in lieu of contributions, penalties, interest and surcharges which are not submitted and/or paid by the common paymaster. All contributions due, payments in lieu of contributions, penalties, interest and surcharges which are not timely paid to the division under a common paymaster arrangement shall be subject to the collection provisions of this chapter.

(2) For the purposes of this subsection, "concurrent employment" means the simultaneous existence of an employment relationship between an individual and two or more related corporations for any calendar quarter in which employees are compensated through a common paymaster which is one of the related corporations, those corporations shall be considered one employing unit and be subject to the provisions of this chapter.

(3) For the purposes of this subsection, "related corporations" means that corporations shall be considered related corporations for an entire calendar quarter if they satisfy any one of the following tests at any time during the calendar quarter:

(a) The corporations are members of a "controlled group of corporations". The term "controlled group of corporations" means:

a. Two or more corporations connected through stock ownership with a common parent corporation, if the parent corporation owns stock possessing at least fifty percent of the total combined voting power of all classes of stock entitled to vote or at least fifty percent of the total value of shares of all classes of stock of each of the other corporations; or

b. Two or more corporations, if five or less persons who are individuals, estates or trusts own stock possessing at least fifty percent of the total combined voting power of all classes of stock entitled to vote or at least fifty percent of the total value of shares of all classes of stock of each of the other corporations; or

(b) In the case of corporations which do not issue stock, at least fifty percent of the members of one corporation's board of directors are members of the board of directors of the other corporations; or

(c) At least fifty percent of one corporation's officers are concurrently officers of the other corporations; or

(d) At least thirty percent of one corporation's employees are concurrently employees of the other corporations.

303.026. DIRECTOR TO NOTIFY OWNERS WHO REGISTER VEHICLES, CONTENTS — AFFIDAVIT CERTIFYING FINANCIAL RESPONSIBILITY REQUIRED FOR REGISTRATION — DIRECTOR MAY USE SAMPLING TECHNIQUES TO VERIFY — VERIFICATION BY OWNER, TIME — INSURERS REQUIRED TO SUBMIT POLICY INFORMATION TO DIRECTOR, FORMAT, USE, DISCLOSURE — VIOLATIONS BY INSURER, PENALTY. — 1. The director shall inform each owner who registers a motor vehicle of the following:

(1) The existence of the requirement that every motor vehicle owner in the state must maintain his financial responsibility;

(2) The requirement that every motor vehicle owner show an insurance identification card, or a copy thereof, or other proof of financial responsibility at the time of vehicle registration; this notice shall be given at least thirty days prior to the month for renewal and shall be shown in bold, colored print;

(3) The penalties which apply to violations of the requirement to maintain financial responsibility;

(4) The benefits of maintaining coverages in excess of those which are required;

(5) The director's authority to conduct samples of Missouri motor vehicle owners to ensure compliance.

2. No motor vehicle owner shall be issued registration for a vehicle unless the owner, or his authorized agent, signs an affidavit provided by the director of revenue at the time of registration of the vehicle certifying that such owner has and will maintain, during the period of registration, financial responsibility with respect to each motor vehicle that is owned, licensed or operated on the streets or highways. The affidavit need not be notarized, but it shall be acknowledged by the person processing the form. The affidavit shall state clearly and in bold print the following: "Any false affidavit is a crime under section 575.050 of Missouri law.". In addition, every motor vehicle owner shall show proof of such financial responsibility by presenting his or her insurance identification card, as described in section 303.024, or a copy thereof, or some other proof of financial responsibility in the form prescribed by the director of revenue at the time of registration unless such owner registers his vehicle in conjunction with a reciprocity agreement entered into by the Missouri highway reciprocity commission pursuant to sections 301.271 to 301.279, RSMo, or unless the owner insures the vehicle according to the requirements of the division of motor carrier and railroad safety pursuant to section 390.126, RSMo.

3. To ensure compliance with this chapter, the director may utilize a variety of sampling techniques including but not limited to random samples of registrations subject to this section, uniform traffic tickets, insurance information provided to the director at the time of motor vehicle registration, and persons who during the preceding year have received a disposition of court-ordered supervision or suspension. The director may verify the financial responsibility of any person sampled or reported.

(1) Beginning January 1, 2001, the director may require such information, as in his or her discretion is necessary to enforce the requirements of subdivision (1) of subsection 1 of this section, to be submitted from the person's insurer or insurance company. When requested by the director of revenue, all licensed insurance companies in this state which sell private passenger (noncommercial) motor vehicle insurance policies shall report information regarding the issuance, nonrenewal and cancellation of such policies to the director, excluding policies issued

to owners of fleet or rental vehicles or issued on vehicles that are insured pursuant to a commercial line policy. Such information shall be reported electronically in a format as prescribed by the director of the department of revenue by rule except that such rule shall provide for an exemption from electronic reporting for insurers with a statistically insignificant number of policies in force.

(2) [The director may require the data described in subsection 2 of section 303.412 to be reported by insurance companies and require reporting periods of at least once per month.] When required by the director of revenue, each insurance company shall provide to the department a record of each policy issued, canceled, terminated or revoked during the period since the previous report. Nothing in this section shall prohibit insurance companies from reporting more frequently than once per month.

(3) The director may use reports described in subdivision (1) of this subsection for sampling purposes as provided in this section.

4. Information provided to the department by an insurance company for use in accordance with this section is the property of the insurer and is not subject to disclosure pursuant to chapter 610, RSMo. Such information may be utilized by the department for enforcement of this chapter but may not be disclosed except that the department shall disclose whether an individual is maintaining the required insurance coverage upon request of the following individuals and agencies only:

- (1) The individual;
- (2) The parent or legal guardian of an individual if the individual is an unemancipated minor;
- (3) The legal guardian of the individual if the individual is legally incapacitated;
- (4) Any person who has power of attorney from the individual;
- (5) Any person who submits a notarized release from the individual that is dated no more than ninety days before the request is made;
- (6) Any person claiming loss or injury in a motor vehicle accident in which the individual is involved;
- (7) The office of the state auditor, for the purpose of conducting any audit authorized by law.

5. The director[, after consultation with the working group as provided for in section 303.406,] may adopt any rules and regulations necessary to carry out the provisions of subdivisions (1) through (3) of subsection 3 of this section. Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay the effective date or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2000, shall be invalid and void.

6. Any person or agency who knowingly discloses information received from insurance companies pursuant to this section for any purpose, or to a person, other than those authorized in this section is guilty of a class A misdemeanor. No insurer shall be liable to any person for performing its duties pursuant to this section unless and to the extent the insurer commits a willful and wanton act of omission.

7. The department of revenue shall notify the department of insurance, financial institutions and professional registration of any insurer who violates any provisions of this section. The department of insurance, financial institutions and professional registration may, against any insurer who knowingly fails to comply with this section, assess an administrative penalty up to five hundred dollars per day of noncompliance. The department of insurance, financial institutions and professional registration may excuse the administrative penalty if an assessed insurer provides acceptable proof that such insurer's noncompliance was inadvertent, accidental

or the result of excusable neglect. The penalty provisions of this section shall become effective six months after the rule issued pursuant to subsections 3 and 5 of this section is published in the code of state regulations.

8. To verify that financial responsibility is being maintained, the director shall notify the owner or operator of the need to provide, within fifteen days, proof of the existence of the required financial responsibility. The request shall require the owner or the operator to state whether or not the motor vehicle was insured on the verification date stated in the director's request. The request may include but not be limited to a statement of the names and addresses of insurers, policy numbers and expiration date of insurance coverage. Failure to provide such information shall result in the suspension of the registration of the owner's motor vehicle, and where applicable, the owner's or the operator's driving privilege, for failing to meet such requirements, as is provided in this chapter.

313.008. GAMING COMMISSION BINGO FUND ABOLISHED AND TRANSFERRED TO GAMING COMMISSION FUND WHEN, USED FOR CERTAIN PURPOSES. — All revenue received by the commission from license fees, penalties, and administrative fees authorized under the provisions of sections 313.005 to 313.085 shall be deposited in the state treasury to the credit of the "Gaming Commission Fund", and upon appropriation may be used for the purposes specified in section 313.835. [All unobligated funds in the gaming commission bingo fund on August 28, 2000, shall be transferred to the gaming commission fund and the gaming commission bingo fund shall be abolished on June 30, 2001.]
